

Louis Armstrong Volume 6

Ricky Riccardi

Who Was Louis Armstrong? Yona Zeldis McDonough, Who HQ, 2004-12-29 If not for a stint in reform school, young Louis Armstrong might never have become a musician. It was a teacher at the Colored Waifs Home who gave him a cornet, promoted him to band leader, and saw talent in the tough kid from the even tougher New Orleans neighborhood called Storyville. But it was Louis Armstrong's own passion and genius that pushed jazz into new and exciting realms with his amazing, improvisational trumpet playing. His seventy-year life spanned a critical time in American music as well as black history.

Louis Armstrong, an American Genius James Lincoln Collier, 1983 Best Books for Senior High Readers A thoroughly researched biography of this jazz great who was also a popular entertainer.

Louis Armstrong, in His Own Words Louis Armstrong, 2001 Louis Armstrong has been the subject of countless biographies and music histories. Yet scant attention has been paid to the remarkable array of writings he left behind. *Louis Armstrong: In His Own Words* introduces readers to a little-known facet of this master trumpeter, bandleader, and entertainer. Based on extensive research through the Armstrong archives, this important volume includes some of his earliest letters, personal correspondence, autobiographical writings, magazine articles, and essays.

Satchmo Gary Giddins, 2009-03-05 Gary Giddins has been called the best jazz writer in America today (*Esquire*). Louis Armstrong has been called the most influential jazz musician of the century. Together this auspicious pairing has resulted in *Satchmo*, one of the most vivid and fascinating portraits ever drawn of perhaps the greatest figure in the history of American music. Available now at a new price, this text-only edition is the authoritative introduction to Armstrong's life and art for the curious newcomer, and offers fresh insight even for the serious student of Pops.

A Horn for Louis Eric A. Kimmel, 2009-09-09 How did famous New Orleans jazz trumpet player Louis Armstrong get his first horn? Seven-year-old Louis Armstrong was too poor to buy a real instrument. He didn't even go to school. To help his mother pay the rent, every day he rode a junk wagon through the streets of New Orleans, playing a tin horn and collecting stuff people didn't want. Then one day, the junk wagon passed a pawn shop with a gleaming brass trumpet in the window. . . . With messages about hard work, persistence, hope, tolerance, cooperation, trust, and friendship, *A Horn for Louis* is perfect for aspiring young musicians and nonfiction fans alike! History Stepping Stones now feature updated content that emphasizes Common Core and today's renewed interest in nonfiction. Perfect for home, school, and library bookshelves!

Louis Armstrong Patricia Mckissack, Fredrick Mckissack, 2013-01-01 A simple biography for early readers about Louis Armstrong's life--Provided by publisher.

Louis Armstrong, 1994

What a Wonderful World Ricky Riccardi, 2011-06-21 In this richly detailed and prodigiously researched book, jazz scholar and musician Ricky Riccardi reveals for the first time the genius and remarkable achievements of the last 25 years of Louis Armstrong's life, providing along the way a comprehensive study of one of the best-known and most accomplished jazz stars of our time. Much has been written about Armstrong, but the majority of it focuses on the early and middle stages of his career. During the last third of his career, Armstrong was often dismissed as a buffoonish if popular entertainer. Riccardi shows us instead the inventiveness and depth of his music during this time. These are the years of his highest-charting hits, including "Mack the Knife" and "Hello, Dolly"; the famed collaborations with Ella Fitzgerald and Duke Ellington; and his legendary recordings with the All Stars. An eminently readable and insightful book, *What a Wonderful World* completes and enlarges our understanding of one of America's greatest and most beloved musical icons.

Louis Armstrong Michael A. Schuman,2007-06-01 Depicts the life and career of the popular jazz musician and describes his contributions to American music.

Saint Louis Armstrong Beach Brenda Woods,2012-09-13 A boy, a dog, and New Orleans' most famous storm—Hurricane Katrina. Saint is a boy with confidence as big as his name is long. A budding musician, he earns money playing clarinet for the New Orleans tourists, and his best friend is a stray dog named Shadow. At first Saint is sure that Hurricane Katrina will be just like the last one--no big deal. But then the city is ordered to evacuate and Saint refuses to leave without Shadow. Saint and Shadow flee to his neighbor's attic--and soon enough it's up to Saint to save them all. Woods takes us right into New Orleans, right into the eye of the storm and the heart of New Orleans' people. — Jacqueline Woodson, National Book Award-winning author of *Brown Girl Dreaming* Provides a vivid description of what life was like in pre-Katrina New Orleans, and how quickly peoples' lives were shattered. The characters are well-developed, and readers truly will care about their fates. — Library Media Connection, starred review A small gem that sparkles with hope, resilience and the Crescent City's unique, jazz-infused spirit. — Kirkus Reviews, starred review

Louis Armstrong's Hot Five and Hot Seven Recordings Brian Harker,2011-04-02 For jazz historians, Louis Armstrong's Hot Five and Hot Seven recordings mark the first revolution in the history of a music riven by upheaval. Yet few traces of this revolution can be found in the historical record of the late 1920s, when the discs were made. Even black newspapers covered Armstrong as just one name among many, and descriptions of his playing, while laudatory, bear little resemblance to those of today. Through a careful analysis of seven seminal recordings in this compact and engaging book, author Brian Harker recaptures the perspective of Armstrong's original audience without abandoning that of today's listeners. The world of vaudeville and show business provide crucial context to his readings, revealing how the demands of making a living in a competitive environment catalyzed Armstrong's unique artistic gifts. Invoking a breadth of influences ranging from New Orleans clarinet style to Guy Lombardo, and from tap dancing to classical music, *Louis Armstrong's Hot Five and Hot Seven Recordings* offers bold insights, fresh anecdotes, and, ultimately, a new interpretation of Louis Armstrong and his most influential body of work.

Louis Armstrong, Master of Modernism Thomas Brothers,Thomas David Brothers,2014-02-03 Picking up where Louis Armstrong's New Orleans left off, this biographical account of the legendary jazz trumpet virtuoso highlights the historical role Armstrong played in the creation of modern music and also his encounters with racism.

What a Wonderful World Bob Thiele,George David Weiss,2015-02-17 The classic and beloved song is brought to life with bright and colorful illustrations by Tim Hopgood. First recorded in 1967 by Louis Armstrong, and with sales of over one million copies, *What a Wonderful World* has become a poignant message of hope for people everywhere. Sweet and positive in its message, with bright, beautiful art, this book is sure to be a hit. Perfect for sharing!

Louis Armstrong Laurence Bergreen,2012-08-08 Louis Armstrong was the founding father of jazz and one of this century's towering cultural figures, yet the full story of his extravagant life has never been told. Born in 1901 to the sixteen-year-old daughter of a slave, he came of age among the prostitutes, pimps, and rag-and-bone merchants of New Orleans. He married four times and enjoyed countless romantic involvements in and around his marriages. A believer in marijuana for the head and laxatives for the bowels, he was also a prolific diarist and correspondent, a devoted friend to celebrities from Bing Crosby to Ella Fitzgerald, a perceptive social observer, and, in his later years, an international goodwill ambassador. And, of course, he was a dazzling musician. From the bordellos and honky-tonks of Storyville--New Orleans's red light district--to the upscale

nightclubs in Chicago, New York, and Hollywood, Armstrong's stunning playing, gravelly voice, and irrepressible personality captivated audiences and critics alike. Recognized and beloved wherever he went, he nonetheless managed to remain vigorously himself. Now Laurence Bergreen's remarkable book brings to life the passionate, courageous, and charismatic figure who forever changed the face of American music.

Horn of Plenty Robert Goffin,2013-03-01 Bonded Leather binding

Louis Armstrong Terry Lee Collins,2013 Describes the life of Louis Armstrong, focusing on his rise as a pop-culture icon--Provided by publisher.

Louis Armstrong Michael Cogswell,2003

Heart Full of Rhythm Ricky Riccardi,2020-08-05 Nearly 50 years after his death, Louis Armstrong remains one of the 20th century's most iconic figures. Popular fans still appreciate his later hits such as Hello, Dolly! and What a Wonderful World, while in the jazz community, he remains venerated for his groundbreaking innovations in the 1920s. The achievements of Armstrong's middle years, however, possess some of the trumpeter's most scintillating and career-defining stories. But the story of this crucial time has never been told in depth until now. Between 1929 and 1947, Armstrong transformed himself from a little-known trumpeter in Chicago to an internationally renowned pop star, setting in motion the innovations of the Swing Era and Bebop. He had a similar effect on the art of American pop singing, waxing some of his most identifiable hits such as Jeepers Creepers and When You're Smiling. However as author Ricky Riccardi shows, this transformative era wasn't without its problems, from racist performance reviews and being held up at gunpoint by gangsters to struggling with an overworked embouchure and getting arrested for marijuana possession. Utilizing a prodigious amount of new research, Riccardi traces Armstrong's mid-career fall from grace and dramatic resurgence. Featuring never-before-published photographs and stories culled from Armstrong's personal archives, Heart Full of Rhythm tells the story of how the man called Pops became the first King of Pop.

Pops Terry Teachout,2009 Certain to be the definitive word on Louis Armstrong, Pops paints a gripping portrait of the man, his world, and his music. Drawing on a cache of new sources, the author has crafted a sweeping new narrative biography of this towering figure.

All of Me Jos Willems,2006-04-30 Louis 'Satchmo' Armstrong was not only jazz's greatest musician and innovator, but also arguably its most famous entertainer and the frontal figure in the development of contemporary popular music. Overcoming social and political obstacles, he created a long and impressive career and an enormous musical output. Now, his ground breaking musical career is amassed and detailed in this discography of all his works, from professionally made commercial releases, to amateur and unissued recordings. All of Me is a comprehensive, chronological discography born out of love and admiration for Louis Armstrong, and devotion to years of collecting his musical accomplishments. Author Jos Willems has meticulously compiled all of Satchmo's known recordings_both studio and live performances_and with assistance from internationally renowned specialists, has assembled an impressively detailed, accurate, and complete listing. This volume is superbly formatted and presented, logically organized, and thoroughly indexed by song title and individual. Researchers, collectors, and enthusiasts can easily look up any detail of a recording: issues and releases of particular songs; publishing companies; producers; catalog numbers; dates, times, and locations of recordings; musicians Armstrong played with; and format, be it 78 or 45 RPM records, LPs, CDs, or media appearances. Every detail of Armstrong's career is listed in this impressive volume, shedding light on the enormity of his impact on jazz and popular culture. This is the ultimate reference guide for the complete works of Louis Armstrong.

This is likewise one of the factors by obtaining the soft documents of this **Louis Armstrong Volume 6** by online.
