Preaching in Pictures Peter Jonker, 2015-05-19 The preachers' words are meant to connect, to resonate with and influence hearers. Too often, sermons fall short. *Preaching in Pictures: Using Images for Sermons that Connect* shows how to choose, use, and illustrate a controlling image in every sermon. Readers learn how one effective image can cause the proclaimed word to sink in and transform the listener. Peter Jonker helps readers to build skill and confidence, with practical instruction, examples, and straightforward teaching. "Good preaching isn't just the dissemination of information; it is a conduit of Spirit-empowered formation. Such formative preaching doesn't convince the intellect; it captures the imagination. A controlling image has the power to do just this—to capture the imagination. Peter Jonker invites preachers to understand and to effectively use controlling images for formation of the hearer. This great book is erudite and accessible, theoretically grounded and yet intensely practical, complete with exercises. I'll be pointing preachers to it from now on." --James K.A. Smith, author of *Desiring the Kingdom: Worship, Worldview, and Cultural Formation* "Preaching in Pictures opened eyes of my imagination. I can't wait to write my next sermon." --Heidi DeJonge Pastor, Westside Fellowship Christian Reformed Church, Kingston, Ontario "Peter Jonker offers preachers practical ways to connect the gospel in the hearts of listeners, with a wealth of helpful examples. This is a fresh and welcome perspective, just the book for

preachers whose sermons have reached their shelf life and are in need of new energy.” --John Michael Rottman, Professor of Preaching Calvin Theological Seminary “Sane, balanced, assured--but also strikingly insightful--Peter Jonker's writing is a sheer gift to anyone interested in eventful preaching. Every page is worth pondering. Jonker writes with great verve and authority.” --Cornelius Plantinga, Jr., Author of Reading for Preaching: The Preacher in Conversation with Storytellers, Biographers, Poets, and Journalists

Partners in God's Love John Davey, 2007-04 Written by a retired missionary in the form of a daily devotional, this book combines a lifetime of personal experiences with biblical principles. Each Kindness Jacqueline Woodson, 2012-10-23 WINNER OF A CORETTA SCOTT KING HONOR AND THE JANE ADDAMS PEACE AWARD! Each kindness makes the world a little better This unforgettable book is written and illustrated by the award-winning team that created The Other Side and the Caldecott Honor winner Coming On Home Soon. With its powerful anti-bullying message and striking art, it will resonate with readers long after they've put it down. Chloe and her friends won't play with the new girl, Maya. Every time Maya tries to join Chloe and her friends, they reject her. Eventually Maya stops coming to school. When Chloe's teacher gives a lesson about how even small acts of kindness can change the world, Chloe is stung by the lost opportunity for

friendship, and thinks about how much better it could have been if she'd shown a little kindness toward Maya.

Jesus Christ Alister E. McGrath, 2014-01-01 In this book, the third in the Heart of Christian Faith series, Alister E. McGrath provides an exploration of how we can best understand Jesus Christ using analogies, illustrations, and stories. This short, accessible guide also provides a pastoral and spiritual consideration of the difference that our belief in God makes to the way in which we think about ourselves and our world. With future volumes to examine other core Christian principles, McGrath's new series will define mere Christianity to a new generation for many years to come.

Tuesdays with Morrie Mitch Albom, 2007-06-29 #1 NEW YORK TIMES BESTSELLER • A special 25th anniversary edition of the beloved book that has changed millions of lives with the story of an unforgettable friendship, the timeless wisdom of older generations, and healing lessons on loss and grief—featuring a new afterword by the author “A wonderful book, a story of the heart told by a writer with soul.”—Los Angeles Times “The most important thing in life is to learn how to give out love, and to let it come in.” Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was his college professor Morrie Schwartz. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were

younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final "class": lessons in how to live. "The truth is, Mitch," he said, "once you learn how to die, you learn how to live." Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

Interpretation in Piers Plowman William Elford Rogers, 2002 Rogers' philosophical and theological investigation of the unifying themes of Piers Plowman argues that the structure of the text reflects William Langland's view of the world and human experience.
