100 Love Messages Katherine Howells,2022-12-18 This book pretty much wrote itself. When the hearts started showing up, I began photographing them. I had no idea they would keep coming for several years. After photographing close to 150 hearts, I got the sense that perhaps I'm supposed to be sharing these messages with others. I decided to put them in a book, and at that point, the hearts stopped coming so regularly. The message I heard was, Yes! You finally heard! You've got everything you need. Now do it!

The Padgett Messages-Soulful Teachings Living with Divine Love- Zara Borthwick,Nicholas Arnold,2018-07-31 Between the years 1914-1920 James E. Padgett received spirit communications that introduce the Divine Love and natural love that are connected with teachings relating to the mortal soul, God and the spirit world. When James himself passed into his spirit-life his friend Eugene Morgan received 3 known communications from James 1923-1925. In the year 2017, the message of Divine Love continues as James conveys spirit-life experience that relates with his experiences as a man receiving spirit communication and now as a spirit living with Divine Love in his spirit-life in the spirit world. There is at present a worldwide readership of The Padgett Messages and now we are fortunate to have James the receiver and James the conveyer along with all the spirits who have contributed toward the realisation and fulfilment when living with Divine Love and perfecting our natural love. The Padgett Messages 1914-1920 and 2017-2018 provide a great reach of love that is an example for us all.

Dear Love Cynthia Bryan,2018-02-02 Dear Love: Messages from love to love is a compilation of notes that sometimes need to be said to the person we love or said to ourselves while in love. These are statements, affirmations and wishes to remind love who we are, who they are and what we need. Not all gushy, sometimes harsh and brutal, these are the reflections the moments love has to give. When we know better we do better, at least love can't say we didn't tell them.#SignedCynfullyYours

501 Quotes about Love M. Prefontaine,2015-11-27 Interviewer: Why do you love quotes? Author: Everybody loves quotes don't they? Words are what we use to think and the best quotes are the most effective way to express those thoughts. Interviewer: Are these quotes any use? Author: They have lots of uses. They can order our thoughts expressing an idea that we haven't managed to put into words before. They can be used in conversation or communications to succinctly express what you are trying to say. People often use them in speeches to provide amusement and to get across the point they are trying to make more effectively. People also use quotes to provide inspiration or motivate them to do a task which they are finding difficult. If you can capture why you are doing something in a single phrase then it can help you give purpose to what you are doing. In addition there is the personal kudos of providing succinct wisdom if you can find the right time to use them. People may not mistake you

for Albert Einstein or Oscar Wilde but some of the magic dust will rub off. Interviewer: How do you pick quotes? Author: There are plenty to choose from. People are saying things all the time, some more memorably than others. Often I see quote books that are little more than a collection of words. When I am going through quotes I will often get one that zings and really resonates. It could be funny, it could be inspirational, it could be anything but what it has done is express something in a way that stops you and makes you think. That is what I have tried to collect in The Big Book of Quotes. I hope that some will resonate with the readers.

That's why it's the perfect time to send your sweetheart unique, heartfelt, romantic Valentine's Day messages to let them know how much they mean to you. Make your Valentine's Day more loving with these inspirational Valentine's Day quotes. A day without you in my life should never come and even if it does, let it be the last. Loving you is the best thing that has ever happened to me. You are the rose that never fades - fresh and fragrant every day. I am so lucky to be with you this Valentine's Day and always. I love loving you. Happy Valentine's Day! Your smile sets my heart on fire. What is Love? How to Truly Love and 250 Love Quotes I am wondering how I got so lucky to have you as a girlfriend. A day without you is a day without a sun, a night without a moon; a life without meaning. They say it's hard for dreams to come true, but being with you so far has proven this statement to be completely wrong. Happy Valentine's day! No matter the celebration of the day, there is nobody in this world I'd rather share my happiness with. I love you. When you come to me with your hair all messed up, I love you. When you come to me with chocolate all over your lips, I love you. When you crack silly jokes with me, I love you. I love you because you join me in my weirdness. Thanks for being my silly soul mate. Love you forever! I consider myself to be the luckiest woman on this Earth and it's only because I have found the most precious jewel of this world. It's you, my love. You are the only thing that looks good on me. When we kiss, I feel the excitement of being on a roller coaster or like the sky filled with fireworks on the fourth of July. Happy Valentine's Day, and thank you for making my life an adventure! The way you look at me when I sit in front of the mirror... your smile when I catch you unaware noticing me... these small things show how much you love me more than any words can express. You are beautiful inside and out. You are my forever Valentine without a doubt. You always know exactly how I feel and you are always there to make me feel better. You are the best thing that has ever happened to me and I thank God that I got to meet you. I love you. As busy as we get, we need to be reminded that we are still sweethearts. Valentine's Day is a good day for me to stop and realize how wonderful you make me feel. Happy Valentine's Day. The way you wake me up and hold me in your arms every morning makes for a great start of my day, and I know you will always make me feel this special no matter how much we grow old. Happy Valentine's Day Text Messages Warmer than a summer breeze, hotter than the sun, more beautiful than a flower, but most importantly, the best thing that has ever happened to me. I love you.
