The Boot Room Boys Peter Hooton,2018-09-27 Picture this: Saturday afternoons at Anfield, orange match balls, passionate terraces, a sea of red and Liverpool FC rules the world. The Boot Room story starts in 1959 when Bill Shankly arrived and converted a 12 x 12 storage room into a meeting place for him and his coaches, a move that had momentous consequences, both for the Club and British football. Fans on the Kop will remember the heart-stopping extra time of the 1965 FA Cup Final, and the jubilation of winning the treble in 1984. But what was the common thread during Liverpool's glory years? It was the Boot Room. Lifelong Liverpool supporter and editor of legendary fanzine The End, Peter Hooton takes us back into that old storage room, where first Shankly, then in succession Paisley, Fagan and Dalglish drank tea, analysed, strategised, selected and deselected, and built the most successful British club in Europe in the 20th Century. Illustrated throughout with over 100 powerful never-before-seen images from the Mirror's forgotten archives, The Boot Room Boys captures the story, as it unfolded, of Liverpool's conquering heroes.

Into the Red John Williams,2012-08-17 After a decade in football wilderness, weighed down by the legacy of unmatched domestic and European successes in the 1970s and '80s, Liverpool Football Club - under new French coach Gérard Houllier and forward-looking chief executive, Rick Parry - face up to the huge challenge of building a new team and a successful modern club at Anfield fit for the twenty-first century. But change is never easy and a rough ride lies ahead. Hard-headed and controversial, Houllier and his policies are proving contentious: changing the dressing-room culture which has been central to the club's earlier successes and his policy of player rotation, to name just two. So how does this new coaching guru, with a strong personal attachment to both the city and the club, see the future of the game and Liverpool's place in it? And do the fans of the club - its lifeblood - share Houllier's vision of a borderless international football squad and a more pragmatic, less flamboyant approach to playing the modern game? Into the Red charts the place of football in the city of Liverpool, along with some of the reasons for the club's dramatic fall from grace. It also reports on the extraordinary 'revival' season for Liverpool FC in 2000-01 as the club battled, uniquely, in Europe and at home for honours across four different fronts, and on season 2001-02, a dramatic one for Houllier in particular. It includes comment from some of the key protagonists at Anfield as Liverpool FC begins to build, on and off the pitch, an exciting new footballing era for the club, dragging it into the new millennium and ultimately challenging the great football epochs of the team's history under legends such as Shankly, Paisley and Fagan.

The Red Journey Mark Platt,2017-10-05 Winning eighteen league championships, four European Cups, a Champions League tle, seven FA Cups and eight League Cups makes Liverpool Football Club one of the most successful football club in England. This is the football club touched by the

greatest managers, the club, indeed, where the cult of the manager began. Liverpool had been great before but not for some time until Billy Shankly arrived, ordaining it the original People's Club because of the passion of its supporters. Liverpool proceeded to dominate the European scene under Bob Paisley, the quietly ruthless genius. Kenny Dalglish -- considered the club's greatest player - later turned Liverpool into the country's most stylish team when he took charge of the team. Dalglish might stand in his own league but many other greats have touched the famous This is Anfield sign wearing Liverpool red: from Ian Callaghan, the club's record appearance holder, to Phil Neal, the club's most decorated player, to Graeme Souness and Steven Gerrard, arguably Liverpool's most iconic captains. It was often thought the beauty of Liverpool's brilliance was the simplicity behind it and yet, few rivals were able to crack the Liverpool code. As Liverpool enters its 125th year, *Liverpool: An Oral History* tells the story of the club through the voices of the people who made the institution one of the most revered in football. Curated by Simon Hughes, and told in the words of the people who made it the world institution it is, *Liverpool: An Oral History* offers an unparalleled insight into the club's story, featuring more than 100 interviews with the club's players, managers and fans.

Men in White Suits Simon Hughes, 2016-03-10 In *Men in White Suits*, Simon Hughes meets some of the most colourful characters to have played for Liverpool Football Club during the 1990s. The resulting interviews, set against the historical backdrop of both the club and the city, deliver a rich portrait of life at Anfield during a decade when on-field frustrations were symptomatic of off-the-field mismanagement and ill-discipline. After the shock resignation of Dalglish and Graeme Souness's ill-fated reign, the Reds - under the stewardship of Roy Evans - displayed a breathtaking style led by a supremely talented young group of British players whose names featured as regularly on the front pages of the tabloids as they did on the back. The Daily Mail was the first newspaper to tag Evans's team as the Spice Boys. Yet despite their flaws, this was a rare group of individuals: mavericks, playboys, goal-scorers and luckless defenders. Wearing off-white Armani suits, their confident personalities were exemplified in their pre-match walk around Wembley before the 1996 FA Cup final (a 1-0 defeat to Manchester United). In stark contrast to the media-coached, on-message interviews given by today's top stars, the blunt, ribald and sometimes cutting recollections of the footballers featured in *Men in White Suits* provide a rare insight into this fascinating era in Liverpool's long and illustrious history.

Jürgen Klopp Elmar Neveling, 2016-02-11 Sunday Times Bestseller Updated to include the Premier League Victory 2020 It is the intensity of the football, of how the people live football in Liverpool, all the Liverpool fans around the world. It is not a normal club, it is a special club. Jürgen Klopp Jürgen Klopp is the charismatic German manager who single-handedly overthrew the accepted order in German football, taking Borussia Dortmund from nowhere to back-to-back Bundesliga titles and the Champions League final. He had long been admired in the Premiership and was finally wooed by Liverpool in the belief he could bring back the glory days to the Kop. Klopp is revered as a master tactician with his own unique playing

philosophies. He is loved by his players for his passion and man-management skills, and adored by fans for his charm, wit and exciting football on the pitch. Here is the definitive story of Jürgen Klopp - the normal one - and his footballing genius.

Here We Go Gathering Cups In May Nicky Allt, 2007-09-06 Seven European Cup finals. Seven fans. Seven amazing adventures following the team they love. This book celebrates the achievements of Liverpool FC in Europe, and in particular a love affair with Old Big Ears - the European Cup. It's an ongoing affair that began with the legendary and, in those days, unprecedented exodus of 30,000 Liverpool fans to Rome in 1977, has taken in the glories of Paris and Istanbul, endured the horror of Brussels, and still burns as brightly today with Athens 2007, just the latest staging post of Liverpool's trans-European express. Above all, *Here We Go Gathering Cups In May* tells of the bond between a club and its fans: the lengths those fans will go to in order to be there at the final to cheer on their team, vivid accounts of what happened along the way, their escapades in some of Europe's iconic capitals, and their recollections of those historic nights - nights of glory and, sometimes, nights of tragedy.

Perched Paul Tomkins, 2020-08-18 Champions! After a 30-year wait, Jürgen Klopp's Liverpool won the English league title quicker than anyone in history, with seven games still to play; and with those final games played only after the season was almost cancelled in the wake of the Covid-19 pandemic. The Reds absolutely smashed the opposition, racking up a record-breaking 25-point lead during the run-in, adding the European Super Cup and the Club World Cup to the Champions League of 2019, before confirming the championship to get the club back on its perch in 2020. This book takes a look at the games, the players and management team, tactics and transfer policies, ownership and innovations, and the myriad facets that came together to make this Liverpool team - reigning European champions, with stars like Mo Salah, Virgil van Dijk, Alisson Becker, Trent Alexander-Arnold, Roberto Firmino, Sadio Mané and captain Jordan Henderson - ranked the 4th-best in the history of football. About the author: Paul Tomkins is the author of over a dozen football books, an academic paper on the role football finances play in success, and the novel *The Girl on the Pier*. In addition, he was a columnist on the official Liverpool website between 2005 and 2012. In 2009 he set up the website *The Tomkins Times*. Praise for the work of Paul Tomkins and *The Tomkins Times*: [Paul Tomkins' work is] ... phenomenal. Absolutely quintessential reading for Liverpool fans. *The Redmen TV* *The Tomkins Times* is an indispensable website whose diagnosis of all things Liverpool is beyond compare. *LFC History.net* The best Liverpool FC writer, bar none. Vic Gill, Bill Shankly's son-in-law and former LFC trainee. Perhaps the most intelligent guide to LFC available on the internet. *The Independent on Sunday* Gold-dust analysis John Sinnott, BBC [Football analysis] is best left to the professionals, like the admirable Mr Tomkins. *The Daily Telegraph* An ingenious and intelligent look beneath the surface to reveal what the headlines too often don't tell us. Fascinating. Jonathan Wilson Another triumph of impeccable research, *Pay As You Play* brings much-needed factual insight to a discussion previously dominated by half-truths. Oliver Kay, *The Times* Liverpool do happen to be blessed with supporters whose statistical analysis provides a lucid interpretation of where the club's strengths and weaknesses lie, accessible through the *Tomkins Times* website. *The Independent*

Champions Under Lockdown Jeff Goulding, 2020-08-03 *Champions Under Lockdown* is the third book in the *Red Odyssey* series. It tells the story of an extraordinary season from the perspective of the terraces. After their epic 2018/19 season, in 2019/20 Jürgen Klopp would target Liverpool's first league title in 30 years. During this unforgettable season his side would smash all records. They claimed the UEFA Super Cup and then the Club World Cup before sailing to a 25-point lead at the top of the Premier League. Fans who thought they had seen it all witnessed arguably

the greatest Reds side in history sweep all before them. They were declared champions-elect, but the fates decreed there would be a final barrier to Liverpool claiming their prize. In the midst of a global virus pandemic and with the country on lockdown, voices called for the season to be declared null and void, threatening to wipe the achievements of this incredible team from history. But Jürgen and his men rose again to claim their holy grail. This is the unique story of the champions under lockdown.
