Lose 50 Lbs. Fast Without Any Exercise David E. Dewall,2017-10-19 Imagine a way to lose 54 pounds and 25% off your body-fat percentage in just ten weeks. Pretend for a moment that you did it without exercising. Discover how you can do the same with my personal weight-loss plan. You look pregnant, my wife said to me one frigid winter's night in Central Illinois. I patted my chubby belly and continued my channel-surfing, remote in my right hand, left hand reaching for some more buttery, greasy popcorn. Really? I replied to my spouse, who though I loved her dearly, would never win any awards for diplomacy. Yes, you need to lose some weight, my better half remarked. I said nothing as I reached for some more popcorn and washed it down with a big gulp of Pepsi. Regular Pepsi, of course. The Pregnant Guy... My name is Dave DeWall. I'm not a doctor. I'm not a fitness trainer. And I'm not a nutritionist expert. But I did lose over 53 pounds in just 10 weeks. And shaved almost 25% off my body-fat percentage. And I did it all without virtually any exercise. Unless you want to call channel-surfing a sport. I wore size 38 inch jeans and they were getting tight. My weight loss plan got me into waist size 31 inch pants in only 10 weeks. While no one really likes to be told they're fat, my wife, who was only concerned about my health, had a point. I did need to lose some weight. So I became motivated to lose weight because I knew my wife was right. She usually is. So here's the rub: If you really want to lose over 50 pounds in 10 weeks, then purchasing this book will help you avoid being told you look pregnant. Unless you really are, of course.

Building the American Dream Gary Knapp,2007-05-23 Building the American Dream depicts the journey of author, Gary Knapp, from his very beginnings on a rural dairy farm in southern Michigan through his teens, his tour of duty in the army, his broadcast training and then follows him as he begins his career in radio broadcasting and branches into television. Through his remarkable passion, ingenuity and enormous energy, he overcomes whatever hurdles he encounters and turns them into advantages which eventually enable him to build a network of television stations to serve the northern Michigan area. His journey is fueled by his inability to accept defeat, his persistence in finding a way to accomplish his goals by creating innovative financing when the traditional routes failed him, his trust in, and loyalty to reliable advisors and a family who supported him through thick and thin. The reader gets a first hand look at what goes on behind the scenes in radio and television production, sales and management. They accompany him as he moves from one phase of his interesting career to the next. Author Knapp, takes us back to the days of our childhood and the simple good life about which we all like to reminisce. We can smell his moms apple pie baking as the family gathers around the radio set listening to Fibber McGee and Molly. He stimulates our memories of past parades, local celebrations, community events which he covered as a newsman and broadcaster and recreates the home town atmosphere of typical small towns through out our country. This book, with its motivational and informative hints, could be considered a handbook on how to attain ones goals and dreams, or by some, a guideline showing the steps necessary to succeed in business ventures and by others, just a good read. Gary Knapp has brought to life, a story, rich in human interest, history of radio and television, entrepreneurship and events in the town of Cadillac, Michigan, where Gary took broadcasting to a higher level while building his American dream.

Totally Frank Frank McGarvey,Ronnie Esplin,2011-03-25 During a glorious but controversial career, Frank McGarvey won every major trophy in Scottish football. Under Alex Ferguson at St Mirren in the 1970s, he inspired a young Saints team to victory in the First Division - an effort that attracted the attention of English giants Liverpool and Scotland manager Jock Stein. After a frustrating spell at Anfield, he headed back north to join boyhood heroes Celtic, with whom he won five medals in five seasons. However, he was shown the door by Davie Hay just days after scoring the winner for the club in the 1985 Scottish Cup final. McGarvey then returned to St Mirren, with whom he won the Scottish Cup two years later, and he continued his success after a move into management, helping Clyde to win the Second Division trophy. But this is only half of Frank McGarvey's story. Throughout his remarkable career and beyond, McGarvey fought and, for the most part, lost a battle with gambling, which cost him his marriage, home and self-respect. In *Totally Frank*, McGarvey chronicles his many highs and lows, and reveals how he finally succeeded in overcoming his gambling addiction.

The Bulletproof Diet Dave Asprey,2014-12-02 In his mid-twenties, Dave Asprey was a successful Silicon Valley multimillionaire. He also weighed 300 pounds, despite the fact that he was doing what doctors recommended: eating 1,800 calories a day and working out 90 minutes a day, six times a week. When his excess fat started causing brain fog and food cravings sapped his energy and willpower, Asprey turned to the same hacking techniques that made his fortune to hack his own biology, investing more than \$300,000 and 15 years to uncover what was hindering his energy, performance, appearance, and happiness. From private brain EEG facilities to remote monasteries in Tibet, through radioactive brain scans, blood chemistry work, nervous system testing, and more, he explored traditional and alternative technologies to reach his physical and mental prime. The result? The Bulletproof Diet, an anti-inflammatory program for hunger-free, rapid weight loss and peak performance. The Bulletproof Diet will challenge—and change—the way you think about weight loss and wellness. You will skip breakfast, stop counting calories, eat high levels of healthy saturated fat, work out and sleep less, and add smart supplements. In doing so, you'll gain energy, build lean muscle, and watch the pounds melt off. By ditching traditional diet thinking, Asprey went from being overweight and sick in his twenties to maintaining a 100-pound weight loss, increasing his IQ, and feeling better than ever in his forties. The Bulletproof Diet is your blueprint to a better life.
