Your Cabin in the Woods Conrad E Meinecke,2023-12-18 2015 Reprint of 1945 Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. If you want to build your own fireplace, or your own cabin in the woods with its wood-burning fireplaces, this book contains cabin plans and detailed instructions you will need. Written for the novice, it not only tells about cabins and fireplaces and how to build them, but about back garden fireplaces, designs for rustic furniture, out-door cooking menus, gateways, guard-rails and fences. It is filled with philosophy and wisdom on living in the out-of-doors. Meinecke was a well-known master cabin builder and do-it-yourself man. He not only wrote the book, but he printed the original edition himself on a small press in his own home and bound it in craft cloth laced together with stout cord. Still considered a classic work.

With down-to-earth wisdom based on the experiences of the thousands of women she’s counseled, Shannon Ethridge—author of the million-plus-selling Every Woman’s Battle series—shows women how to create the healthy, exhilarating sex lives they (and their husbands) desire. Every woman deserves to enjoy great sex with her husband, without inhibition or shame. But many wives live with the burden of self-doubt or feel mystified about what men really want in bed. Others wrestle with memories of sexual abuse or neglect, guilt over past intimate relationships, or negative feelings about their own bodies. Maybe you’ve been thinking you were alone in your struggle to discover sexual fulfillment. Think again: only 8 percent of married women consider their sex life “very hot” 21 percent call their sex life “routine and boring” Another 21 percent ask, “What sex life?” These sorry statistics don’t have to be your case, as Shannon Ethridge readily explains with arresting warmth and honesty. Brimming with confidence-boosting techniques and inspiring personal stories of rejuvenated relationships, The Sexually Confident Wife opens a new world of passion for every couple, helping women to connect with their men on every level—physical, mental, emotional, and spiritual—enabling them to fully enjoy the ultimate, enduring union that marriage can be.

Oh Crap! Potty Training Jamie Glowacki,2015-06-16 From potty-training expert and social worker Jamie Glowacki, who’s already helped over half a million families successfully toilet train their preschoolers, comes a newly revised and updated guide that’s “straight-up, parent-tested, and funny to boot” (Amber Dusick, author of Parenting: Illustrated with Crappy Pictures). Worried about potty training? Let Jamie Glowacki, potty-training expert, show you how it’s done. Her six-step, proven process to get your toddler out of diapers and onto the toilet has already worked for tens of thousands of kids and their parents. Here’s the good news: your child is probably ready to be potty trained EARLIER than you think (ideally, between 20–30 months), and it can be done FASTER than you expect (most kids get the basics in a few days—but Jamie’s got you covered even if it takes a little longer). If you’ve ever said to yourself: - How do I know if my kid is ready? -Why won’t my child poop in the potty? -How do I avoid “potty power struggles”? -How can I get their daycare provider on board? -My kid was doing so well—why is he regressing? -And what about nighttime?! Oh Crap! Potty Training can solve all of these (and other) common issues. This isn’t theory, you’re not bribing with candy, and there are no gimmicks. This is real-world, from-the-trenches potty training information—all the questions and all the answers you need to do it once and be done with diapers for good.
