The Unofficial Joke Book of Love SMS Comp. Kuldeep Saluja,

Love In Text Pseudo Hym, Simona A Brinson, 2023-02-17 A true connection changes everything. When two souls who were always meant to find each other collide, the world is forever changed. True love can stop time. Ten years ago, Simona A. Brinson fell in love. It was a love like no other she'd ever experienced. It was a love that carried over lifetimes - one which called two strangers together because their souls already knew each other. The first time he said her name, Simona knew this was special. An ordinary conversation, a

hurried goodbye. Yet, his voice around her name changed everything. Her heart soared, time stood still, and her life changed forever. That moment began the next chapter of their love story, and as time stood still for them, so did the words they shared over text messages - the love letters they exchanged as they explored the depth of the connection between them. In this one-of-a-kind memoir, their love is memorialized and celebrated through their poetic texts, their words caught in time, chronicling the history of their love in this lifetime. With the music of poetry, *Love in Text* follows a true, endless love story. The words may come to an end, but the story never will. And as Simona honors their love by sharing it with the world, she knows she'll meet her love again because, like time, true love is infinite. Art, Text, Love. Ajith Siva,2021-02-06 This book is dedicated to you. Yes, you. If you love to have coffee when it is raining. If you get excited about seeing a sky full of stars. And if you ever fell in love at first sight with a complete stranger. First love isn't something that happens first in life. It can happen even after a few love bonds. Before a monsoon rain starts, Jay a coffeeholic aspiring writer who works as a reader for blind people in a library, walked on his shoes to have a coffee in his favourite cafe in Castle Town. What he saw in the cafe is a new girl who is a comic artist named Cassy. Is this love at first sight? Maybe, but not between Jay and Cassy. It's a story of Art and Text falling in love with each other. You are the confusion of my cardiologist, And the cause of my collywobbles, In the middle of my heartbeats, I hear you as my poetry mumbles. This book is pinned with Jay's beautiful poems in between the story. And his text conversation with Cassy and her comics. So what are packaged in this

book is just Art, Text, Love.
