Notebooks For All

The Station, Volume Two Mel A Rowe, 2023-08-23 Love or legacy – only one can be chosen. “It was going to kill him to say goodbye to one to keep the other, when his family’s legacy already dictated which one he had to choose and which one to let go ...” Jake is set to take the reins as the next cattle king on the largest cattle station in the Northern Territory. With the vultures circling for their piece of his family’s land, and with time running out on Sienna’s work contract, Jake takes on a risky venture. But when a ghost from the past reveals a deep dark secret, it tears Jake’s family apart. And the only woman who can help them is leaving. Will this dusty Cinderella keep her prince? Or will Jake let the love of his life go, breaking both their hearts, in the epic conclusion to this heart-warming outback romance. For a better reading experience, it is recommended you read *The Station: Volume One*.

The Complete Beginner's Guide to Genealogy, the Internet, and Your Genealogy Computer Program Karen Clifford, 2001 A guide to conducting genealogical research, focusing on the role of electronic databases, computer programs, and Internet resources in revolutionizing the process of tracing family histories. Includes charts, forms, exercises, Web site addresses, and bibliographies.

The Heart of Intimate Abuse Linda G. Mills, PhD, LCSW, JD, 1998-08-31 This startling analysis of violence within intimate relationships contends that every abusive relationship has, paradoxically, a heart of its own. Practitioners must acknowledge and engage this dynamic emotional center in order for interventions to succeed. *The Heart of Intimate Abuse* takes a broad, critical view of standard responses to abuse by today's criminal justice, social work, and medical systems--especially those that respond to violence with coercive interventions such as

mandatory arrest, prosecution, and reporting laws. Here is a bold vision of the core dynamics of abuse in families--a vision that professionals can use to realize new policies and implement effective interventions that reach the heart of intimate abuse.
