The Ash Family Molly Dektar,2020-04-07 When a young woman leaves her family to join a secret off-the-grid community headed by an enigmatic leader, she discovers that belonging comes with a deadly cost, in this “stunning debut,” (The New Yorker) “perfect for fans of Philip Roth’s American Pastoral and the film Martha Marcy May Marlene” (Booklist, starred review). At nineteen, Berie encounters a seductive and mysterious man at a bus station near her home in North Carolina. Shut off from the people around her, she finds herself compelled by his promise of a new life. He ferries her into a place of order and chaos: the Ash Family farm. There, she joins a community living off the fertile land of the mountains, bound together by high ideals and through relationships she can’t untangle. Berie—now renamed Harmony—renounces her old life and settles into her new one on the farm. She begins to make friends. And then they start to disappear. “An excellent debut, Molly Dektar probes life in a cult with a masterful hand, excavating the troubled mind of a young woman,” (Publishers Weekly). The Ash Family explores what we will sacrifice in the search for happiness, and the beautiful and grotesque power of the human spirit as it seeks its ultimate place of belonging. “A captivating and haunting tale” (New York Journal of Books).

Sunny Rolls the Dice: A Graphic Novel (Sunny #3) Jennifer L. Holm,2019-10-01 From the award-winning duo of Jennifer and Matthew Holm comes the third book in the bestselling Sunny series, Sunny Rolls the Dice -- full of heart, laughs, and adventure! Too cool for school . . . or the least groovy girl in the grade?Sunny's just made it to middle school . . . and it's making her life very confusing. All her best friend Deb wants to talk about is fashion, boys, makeup, boys, and being cool. Sunny's not against any of these things, but she also doesn't understand why suddenly everything revolves around them. She's much more comfortable when she's in her basement, playing Dungeons & Dragons with a bunch of new friends. Because when you're swordfighting and spider-slaying, it's

hard to worry about whether you look cool or not. Especially when it's your turn to roll the 20-sided die. Trying hard to be cool can make you feel really uncool . . . and it's much more fun to just have fun. Sunny's going to find her groove and her own kind of groovy, with plenty of laughs along the way.

Phaedrus Plato,2003-05-01 This is an English translation of one of Plato's least political dialogues of Socrates and Phaedrus discussing many themes: the art and practice of rhetoric, love, reincarnation, and the soul. It includes an introduction, notes, glossary, appendices, and an interpretive essay and introduction. Also included are rarely seen illustrations, stone carvings, and vase paintings. Focus Philosophical Library translations are close to and are non-interpretative of the original text, with the notes and a glossary intending to provide the reader with some sense of the terms and the concepts as they were understood by Plato's immediate audience.

Living Life as an Empath and Medium Rebecca Walters Hopkins, 2019-02-07 Have you ever sensed someone was watching you? But nothing there? Do you wonder about what happens to you or a loved one after death? I want to assure you that your loved ones know what you are doing in your daily lives after they are gone. Through all my experiences I have had since I was a child until today, I truly believe the spirit never dies. I have documented many encounters with spirits from sensing them, seeing them, hearing music, voices and experiencing dreams from 2012-2018. This book also shares with you a true account of my memories in a past-life regression hypnosis technique and how it directly affects my life today. You will learn steps on how to meditate properly and what I see during my meditation. Being an empath and medium has been an enlightening experience.
