No matter how hard you try, you will never stop missing your first love. Cupid's arrow struck me through when I first laid my eyes upon her. But, I was not bold enough to strike a conversation with her even though she sits across my bench. Cupid, being a sweet angel, etched out a digital platform (Facebook) for me to overcome my shyness. Are you curious to know how a friend request to my first love brought us together in life? An Irresistible First Love tells you a story that everyone can relate to.

Scrutinizing Love Arushi Sharma,2020-10-27 A wide youth population of the world isn't really aware of true love. Many curious minds want to find the exact answer to the question 'what is love?' The truth is, love is a type of blackhole; which just contains so much inside. Have you ever wondered about 'true love'? Have you met your significant other or are you yet to meet the one? In either cases, you must know that love is most often confused with infatuations and obsessions; your love-life should be soul-satisfying and you shall not fall for the wrong ones and shan't enter into messy breakups in life. But how can you prevent that? You will find the answers in here. The objective of this fusion fiction is to invoke the true sense of love in the readers and clear away the clouds of doubts and the mist of myths about pure

love. Go through some real life scenarios in here and evaluate yourself about the stories which will make you recognize the aspects of true love. Love ain't easy and relationships don't work, eh? Perhaps you might discover some new details that can change your perspective about relationships. Let us peek into the blackhole of love and find out what are the psychological, philosophical and scientific properties of love and how essentially love is associated to human life if practiced correctly. The book in your hand is a promise that you would be able to absorb the genuine particulars about love when you finish reading it.

When God Says "Wait" Elizabeth Laing Thompson, 2017-03-01
A job, a true love, a baby, a cure. . . We're all waiting for something from God. And the place between His answers can feel like a wasteland where dreams—and faith—go to die. When we're waiting, we wonder, "Why?", "Why me?", and "How long?" But the truth? . . . When God says, "Wait," He doesn't tell us for how long. When God says, "Wait," we face one of life's greatest tests. When God says, "Wait," we have decisions to make. When God says, "Wait," we can control only two things: how we wait, and who we become along the way. Author Elizabeth Laing Thompson invites you to walk alongside people of the Bible who had to wait on God. . . imperfect heroes like David, Miriam, Naomi, Sarah, Joseph, and others. Their stories will provide a roadmap for your own story, helping you navigate the painful, lonely territory of waiting, coming out on the other side with your faith, relationships, and sense of humor intact. They might even help you learn to enjoy the ride. This book is about the journey of waiting, the space between answers, and the people we become while we live there.

The One Year Experiencing God's Love Devotional

Sandra Byrd, 2017-10-03 One of Called Magazine's Favorite Fall Releases When was the last time you took a break to experience God's love? To experience something is to live it, to encounter it, to understand it, to explore with our hearts, minds, and souls as well as with the five physical senses and our God-given spiritual ones. Every action we do with and for God, every good day and bad day, we walk hand-in-hand with God, experiencing Him. Experiencing God's love takes time. Love unfurls its blossoms in our lives when we concentrate all of our senses on the small gifts we pass by every day. Time slows, and we finally get to hear God's beautiful background hum to our lives. The One Year Experiencing God's Love Devotional helps you intentionally carve out those moments in your day to savor God and his love for you.

Loving Hugh Nini, Neal Treadwell, 2020-10-14 *Loving: A Photographic Story of Men in Love, 1850-1950* portrays the history of romantic love between men in hundreds of moving and tender vernacular photographs taken between the years 1850 and 1950. This visual narrative of astonishing sensitivity brings to light an until-now-unpublished collection of hundreds of snapshots, portraits, and group photos taken in the most varied of contexts, both private and public. Taken when male partnerships were often illegal, the photos here were found at flea markets, in shoe boxes, family archives, old suitcases, and later online and at auctions. The collection now includes photos from all over the world: Australia, Bulgaria, Canada, Croatia, France, Germany, Japan, Greece, Latvia, the United States, the United Kingdom, Russia, and Serbia. The subjects were identified as couples by that unmistakable look in the eyes of two people in love - impossible to manufacture or hide. They were also recognized by body language - evidence as subtle as one hand barely grazing another - and by inscriptions, often coded. Included here are ambrotypes, daguerreotypes, glass negatives, tin types, cabinet cards, photo postcards, photo strips, photomatics, and snapshots - over 100 years of social history and the development of

photography. Loving will be produced to the highest standards in illustrated book publishing, The photographs - many fragile from age or handling - have been digitized using a technology derived from that used on surveillance satellites and available in only five places around the world. Paper and other materials are among the best available. And Loving will be manufactured at one of the world's elite printers. Loving, the book, will be up to the measure of its message in every way. In these delight-filled pages, couples in love tell their own story for the first time at a time when joy and hope - indeed human connectivity - are crucial lifelines to our better selves. Universal in reach and overwhelming in impact, Loving speaks to our spirit and resilience, our capacity for bliss, and our longing for the shared truths of love.
