Brushstrokes of a Gadfly E. a. Bucchianeri, 2011-05 Set in New York and New Jersey during the early 1990s, *Brushstrokes of a Gadfly* reveals the story of Katherine Walsingham, the only daughter of the CEO and Chairman of Walsingham Industries, an international cosmetic and pharmaceutical company that has been in the family for generations. Daunted by its global proportions, she has no real interest in the business other than its sentimental value. An artist by calling and temperament, a lover of literature, a philosophical idealist and animal rights activist unafraid to speak her mind, Katherine has a talent for leaping ahead with anything that seems like a good idea at the time ... often landing in hot water with her sharp tongue and allegorical paintings to the consternation and amusement of everyone around her. Setting her heart on opening her own gallery when she graduates from an elite art college, life is good. With a trust fund to secure her, she has no real worries that are the plague of struggling artists, but soon discovers wealth does not guarantee a smooth passage in life, for all her plans do not turn out exactly as she expected. Opening a gallery is not an easy task, and Katherine must quickly learn to balance art and business, demanding customers and harsh art critics, family tragedies and disappointments. With so much to do, romance is the last thing on her mind, and despite her best efforts to avoid any entanglements, falls in love with one of New York's most eligible bachelors. From her own reticence to become involved with anyone, to the rumours spread about his family, it is a relationship that seems doomed, but Katherine finds that love will blossom where it will and cannot be controlled or stifled, nor the joy and heartache that accompanies it. *Brushstrokes of a Gadfly* is a story brimming with vibrant and entertaining

characters that only New York's High Society and art circles can provide. It is a colourful and amusing novel tinged with human tragedy.

Fantasy Lover Sherrilyn Kenyon, 2002-02-18 Dear Reader, Being trapped in a bedroom with a woman is a grand thing. Being trapped in hundreds of bedrooms over two thousand years isn't. And being cursed into a book as a love-slave for eternity can ruin even a Spartan warrior's day. As a love-slave, I know everything about women. How to touch them, how to savor them, and most of all, how to pleasure them. But when I was summoned to fulfill Grace Alexander's sexual fantasies, I found the first woman in history who saw me as a man with a tormented past. She alone bothered to take me out of the bedroom and onto the world. She taught me to love again. But I was not born to love. I was cursed to walk eternity alone. As a general, I had long ago accepted my sentence. Yet now I have found Grace--the one thing my wounded heart cannot survive without. Sure, love can heal all wounds, but can it break a two-thousand-year-old curse? Julian of Macedon

The Great Big Love Quote Book Cameron M. Clark, 2015-05-18 Looking for a great quote to use at a wedding ceremony, to encourage a friend or for a love letter? You'll find it in The Great Big Love Quote Book. Check out some of the Great Quotes below: Forgiveness does not mean condoning or agreeing with a horrendous act. It is a decision to no longer attack one's self. Forgiveness is, quite simply, the decision not to suffer. To forgive is to make the decision to be happy, to let go of judgments, to stop hurting others and ourselves, and to stop recycling anger and fear. - Gerald Jampolsky - A healthy relationship is one in which each person is free to be honest with the other, in loving ways. In a healthy relationship, each person's needs are respected. - Doreen Virtue - Learn the art of patience. Apply discipline to your thoughts when they become anxious over the outcome of a goal. Impatience breeds anxiety, fear, discouragement and failure. Patience creates confidence, decisiveness, and a rational outlook, which eventually leads to success. - Brian Adams - These are just some of the quotes you will discover in 'The Great Big Quote Book: Over 401 Inspirational Quotes on Happiness, Forgiveness, Relationships & More!' Cameron M. Clark will be the first to tell you he is no 'master' at Love, but rather an ever-learning student on the subject. In fact, he does mention this fact in the Preface to 'The Great Big Love Quote Book.' On the heels of publishing Book 1 of 'The Great Big Quote Book' series, Clark has drawn from his collection of

thousands of inspirational quotes he's kept over the years and organized them into over 60 categories related to that mysterious thing called 'Love.' However, as he will be first to tell you, Clark thought a book of over 401 quotes on just the subject of Love might be too repetitive, uninspired and a little boring. That's why he broke up the text and organized it into different categories that he felt applied to the different areas of how Love is applied to strangers, our family members and others with whom we associate on a daily basis. His hope when starting the project was that the reader would feel as though they were reading a story about Love and all of her attributes rather than just a book with a bunch of quotes shoved together randomly. In 'The Great Big Love Quote Book, ' you'll find words of Wisdom related to Communication, Compassion, Forgiveness, Honesty, Loss, Self Control, Sincerity, Trust and of course, Love. This makes the book an easily searchable tome for preparing for speeches, talks, wedding & anniversary toasts or just inspiring a friend who is going through a difficult time. In accordance to the quality standards set by Paul St. George Press, Clark was required to choose quotes of substance that actually instructed and/or inspired the reader. This led to the deletion of many sources originally included in the text, because the quotes didn't really offer much to the conversation about Love. Along with that stringent requirement, Clark was also required to research the credibility of his sources. The last thing he or his publisher wanted to do was include quotations from men and women who either had vapid, superficial advice or lived lives that seemed to contradict said advice. While nobody is perfect, most of the men and women quoted in the following volume lived lives of some accomplishment, some virtue, had something important to say, or all of the above. In a book of more than 401 quotes, Clark was able to draw on the words of famous women and men as Mother Teresa, Francis Bacon, Maya Angelou, Dr. Martin Luther King, Dr. Phil McGraw, Brian Tracy and Atul Gawande. Lesser-known, but people with just as important things to say about the subject include Doreen Virtue, M. Scott Peck, Gerald Jampolsky and George MacDonald. Of course, ancient philosophers and teachers such as Confucius, the Buddha, Cicero and others were not left out. Enjoy!

All About Love bell hooks, 2018-01-30 A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' Love Song to the Nation trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she

declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.
