Templar Jordan Mechner, 2013-07-09 After the king of France and the pope massacre the Templars and steal their treasure, Martin assembles a small band of surviving Templars to retrieve the stolen treasure from under the king's nose.

Lobsters Lucy Ivison, 2014-06-05 Sam and Hannah only have the holidays to find 'The One'. Their lobster. But instead of being epic, their summer is looking awkward. They must navigate social misunderstandings, the plotting of well-meaning friends, and their own fears of being virgins for ever to find happiness. But fate is at work to bring them together. And in the end, it all boils down to love.

Aristotle and Dante Discover the Secrets of the Universe Benjamin Alire Sáenz, 2012-02-21 Fifteen-year-old Ari Mendoza is an angry loner with a brother in prison, but when he meets Dante and they become friends, Ari starts to ask questions about himself, his parents, and his family that he has never asked before.

Cosmic Spirit Alexandra Dennis, 2011-02-04 This book may seem upon the surface and through its pages, light and fluffy. Filled with rainbows, flowers and sunshine. Some may think it unrealistic, superfluous and indulgent... a fantasy land - within this serious world of form. A society stamped urgent... where the clock is boss; and the practiced smiles of many have numbed them sufficiently - of delight, fun and child-like escape into imagination. But this, my gentle word stems from a deeper need. To communicate a message to the many who struggle. For those who have lived with their private pain, grappled with fear, and every method fails... For those for whom happiness seems an elusive prize, or a distant memory. For others, who have built a shield so strong it will not yield... hiding behind their fortress walls, second-guessing themselves... For those who cannot come out to play - because they're too busy crying... For those who are angry or seek to intimidate... to mask their own fear. Try this: It is do-able... it is possible. Wipe the slate clean, forgive all... and step forward into the future. Delete the old files, for today is a fresh new start. Monsters don't exist! Fear is just a self-imposed barrier... blocking our path. Forget your baggage, travel light... find your inner compass and re-chart your course. Choose positive language and thought. Obstacles will melt away, as you sail smoothly towards your bliss. Remember your happiest dream? What was it that made you smile? Now is the time. Open your heart to embrace life. You are in charge now... YOU are running the programme. Widen your scope of vision - to see the bigger picture. Zoom out, refocus... and see more than you ever expected. Trust. Magic will unfold in your life. Smile and re-connect yourself to the Network.

This Vicious Cure Emily Suvada, 2020-01-21 Cat is desperate to find a way to stop Cartaxus and the plague in this gripping finale to a series New York Times bestselling author Amie Kaufman says "redefines 'unputdownable!'" Cat's hacking skills weren't enough to keep her from losing everything—her identity, her past, and now her freedom. She's trapped and alone, but she's survived this long, and she's not giving up without a fight. Though the outbreak has been contained, a new threat has emerged—one that's taken the world to the brink of a devastating war. With genetic technology that promises not just a cure for the plague, but a way to prevent death itself, both sides will stop at nothing to seize control of humanity's future. Facing her smartest, most devastating enemy yet, Cat must race against the clock to protect her friends and save the lives of millions on the planet's surface. No matter the outcome, humanity will never be the same. And this time, Cat can't afford to let anything, or anyone, stand in her way.

The Disasters M. K. England, 2018-12-18 The Breakfast Club meets Guardians of the Galaxy in this YA sci-fi adventure by debut author M. K. England. Hotshot pilot Nax Hall has a history of making poor life choices. So it's not exactly a surprise when he's kicked out of the elite Ellis Station Academy in less than twenty-four hours. But Nax's one-way trip back to Earth is cut short when a terrorist group attacks the Academy. Nax and three other washouts escape—barely—but they're also the sole witnesses to the biggest crime in the history of space colonization. And the perfect scapegoats. On the run, Nax and his fellow failures plan to pull off a dangerous heist to spread the truth. Because they may not be "Academy material," and they may not even get along, but they're the only ones left to step up and fight. Full of high-stakes action, subversive humor, and underdogs becoming heroes, this YA sci-fi adventure is perfect for fans of *Illuminae*, *Heart of Iron*, or the cult classic TV show *Firefly* and is also a page-turning thrill ride that anyone—not just space nerds—can enjoy.

The Mushroom Collector Jason Fulford, 2014 This publication reissues a beloved photobook classic--acknowledged as such by Martin Parr and Gerry Badger in the third volume of *The Photobook: A History*--that has been out of print since the hardcover edition was published in 2010. As photographer Jason Fulford (born 1973) recently learned firsthand, mushrooms have a way of growing and spreading wherever they touch ground. It all started when a friend of Fulford's gave him a box, found at a flea market, full of photos of mushrooms--unassuming pictures taken by an unknown but almost certainly amateur photographer, apparently as notes for some mycological studies. Fulford's art photographs (aside from his well-known book *Dancing Pictures*, which depicted people getting down to their favorite songs) are usually of staid, quasi-mute objects: a smashed Dorito chip overrun

with ants, two bronzed doorknobs spooning, the blank back of a street sign. Yet these mushroom images got stuck in Fulford's mind, like a bad song sometimes does, and they started to grow in his own work. The Mushroom Collector combines some of the original flea-market mushroom pictures with his own images and text by the artist about the project.

A Deal for Three Halie Fewkes, 2019-03

Unforgettable Man Tiye Love, 2020-11-12 Every Queen needs her King? Prominent and successful attorney, Devin Toussaint has notoriously had more than his fair share of women. Healed from his very public and painful divorce and now a better man, Devin has his mind set on the gorgeous Royalty, the only woman who has ever tamed his wandering heart. Royalty James has it all—a successful career, a brilliant son, and is dating a good man. The only thing missing is an all-consuming passionate love, which she once had with one man. A man who still has the power to set her body and soul aflame with a simple touch. Devin Toussaint, a man who could destroy her once he discovers that her son is also his. As he slowly melts her defenses and they grow impossibly deeper in love, Royalty wonders if Devin will forgive her, and if their flame will continue to burn hot, or smolder into embers once he learns the truth.

Secrets of the Tally Halie Fewkes, 2015-08-22 Meet Allie: she's just woken up in an empty forest with blood on her hands and everything she's ever known wiped from her mind. In her survival-oriented world, people are hunted by vicious predators and it quickly becomes clear that they are specifically hunting her. Allie's friends and sister have no insight as to why she's a target, and her only clue is a list of tally marks she finds tucked away, detailing how many lives she's saved and how many deaths she's caused. Judging by the amount of ink slashed across the page and the fact that nobody seems to know about it, Allie knows she used to have secrets that need to be recovered. Without knowing whom to trust, she finds herself drawn to a new stranger in the caves they call home, and even though he won't talk about his own past, he's ready to help Allie recover hers. The problem now is that Allie's instinct to survive is the only thing strong enough to bring her memories back. Flashes of her old self will only surface to save her from life-threatening danger, so if she wants to avoid living as an echo of her former self, danger is what she must seek.

Alister in Wonderland KuroKoneko Kamen, 2018-11-07 GENDERBENT FAIRYTALES COLLECTION Alister in Wonderland Handsome and the Yeti Petra PanA genderbent reimagining of the classic fairytale Alice in Wonderland... Alister Kingsley is an eccentric, London artist who is famous for his surreal, fanciful paintings set in a land that only exists in his imagination: Wonderland. Alister's 'dream girl' Madeline Hatter wasn't supposed to be real. But when the White Rabbit shows up at his art expo, and leads him down the rabbit hole Alister comes face-to-face with the Mad Hatter herself when she rescues him from getting barbecued by the King of Hearts' pet: the Jabberwocky. As it turns out, Madeline got herself into a pickle, and needs Alister's help. She has him sign a magical contract that enters him into a tournament to win her hand in marriage. Alister must complete an impossible task, participate in a Wonderland Joust where the rules aren't exactly normal, and defeat the other contenders: Crimson the King of Hearts, Clover the White King, and Cheshire Cat slave, Cheshier. Madeline isn't allowed to help Alister, and Crim keeps sending assassins after his head. Will Alister be able to win the tournament so that Madeline won't have to marry the sadistic, bloodthirsty King of Hearts? Follow the White Rabbit and find out...
