Internet Navigation and Exploration Kathy Marold,Gwynne Larsen,2001-07 This accessible primer teaches students to access and use the resources available on the Internet, using only the Web as the vehicle for access. The book begins with tutorials that allow students with limited Internet experience to browse the Web and create a Web page. Chapters review hardware and software issues, describe basic Web elements, explain features of the two major Web browsers, and explain how to search for and access information. There is also material on e- mail, chat rooms, and e-commerce. A final chapter shows how to construct a simple Web page on an Internet server. The color format with tips, boxes, and photos is inviting. The course can be completed using Internet Explorer or Netscape Navigator. The Home Edit Clea Shearer,Joanna Teplin,2019-03-19 NEW YORK TIMES BESTSELLER • From the stars of the Netflix series Get Organized with The Home Edit (with a serious fan club that includes Reese Witherspoon, Gwyneth Paltrow, and Mindy Kaling), here is an accessible, room-by-room guide to establishing new order in your home. “A master class on how to arrange even your most unattractive belongings—and spaces—in an aesthetically pleasing and easy-to-navigate way.”—Glamour (10 Books to Help You Live Your Best Life) Believe this: every single space in your house has the potential to function efficiently and look great. The mishmash of summer and winter clothes in the closet? Yep. Even the dreaded junk drawer? Consider it done. And the best news: it’s not hard to do—in fact, it’s a lot of fun. From the home organizers who made their orderly eye candy the method that everyone swears by comes Joanna and Clea’s signature approach to decluttering. The Home Edit walks you through paring down your belongings in every room, arranging them in a stunning and easy-to-find way (hello, labels!), and maintaining the system so you don’t need another do-over in six months. When you’re done, you’ll not only know exactly where to find things, but you’ll also love the way it looks. A masterclass and look book in one, The Home Edit is filled with bright photographs and detailed tips, from placing plastic dishware in a drawer where little hands can reach to categorizing pantry items by color (there’s nothing like a little ROYGBIV to soothe the soul). Above all, it’s like having your best friends at your side to help you turn the chaos into calm. Includes a link to download and print the labels from a computer (you will need 8-1/2 x 11-inch clear repositionable sticker project paper, such as Avery 4397).

The Tormenting Factor Ima Survivor,2011-04-28 This author's biography is an ongoing account of abuse, rape, and torment. It is written with a provocative tool of undercurrents that substantiate how generational curses are formed. The factual scenario of family disgruntling bears witness to the learned behavior that causes extreme anxiety and emotional torment. This story is not about revenge or judgment. It is simply a chronicle to give readers a comparative view of themselves and their families with imminent clarity. Although the original purpose of this book was to share deep secrets with the author's children, the crux of these secrets had already influenced too many circumstances and characteristics of her progeny. Repeated family behavior had developed into curses that were passed from generation to generation. If relationships are your enemy, and you have somehow moved from one abusive relationship to another, you will learn why you continue to enter these same types of relationships. If your body is twisted due to bitterness and unforgiveness, you will learn how attitude promotes pain. If you are haunted by shadows of your past, this book may help you understand and deal with your emotions. No one is exempt from some type of family transference. Emotional effects may go unnoticed by others, although they alter our lives and usually require resolution. There is a heavily populated audience of esoteric families who are crying out everywhere because they have been hurt. If you have experienced abuse, Ima's biography may be difficult to read. Humor and faith are both excellent coping skills to help deal with the dark side. This book contains enough tincture (an admixture of humor) to help cope with emotions as readers experience the heaviness of this story. Laughter is the morphine that will numb your pain until your resolution comes.
