The Day the Angels Fell Shawn Smucker,2017-09-05 It was the summer of storms and strays and strangers. The summer that lightning struck the big oak tree in the front yard. The summer his mother died in a tragic accident. As he recalls the tumultuous events that launched a surprising journey, Samuel can still hardly believe it all happened. After his mother's death, twelve-year-old Samuel Chambers would do anything to bring her back. Prompted by three strange carnival fortune-tellers and the surfacing of his mysterious and reclusive neighbor, Sam begins his search for the Tree of Life--the only thing that could possibly bring his mother back. His quest to defeat death entangles him and his best friend Abra in an ancient conflict and forces Sam to grapple with an unwelcome question: could it be possible that death is a gift? Haunting and hypnotic, *The Day the Angels Fell* explores the difficult questions of life in a voice that is fresh, friendly, and unafraid. With this powerful story, Shawn Smucker has carved out a spot for himself in the tradition of authors Madeleine L'Engle and Lois Lowry.

City of Angels Kristi Belcamino,2017-05-09 Nikki Black, 17, a self-imposed lone wolf since her mother died, fled suburban Chicago to escape her painful past. But when her so-called boyfriend reveals why he really lured her to Southern California — to star in child porn flicks — she ends up on the streets of L.A. with only the clothes on her back and a twelve-year-old addict named Rain trailing in her shadows. The girls seek refuge at a residential hotel above a punk rock bar in downtown L.A. a few months before the city erupts into chaos during the 1992 riots. At The American Hotel, Nikki makes friends and for the first time in years feels as if she has a real family again. All that changes when Rain disappears. Everyone except Nikki, including the police, thinks Rain succumbed to the seductive allure of addiction and life on the streets. Nikki finds herself fighting for her own life the closer she gets to unveiling a sinister cover-up by a powerful group that secretly controls the city of angels. *City of Angels* is an edgy, gritty, mature Young Adult mystery about a teenager's struggle to not only belong — but survive.

Angel's Promise Aleatha Romig,2021-06-29 Everett Ramses came into my life like a hurricane on a dark New Orleans night. No, I, Emma North, willingly fell for the man who proclaims himself the devil. Do I follow through on the promise I made to Rett, or do I listen to my own instincts and run before it's too late? The future of New Orleans is now in my hands. Angels of the Americlypse: An Anthology of New Latin@ Writing Carmen Giménez Smith,John Chávez,2014-06-18 The contemporary literary moment the anthology *Angels of the Americlypse: New Latin@ Writing* attempts to capture is one defined by diversity, various points of view, literary styles and voices, topical concerns, and senses of self. Not only have these writers widened the field, they have forged new inquiry into their own experiences of the world, as they live in it and understand it. Writing in forms of lyric, short short fiction, nonfictional prose, and in various degrees and forms of experimentation, this collection represents one of the first efforts, in years, to include a critical introduction to the writers' poetry or prose, their literary work, and their own aesthetic statements meant to express their distinct literary presence in American letters.

When Angels Cry Jennifer Edwards,2014-10-14 Sex, love, and forgiveness—can they coexist, and can romance author Sarah write them into her life? Although bestselling author Sarah O'Malley is sure her next erotic-romance novel will be another hit, she finds it near to impossible to replicate the same results in her personal life. At forty-five years old, Sarah now finds herself divorced and a single mother of two. Sarah journeys back to her childhood home to nurse her mother who is suffering from Alzheimer's, and she inevitably encounters the ghosts of her past—the death of a child, its devastating effect on family relations, youthful sexual exploration, and an unplanned pregnancy. However, the haunts of the past open up a whole new world to Sarah as she learns to forgive the traumas that had happened before. Amid a great awakening, Sarah also comes to terms with being a sexually active middle-aged woman, and begins to accept sex again, even in the most inappropriate but titillating circumstances. As she unlocks her own physical desires, she also stumbles upon a heavy secret that her mother had been hiding from her for the past fifty years. This trip might prove to be a better story than anything Sarah could have possibly hoped to write. The First Time I Encountered My Guardian Angel Michelle Napier Colombo,2020-06-02 This is a true story of my life and how I was born with a gift from God. It wasn't until later I was awakened that I realized I had these gifts. I didn't know anyone like me. I knew that I had always had someone talking in my right ear since the age of six. I would call it my intuition. I knew I was different because I was told things that were going to happen before they happened and had dreams of things before they happened. It was later on that I found out that I was an earth angel. And in fact, that it was my guardian angel who talked to me and guided me. And as you read in the book, the events that had happened were always validated. In the book, I talked about a miracle resurrection of my dog, which was also a gift from God, an out-of-body experience, and how my spirit travelled to a different place. I see angels and talk with angels. My guardian angel, who you will be reading about, who we refer to as Mama Angel, has guided me throughout my life along with the other angels, and that will be coming out in my next book called Concrete Angel where there will be more stories of miracles and healings, where I can tell you how to connect with your guardian angel and other angels and signs to look for when your guardian angel is near. In this book, I also talked about a high priest who came after me and knew who I was and what it took to defeat him. I had many challenges in the early part of my life. As I got older, my gift got stronger. My awakening didn't happen until I was forty-eight. You will read about many more miracles that occurred in this book.
