The Ultimate Assist John A. Fortunato,2001 The book reveals the many different broadcast strategies that are employed by the NBA and television networks to make the televising of an NBA game more appealing to fans. The book provides the perspective of the people who are the most responsible for creating The Ultimate Assist.--BOOK JACKET.

The Violence of Neoliberalism Victoria E. Collins,Dawn L. Rothe,2019-07-05 This book examines the impact of neoliberalism on society, bringing to the forefront a discussion of violence and harm, the inherent inequalities of neoliberalism and the ways in which our everyday lives in the Global North reproduce and facilitate this violence and harm. Drawing on a range of

contemporary topics such as state violence, the carceral state, patriarchy, toxic masculinity, death, sports and entertainment, this book unmask the banal forms of violence and harm that are a routine part of life that usurp, commodify and consume to reify the existing status quo of harm and inequality. It aims to defamiliarize routine forms of violence and inequality, thereby highlighting our own participation in its perpetuation, though consumerism and the consumption of neoliberal dogma. It is essential reading for students across criminology, sociology and political philosophy, particularly those engaged with crimes of the powerful, state crime and social harm.

Tampa Bay Magazine ,2002-01 Tampa Bay Magazine is the area's lifestyle magazine. For over 25 years it has been featuring the places, people and pleasures of Tampa Bay Florida, that includes Tampa, Clearwater and St. Petersburg. You won't know Tampa Bay until you read Tampa Bay Magazine.

Corporate Power in the United States Joseph W. Sora,1998
Contains 20 contributions, culled from magazines, newspapers, and books, which examine the nature and power of the modern corporation in contemporary American life. Contributions seek to:

define the corporation; delineate the way corporate power affects everything from health care and leisure time to punk rock and comic books; explain the power of the corporation that results from donations to entities ranging from charities to political parties; and explore the recent domination of information sources, both news oriented and not. Father John's Gift R. Allan Worrell, 2019-07-23 Irreverent and provocative, this is the story of Father John, a 1960's Catholic priest who had a comfortable life at St. Andrew's Parrish in downtown Chicago, Illinois. But after a brief encounter with a UFO on the edge of town, he gains a wonderful gift: the ability to heal others with the touch of his hand. Father John can't tell anyone about the UFO or he risks losing his life as a priest, and he quickly finds his gift is a threat to both the medical establishment and to the church. Watch what happens when the world finds out about the miraculous power of Father John's Gift!

American Language Supplement 2 H.L. Mencken,2012-04-04

The DEFINITIVE EDITION OF The American Language was published in 1936. Since then it has been recognized as a classic. It is that rarest of literary accomplishments—a book that is authoritative and scientific and is at the same time very diverting reading. But after 1936 HLM continued to gather new materials diligently. In 1945 those which related to the first six chapters of The American Language were published as Supplement I; the present volume contains those new materials which relate to the other chapters. The ground thus covered in Supplement II is as follows: 1. American Pronunciation. Its history. Its divergence from English usage. The regional and racial dialects. 2. American Spelling. The influence of Noah Webster upon it. Its characters today. The simplified spelling movement. The treatment of loan words. Punctuation, capitalization, and abbreviation. 3. The Common Speech. Outlines of its grammar. Its verbs, pronouns, nouns, adjectives, and adverbs. The double negative. Other peculiarities. 4. Proper Names in America. Surnames. Given-names. Place-names. Other names. 5. American Slang. Its origin and history. The argot of various racial and occupational groups.

Although the text of Supplement II is related to that of The American Language, it is an independent work that may be read profitably by persons who do not know either The American Language or Supplement I.

Clash Kayla Miller,2021-07 There's a new kid in town! From the moment Natasha sets foot in class, it's clear she's one of the coolest kids in sixth grade. Everyone wants to be her friend, including Olive...but things might not be so easy. Olive tries her best to befriend Nat, but it seems like the only thing they have in common is that they both want to hang out with Olive's friends! Watching as Natasha gets closer with some of her best buds, Olive can't help but worry that they're starting to like Nat more than they

like her...and who could blame them? Nat is just that cool...and Olive is, well, just Olive.

Sudden Death Rita Mae Brown,2011-05-04 Outrageous, irrepressible and endlessly entertaining, the bestselling author of Rubyfruit Jungle and Bingo spins a behind-the-scenes tale of women's professional tennis that dramatically intertwines the heart-stopping excitement of competition and the lingering heartache of intimate human bonds. Carmen Semanan loves three things passionately: tennis, money and professor Harriet Rawls. Just twenty-four, Carmen is at her peak as one of the world's top-seeded tennis champions, determined to win the coveted Grand Slam. She is protected from everything but the grueling demands of her sport by an avaricious agent and her devoted gusty Harriet. All the odds are in her favor. But there are weeds growing in her paradise patch. Carmen's very latin brother, Miguel, parlays her success into a financial house of cards with deals that include smuggling, forgery, and fraud. Susan Reilly, Carmen's archrival and

former lover, leaks word of Carms's relationship with Harriet to the press--and tennis's best-kept secret is blown into a front-page scandal. From the French Open to Wimbledon, jealousies, ambitions and passions are set to explode. Now, with everything she cherishes on the line, Carmen must test the true depths of her feelings--both on and off the court.

The Winning Spirit Bill Pennington, 1992-07 Meet Jesse Barfield, Darryl Strawberry, Andy Van Slyke, and eight other baseball greats. For them, it hasn't always been an All-Star game. Pennington, a sports columnist for The Record and The News Tribune traces their superstar careers and tells how, along the way, they got the message: Living on the edge isn't where it's at.
