VIRGINIA RUTTER, PEPPER SCHWARTZ

📖 **RELATIONSHIP COMPATIBILITY TEST** OLALEKAN ADEBUMITI, 2016-02-03 It was the most stimulating adventure they had embarked on. The first meeting, the first conversation, the shared dreams, and passions amongst others all pointed to the fact that they had found their perfect match. Even the chemistry between them was apparent to their friends. And they both exchanged vows of undying love, on numerous occasions. They could have sworn that they had beaten the odds of unhappy relationships. Nothing could go wrong, they thought. But things took a different turn, almost suddenly. The slight issues gained prominence and seemingly displaced the butterflies in their belly. And their certainties too! Then the questions flooded in. What went wrong? Is it that what I felt all along wasn't real? Was it love or lust? And they ultimately had to decide what to do with the relationship. More often than not, people emerge from such experiences with scars so big they vow never to venture into relationships again. Over and over again, that story has been told. We've read it in books. We've seen it in movies. Some of us have even lived it. Of course, the characters and the specifics always differ. Still they point to the same problem - a gross misunderstanding of how relationships work. As if those were not bad enough, stories of marriages ending in divorce abound. And they only add to our disillusionment about relationships as a whole. Don't fall for the lamentable adventure... Get your relationship right by getting relationship compatibility right. Set your future on the path of blissfulness and get past the monstrous menace of heartbreaks. Do you need the seventh heaven experience in your relationship? Then, get this awesome book!
