The Path to Love Deepak Chopra, M.D., 2007-12-18 NEW YORK TIMES BESTSELLER • A remarkable fusion of Eastern wisdom and Western practicality that offers strategies for clearing away the obstacles to love your life, for restoring the boundless soul of love, and for finding romance that will last a lifetime. Drawing on the Vedic texts of India and other great wisdom traditions, Dr. Deepak Chopra describes the seven stages of love, beginning and culminating in ecstasy. At each stage we hear stories like those of Clare, who only falls in love with unattainable men; of Frankie and Della, whose eight-year-old marriage has become a battleground of distrust; and of Gail and Jarrett, who near retirement without understanding how they will fit together into their new lives. As we see these couples overcome their obstacles, and as we work through a series of specific exercises, we anchor these lessons in our own experience. We all know the only way to enjoy the ecstasy of true romance for a lifetime is first to discover love within ourselves, but this task has often proved too difficult. Until now. In The Path to Love, you will find an astonishing blueprint to the uncharted territory of your own heart. First, Dr. Chopra orients us with timeless wisdom and contemporary real-life

examples, then guides us step by step on the path to love. And once we discover the love inside ourselves, we start to see it everywhere—in lovers, husbands, wives, mothers, fathers, brothers, sisters, friends—until our own lives become self-sustaining acts of passion, romantic and fulling and miraculous.

Rudolf Steiner's Vision of Love Bernard Nesfield-Cookson,1999 The author encapsulates Steiner's revelations on the meaning of love and indicates the supreme importance of the greatest of all deeds of love; the Mystery of Golgotha.

Practices of Love Kyle David Bennett,2017-08-22 Spiritual disciplines are often viewed primarily as a means to draw us closer to God. While these practices do deepen and enrich our vertical relationship with God, Kyle David Bennett argues that they were originally designed to positively impact our horizontal relationships--with neighbors, strangers, enemies, friends, family, animals, and even the earth. Bennett explains that this horizontal dimension has often been overlooked or forgotten in contemporary discussions of the spiritual disciplines. This book offers an alternative way of understanding the classic spiritual disciplines that makes them relevant, doable, and meaningful for everyday Christians. Bennett shows how the disciplines are remedial practices that correct the

malformed ways we do everyday things, such as think, eat, talk, own, work, and rest. Through personal anecdotes, engagement with Scripture, and vivid cultural references, he invites us to practice the spiritual disciplines wholesale and shows how changing the way we do basic human activities can bring healing, renewal, and transformation to our day-to-day lives and the world around us.

In presenting the long-forgotten, timeless laws of love, together with practical suggestions for bringing them into our lives, Deepak Chopra shows us how to transform our lives forever - and the lives of those whom we love.

Love, Love, Love Stephen Turoff,2019-12-11 How can we become aware of pure unconditional love? With simple yet shattering words, Stephen Turoff seeks to awaken us to knowledge

that already resides deep in our hearts: that God is love and love is God. Love is the power that created the universe and permeates all Creation. When we realize this, we are led to a recognition of our true nature as human beings. Stephen's astonishing message - presented here as transcripts from a series of six seminars - can rouse us to reassess our lives and the way we think and act. We are perfect beings who have forgotten our divine nature. Our true self wants to awaken to the divine presence within. With guidance, we can teach ourselves to listen to the voice of our heart, in order really to know and experience truth. Stephen leads us to a deeper understanding of our connection with God and the purpose of our lives on earth. The knowledge he shares is based on profound life experience and a singular understanding of God and universal laws. 'Stephen Turoff is a psychic surgeon with a world-wide following and a history of "miraculous" healings as long as an NHS waiting list ... even some mainstream doctors reluctantly acknowledge the evidence of his success.' - More to Life magazine 'Stephen Turoff has been a spiritual healer for over 40 years. During that time he's achieved near-legendary status in his field, attracting the attention of both international media and a string of distinguished clients. He's also been the subject of

numerous television programmes.' - Psychic News

You Are What You Love James K. A. Smith, 2016-03-29 You are what you love. But you might not love what you think. In this book, award-winning author James K. A. Smith shows that who and what we worship fundamentally shape our hearts. And while we desire to shape culture, we are not often aware of how culture shapes us. We might not realize the ways our hearts are being taught to love rival gods instead of the One for whom we were made. Smith helps readers recognize the formative power of culture and the transformative possibilities of Christian practices. He explains that worship is the imagination station that incubates our loves and longings so that our cultural endeavors are indexed toward God and his kingdom. This is why the church and worshiping in a local community of believers should be the hub and heart of Christian formation and discipleship. Following the publication of his influential work Desiring the Kingdom, Smith received numerous requests from pastors and leaders for a more accessible version of that book's content. No mere abridgment, this new book draws on years of Smith's popular presentations on the ideas in Desiring the Kingdom to offer a fresh, bottom-up rearticulation. The author creatively uses film, literature, and music

illustrations to engage readers and includes new material on marriage, family, youth ministry, and faith and work. He also suggests individual and communal practices for shaping the Christian life.

All About Love bell hooks, 2018-01-30 A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' Love Song to the Nation trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the

cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

The Beggar (Part II) B. T. Swami,2020-01-01 The Beggar (Part II) - Bhakti Tirtha Swami offers a perspective on fear, love, true compassion, success, death, intimacy, and spiritual goals. The deeply penetrating reflections in the form of a personal dialogue with God remind the reader of the necessity to dedicate time to spiritual growth along with secular pursuits. Many of the prayers in these books often draw tears and can touch the psyche in a very profound way. Although these prayers are short reading, they are compact with very deep spiritual messages. Most importantly, the messages attempt to address each reader in his or her own individual spiritual struggles. These small books are not just meant for a single reading; rather, they can be read over and over again according to the particular struggles faced by each person on his or her spiritual journey.

Treatise on the Love of God St. Francis de Sales.2013-08-20 Treatise on the Love of God is a manual intended to help believers strengthen their devotion to God. De Sales describes his project by saying, it is truly my intention to represent simply and naïvely, without art, still more without false colours, the history of the birth, progress, decay, operations, properties, advantages and excellences of divine love. The Treatise is divided into twelve books. The first four books explain the nature of the human soul and provide the history of divine love. Book Five explores the two principle exercises of love, namely, sacred complacency and benevolence. Books Six and Seven discuss the importance of practicing love through prayer, while Books Eight and Nine express the importance of submitting to God's will. The final three books are devoted to exploring the practical importance of God's holy love in our lives. De Sales' Treatise is a captivating depiction of love.

Love: A Good Medicine (The Saga of the Elixir of Life) (Introducing 'LoveOlogy') Dr. Siddhartha Ganguli,2024-01-15 The human emotion of love has its own spectrum like the rainbow, with its two extremes-represented by two different neuro-chemicals: 'Dopamine' ('Smart Love' & 'Short-lived' or 'Short Love') and 'Oxytocin' ('Sustained Love'). In the ancient Indian 'NatyaShastra' of the great Bharata Muni, the essence or rasa of love is 'Sringara', having at its two poles 'Kama' (lust) and 'Prema' (pure love). As illustrations of the 'Sringara' rasa, the author has analysed a number of love song lyrics from different cultures. In this book, while the author has looked at and analysed 'love' from the angles of bio-medical, social, psychological and neurological sciences, one unique concept shared is that of the 'love pie'. A very special section deals with 'Futuristic Love' where the author has discussed the idea of having a love-relationship with 'Al' ('Artificial Intelligence'). Special contributions by the Stellar Maestro world-famous polymath musician-astrophysicist-philosopher-painter Dr Leonid Timoshenko of Russia and the top-ranking gynaecologist and obstetrician Dr Gouri Kumra from India are precious valueadditions.

The Love Response Eva M. Selhub, M.D.,Divina Infusino,2009-01-27 Fear, anger, and anxiety-the side effects of life's everyday stresses-are natural and sometimes helpful, but left unchecked they can lead to a host of debilitating ailments that are now so common we assume they are unavoidable: heart disease, arthritis, gastrointestinal problems, depression, and more. There is good news, though: The key to a healthy life free of these conditions is to activate what Harvard Medical School instructor Dr. Eva Selhub calls the love response: a series of biochemical reactions that lower blood pressure, heart rate, respiration, and adrenaline levels, stimulating physical healing and reinstating

balance and well-being. A practical life-healing program, the first of its kind, The Love Response is the result of Dr. Selhub's years of research-and clinical practice-on how to reverse the destructive physical effects of fear and stress, and banish emotional wounds from the past. Through a simple-to-use plan of awareness, breathing, visualization, and verbal command exercises, The Love Response reprograms your brain and changes your biochemistry from negative to positive, putting you on a path to long-term wellness and happiness. The Love Response is structured around the three essential building blocks of mental health: • social love-connecting not only in your intimate relationships but with family, friends, and pets • self-love-learning to nurture yourself with care and tenderness (often the hardest step) • spiritual love-contributing in meaningful ways to the world beyond your personal needs The Love Response provides all the tools you need to transform anger into compassion, release your fears, overcome shame, embrace self-acceptance, connect through empathy, and, ultimately, strengthen your natural ability to heal.

Love Unveiled A. H. Almaas,2020-04-28 A passionate and deep exploration of how love is essential to our spiritual growth and development, from beloved author and teacher A. H. Almaas. Love is a universal energy--and a primary force that powers our movement toward spiritual illumination. All the ways we need love are simply reflections of our need for spiritual growth. In Love Unveiled, A. H. Almaas explores three dimensions of love: appreciative love--the true liking of somebody or something; merging or connecting love--a force that melts away separateness; and passionate, ecstatic love--capable of consuming us from inside. In their own way, each reveals the beauty and exquisiteness of our spiritual heart, which is the heart of the divine. However, the path of spiritual love is not without challenges. Almaas explores the barriers that tend to block our experience of loving awakening and provides experiential exercises throughout the book to help readers along their path. The exercises focus on the obstacles or misunderstandings that commonly arise for each quality or dimension of love. Presented in the form of writing or monologuing prompts, readers can work independently or in small groups to confront the emotional obstacles on their spiritual path. Regardless of where you are on your path, Love Unveiled will help you explore love in three essential dimensions and gain a deeper connection to yourself.
