A Grave for Lassiter Loren Grey,1991 The hero Lassiter is called into the town of Bluegate to help Josh Falconer save his failing business. But Lassiter arrives too late, and Josh has already made an untimely departure from the land of the living. Now Lassiter will move heaven and earth to punish those responsible.

Lassiter's Ride Loren Grey,1988 Lassiter became the bodyguard of the Duke of Ashby after saving him in a Santa Fe bar, but he could not keep the Apaches from kidnapping him. Will Lassiter be able to get the Duke back? Loren Zane Grey continues his father's bestselling tradition.

So Ole Says to Lena James P. Leary,2001 In the land of beer, cheese, and muskies--where the polka is danced and winter is unending and where Lutherans and Catholics predominate--everybody is ethnic, the politics are clean, and the humor is plentiful. This collection includes jokes, humorous anecdotes, and tall tales from ethnic groups (Woodland Indians, French, Cornish, Germans, Irish, Scandinavians, Finns, and Poles) and working folk (loggers, miners, farmers, townsfolk, hunters, and fishers). Dig into the rich cultural context supplied by the notes and photographs, or just laugh at the hundreds of jokes gathered at small-town cafes, farm tables, job sites, and church suppers. This second edition includes an afterword and indexes of motifs and tale types.

Laura Middleton Anonymous,2016-09-24 in conversation for a short time, while I went on with my washing operation. Finding she was in no hurry to leave me, I went up to her as she was engaged in putting the bed in order and snatched a few kisses. I then commenced playing with her bubbles and taking some further liberties with her. As my proceedings met with very little resistance, beyond a few exclamations of Oh for shame, I did not expect such conduct from you, I proceeded with my researches and without much difficulty I succeeded in raising her petticoats and getting possession of her stronghold. On insinuating my finger within it, I found it to be tighter and even more inviting than I had anticipated. She soon became excited with my caresses and the titillation which my finger kept up without her fortress, and I succeeded in laying her upon the bed and throwing up her clothes so as to disclose it fairly to my view. I found a fine, fresh, white belly and a pair of plump, handsome thighs with a very pretty little opening tolerably well shaded with light brown hair. Altogether it was a very desirable prospect, and I thought that failing anything better I might manage to find a good deal of enjoyment in her charms. Slipping off my trousers, therefore, I jumped up beside her on the bed, and throwing my arms round her, I got upon her and attempted to introduce myself into the fortress. But here I found greater resistance than I had anticipated from her previous conduct.[...].

Lassiter Tough Loren Grey,2007 Grey continues in the grand tradition of his father, Zane Grey, with further adventures of Lassiter--the rough-riding loner from Riders of the Purple Sage. Deep in Texas brush country, Lassiters out to rope some cattle and a band of ruthless cutthroats who killed his friend. Original.
