The Lords of the Wild Joseph A. Joseph A. Altsheler, 2013-07-15 The tall youth, turning to the right, went down a gentle slope until he came to a little stream, where he knelt and drank. Despite his weariness, his thirst and his danger he noticed the silvery color of the water, and its soft sighing sound, as it flowed over its pebbly bed, made a pleasant murmur in his ear. Robert Lennox always had an eye for the beautiful, and the flashing brook, in its setting of deep, intense forest green, soothed his senses, speaking to him of comfort and hope. He drank again and then sat back among the bushes, still breathing heavily, but with much more freedom. The sharp pain left his chest, new strength began to flow into his muscles, and, as the

body was renewed, so the spirit soared up and became sanguine once more. He put his ear to the earth and listened long, but heard nothing, save sounds natural to the wilderness, the rustling of leaves before the light wind, the whisper of the tiny current, and the occasional sweet note of a bird in brilliant dress, pluming itself on a bough in its pride. He drew fresh courage from the peace of the woods, and resolved to remain longer there by the stream. Settling himself into the bushes and tall grass, until he was hidden from all but a trained gaze, he waited, body and soul alike growing steadily in vigor.

The Lords of the Wild: A Story of the Old New York Border: American Colonial History Joseph A. Altsheler, 2019-01-20 In the wilderness of the Northeast, Robert Lennox's life is staked on how well he can evade the fierce Tandakora and his persistent warriors. Attuned to every sound and movement in the forest, he follows birds and hides his tracks in bubbling brooks en route

to joining up with his friends Tayoga, an Onondaga warrior, and David Willet, a skilled hunter. Two forces compete in Robert's mind: a deep reverence for the beauty of the natural world, and an entrenched unease over ever-lurking danger. First published in 1919, *The Lords of the Wild* is a heralded entry in Joseph A. Altsheler's French and Indian War Series, which follows the exploits of young Robert Lennox and his friends as they are embroiled in one of the most tumultuous conflicts of American colonial history....

Joseph Alexander Altsheler (April 29, 1862 - June 5, 1919) was an American newspaper reporter, editor and author of popular juvenile historical fiction. He was a prolific writer, and produced fifty-one novels and at least fifty-three short stories. Thirty-two of his novels were part of his seven series: The Civil War Series (8 volumes)The French and Indian War Series (6 volumes)The Gold Series (2 volumes)The Great West Series (2 volumes)The Texan Series (3 volumes)The World War Series (3 volumes)The Young Trailers Series (8 volumes)Although each of the thirty-two novels constitutes an independent story, Altsheler suggested a reading order for each series (i.e., he numbered the volumes). The remaining nineteen novels can be read in any order. [Note, however, that *A Knight of Philadelphia* was later expanded through the addition of nineteen chapters and some minor tweaks to become Mr. Altsheler's novel *In Hostile Red*.]The short stories, of course, can be read in any order. However, some readers might prefer to read them in the order in which they were published. The short story list below is displayed in chronological

order with the publication dates shown alongside the titles. Early life and education Altsheler was born in Three Springs, Hart County, Kentucky, to Joseph and Louise (née Snoddy) Altsheler. He attended Liberty College in Glasgow, Kentucky, before entering Vanderbilt University. Career In 1885, he took a job at the Louisville Courier-Journal as a reporter and later worked as an editor. He started working for the New York World in 1892, first as the paper's Hawaiian correspondent and then as the editor of the World's tri-weekly magazine. Due to a lack of suitable stories, he began writing children's stories for the magazine. Personal life Altsheler married Sarah Boles on May 30, 1888; they had one son, Sidney. Altsheler and his family were in Germany in 1914 when World War I began, and they were forced to remain in Germany for a time. The hardships the Altshelers endured in returning to the U.S. damaged Altsheler's health and rendered him a semi-invalid until his death. Upon returning to the U.S., he wrote The World War Series of books based on his ordeal. Death Altsheler died in New York City on June 5, 1919, aged 57; his obituary appeared in The Evening World, on June 6, 1919. His widow, Sarah, died 30 years later. Both are buried at the Cave Hill Cemetery in Louisville, Kentucky.

The Lords of the Wild Joseph Alexander Altsheler Joseph Altsheler, 2017-08-16 SÁBADO 15 DE JULIO DE 2009 MI QUERIDO DIARIO Vale lo reconozco... SOY UNA PECADORA. Y lo peor de todo es que he pecado hoy, el último día de trabajo. Después de contener mis apetencias todos, todos los

días durante más de seis meses, que traducidos en jornadas son unas ciento ochenta más o menos ¡qué barbaridad! Trabajo en una editorial, bueno trabajaba porque hoy me han dado boletto. ¡La jodida crisis! Pero no creas que era alguien importante ¡para nada!, sólo era una simple, mondonga y loronda currita del departamento de marketing. Me pasaba sentada más de ocho horas al día, por lo que te puedes imaginar que mi trasero (alias culazo) nada se parece al de Jennifer López. Bueno, vale, tampoco está tan mal. O si no, que se lo pregunten a Fernández, mi ex jefe, a quien, todo sea dicho, he pillado más de una vez con sus ojos de ratón plantados ahí. ¡¡Maldito roedorrrr!!

The Lords of the Wild Joseph Alexander Altsheler, 2006-02 Excerpt:
...thrilled at Willet's words. Yes, in spite of every danger that had been thrown across their path, they would be able to carry word in time. We'll be there in half an hour, and we'll know what's going forward, said Willet. We'll know before then, said Grosvenor confidently. Our marvelous Indian friend here will tell us when we're half way. Tayoga smiled, but said nothing, and they started again, Willet, as usual, leading, and the Onondaga bringing up the rear. The spire of smoke thickened and darkened, and, to Robert and Grosvenor, it seemed most friendly and alluring. It appeared to rise from a little point of land thrust into the lake but they could not yet see its base, owing to an intervening hill. Just before they reached the crest of the hill Tayoga said: Wait a moment, Great Bear. I think I hear a sound from the place where the smoke rises, and we may be able to tell what

it means. They stopped promptly, and the Onondaga put his ear to the earth. I hear the sounds very distinctly now, he said. They are of a kind not often occurring on these shores. What are they? asked Robert eagerly. They are made by axes biting into wood. Many men are cutting down trees. They're building a fort, and they're in a hurry about it or they would not be felling trees so early in the morning. Your reasoning about the hurry is good, Dagaega. The white man will not go into the forest with his ax at daybreak, unless the need of haste is great, but it is not a fort they build. Mingled with the fall of the axes I hear another note. It is a humming and a buzzing. It is heard in these forests much less often than the thud of the ax. Ah! I was in doubt at first, but I know it now! It is the sound made by a great saw as it eats into the wood. A saw mill, Tayoga! Yes, Dagaega, that is what it is, and now mind will tell us why it is here. The logs that the axes cut down are sawed in the mill. The saw would not be needed if the logs were to be used...

The Lords of the Wild 2018 Edition Joseph Altsheler, 2018-02-26 Robert was fully aware that their peril was not yet over-the Indians, too, might have canoes upon the lake-but he considered that the bulk of it had passed. So his heart was light, and, as they shot out toward the middle of Andiatarocte, he talked of the pursuit and the manner in which he had escaped it. I was led the right way by a bird, one that sang, he said. Your Manitou, Tayoga, sent that bird to save me. You don't really believe it came for that special purpose? asked the hunter. Why not? interrupted the Onondaga. We do know that miracles

are done often. My nation and all the nations of the Hodenosaunee have long known it. If Manitou wishes to stretch out his hand and snatch Dagaega from his foes it is not for us to ask his reason why.

Lords of the Fly Monte Burke, 2020-09-01 From the bestselling author of *Saban*, *4th and Goal*, and *Sowbelly* comes the thrilling, untold story of the quest for the world record tarpon on a fly rod—a tale that reveals as much

about Man as it does about the fish. In the late 1970s and early 1980s, something unique happened in the quiet little town on the west coast of Florida known as Homosassa. The best fly anglers in the world—Lefty Kreh, Stu Apte, Ted Williams, Tom Evans, Billy Pate and others—all gathered together to chase the same Holy Grail: The world record for the world's most glamorous and sought-after fly rod species, the tarpon. The anglers would meet each morning for breakfast. They would compete out on the water during the day, eat dinner together at night, socialize and party. Some harder than others. The world record fell nearly every year. But records weren't the only things that were broken. Hooks, lines, rods, reels, hearts and marriages didn't survive, either. The egos involved made the atmosphere electric. The difficulty of the quest made it legitimate. The drugs and romantic entanglements that were swept in with the tide would finally make it all veer out of control. It was a confluence of people and place that had never happened before in the world of fishing and will never happen again. It was a collision of the top anglers and the top species of fish which would lead to smashed lives for nearly all involved, man and fish alike. In *Lords of the Fly*, Burke, an obsessed tarpon fly angler himself, delves into this incredible moment. He examines the growing popularity of the tarpon, an amazing fish has been around for 50 million years, can live to 80 years old and can grow to 300 pounds in weight. It is a massive, leaping, bullet train of a fish. When hooked in shallow water, it produces "immediate unreality,"

as the late poet and tarpon obsessive, Richard Brautigan, once described it. Burke also chronicles the heartbreaking destruction that exists as a result—brought on by greed, environmental degradation and the shenanigans of a notorious Miami gangster—and how all of it has shaped our contemporary fishery. Filled with larger-than-life characters and vivid prose, *Lords of the Fly* is not only a must read for anglers of all stripes, but also for those interested in the desperate yearning of the human condition.
