**God's Bucket List** Teresa Tomeo,2013 From the popular EWTN TV and radio personality comes a to-do list that's just divine. Scripture tells us only God knows the desires of our hearts. It was, after all, God who placed them there because they are designed to lead us to His will for our lives. Why, then, is it so challenging at times to figure out if we are on the right track when it comes to what we believe we want or need? God's Bucket List will examine what God wants for each of us: mercy, fruitfulness, fellowship, and peace, just to name a few, and will explain what the Christian faith teaches about these gifts and how we can begin to achieve and cross out, one by one, the items on that heavenly list.

**Gizelle's Bucket List** Lauren Fern Watt,2017-03-07 The epic adventure of a 160-pound English Mastiff and the twentysomething girl who grew up alongside her—"as much a story about growing up as about letting go of things that cannot be changed...and a reminder of the profound healing connection that can exist between humans and the pets they love" (Kirkus Reviews). When Lauren Fern Watt moved to New York after college, she took her 160-pound English Mastiff, Gizelle, with her. And though it wasn't easy, she managed to find a dog-friendly (albeit tiny) apartment in the middle of it all—Times Square. Gizelle was there for Lauren's first job, her mother's struggle with addiction, her New York romances, and the ups and downs of becoming an adult in the big city. But when Gizelle got sick, Lauren realized her best friend might not be such a constant after all, and she designed an epic bucket list to make the absolute most of the time they had left. Bursting with charm, Gizelle's Bucket List is "an inspirational, uplifting experience that will leave you feeling that anything is possible. For anyone who has had a pet; who has loved and lost; who has hoped for the future, this is an enchanting story of an unlikely journey that will stay with you for a long time" (Elle, UK).

**My Bucket List Journal** My Bucket List Journal,2015-07-06 What are you gonna do with your life? Ever had someone say that to you only to have absolutely no response. Do you really know what you want to do before you die? Not many of us do and that is because we have never taken the time to think about it. We are too busy living it. A bucket list journal, diary, notebook or whatever you want to call it forces you to think about it. What do you want to do before you die? You could climb to the top of a mountain, swim with some sea creature, ride a unicorn (o.k. let's keep it realistic) or pretty much anything else you can think of. Just start thinking of 100 things you want on your bucket list. If you get to 101 just buy another one of these books! If you need inspiration watch The Bucket List movie. By writing down your goals of what you want to achieve, it allows you to visualize it and make it happen. Saying you want to travel to the Amazon jungle someday is a lot less

powerful then writing down an exact date you plan on going. Write down what you plan on doing in as much detail as you can. Some bucket list items might be easy to achieve and others will take more planning. As long as what you want to accomplish makes you feel just a bit more whole inside you have nailed it. Let your imagination run wild with what you want to do. Spend some time reflecting on the what if's. What if you got told you were going to die in one year? What are those things you absolutely have to experience before you kick the bucket? If you are ready to take your life in a new direction with the simple act of writing out your goals then scroll up and hit the orange buy button today.
