**Your Service Dog and You** Nicola Ferguson,2023-09-07 Service dogs play an important role in society, assisting their handlers in leading independent, fulfilling lives. These amazing dogs are trained to work with a wide range of disabilities, from visual impairments to PTSD, and come from a variety of breeds and backgrounds. Some service dogs are custom bred and trained by large charities, while others are rescue dogs of indeterminate breed, trained entirely by their owners. Disability knows no bounds and can strike anyone, at any time, leaving us alone, scared and confused, with many of us wondering how feasible it would be to integrate a service dog into our lives. This is a practical guide, written from the perspective of an ordinary dog owner turned service dog trainer, following her own need for a service dog. It covers everything from service dog breeding and selection, how to acquire a service dog, basic training, and public access work, to your dog's eventual retirement. Chapters also detail the day-to-day realities of living with and loving a service dog.

Alberta ranch foreman Clay Archer, who has recently inherited the mill, is just as determined to keep it open. He plans to use the profits to build a state-of-the-art rehab center in his mother's memory for her sacrifice in marrying the miserly former mill owner to provide a better life for Clay. Both antagonists have vowed to accomplish their goals—they're resolved nothing will stop them. But they didn't count on what happens when a blue-eyed cowboy meets a green-eyed crusader and a wild attraction erupts between this pair of sworn enemies.

How often have you wondered what your dog is thinking? Who hasn't stared into Lily's innocent eyes, questioning why she shreds your socks but ignores her fuzzy designer toys. Or why Duncan casually lifts his leg and glares at your new boyfriend whenever he walks into the house. If you're still asking the eternal question, When my sweet, loving, brilliant, messy-muzzled Canis familiaris growls and wags her tail at the same time, which end do I believe? then you need The Original Dog Tarot. The 30 cards are a takeoff on the traditional tarot; they're divided into the Major Barkana and Minor Barkana. Each card offers advice for both canines and the humans in their lives. You don't have to be familiar with traditional tarot to use this deck. It is a witty and wise stand-alone oracle for anyone who has given up mastering the techniques of The Dog Whisperer.
