When a delicious-looking piglet knocks on Mr. Fox's door accidentally, the fox can hardly believe his good luck. It's not every day that dinner just shows up on your doorstep. Six Weeks Lucky JS Martin,2004-12 Rudi Kratschmer, youngest of eight sons, was brought up in a tiny forested village within walking distance of the borders of Sudetanland. As Hitler advanced, the self-contained farming lifestyle was ripped apart, causing 19-year-old Rudi to join the partisans to fight for his country; and he was soon fleeing for his life across Czechoslovakia and Poland. After arriving in England, he encountered more collaborators, but settled into the ways and language of his new home, using his engineering skills to help the war effort, becoming a highly respected design engineer in a wide range of industrial processes and developing a passion to pass on his knowledge. His work took him from Sheffield, Coventry and London across Europe and Africa, and throughout his life, it is the love of his homeland, his family and their well-being that has kept him going. This is a riveting story by--and about--a remarkable man.

The Wisdom of Crowds Joe Abercrombie,2021-09-14 The New York Times bestselling finale to the Age of Madness trilogy finds the world in an unstoppable revolution where heroes have nothing left to lose as darkness and destruction overtake everything. Chaos. Fury. Destruction. The Great Change is upon us . . . Some say that to change the world you must first burn it down. Now that belief will be tested in the crucible of revolution: the Breakers and Burners have seized the levers of power, the smoke of riots has replaced the smog of industry, and all must submit to the wisdom of crowds. With nothing left to lose, Citizen Brock is determined to become a new hero for the new age, while Citizeness Savine must turn her talents from profit to survival before she can claw her way to redemption. Orso will find that when the world is turned upside down, no one is lower than a monarch. And in the bloody North, Rikke and her fragile Protectorate are running out of allies . . . while Black Calder gathers his forces and plots his vengeance. The banks have fallen, the sun of the Union has been torn down, and in the darkness behind the scenes, the threads of the Weaver's ruthless plan are slowly being drawn together . . . No one writes with the seismic scope or primal intensity

Wild Game Adrienne Brodeur, 2019 On a hot July night on Cape Cod, at the age of 14, Brodeur became a confidante to her mother's affair with her husband's closest friend. My Omaha Obsession Miss Cassette,2020-11 My Omaha Obsession takes the reader on an idiosyncratic tour through some of Omaha's neighborhoods, buildings, architecture, and people, celebrating the city's unusual history. Rather than covering the city's best-known sites, Miss Cassette is irresistibly drawn to strange little buildings and glorious large homes that don't exist anymore as well as to stories of Harkert's Holsum Hamburgers and the Twenties Club. Piecing together the records of buildings and homes and everything interesting that came after, Miss Cassette shares her observations of the property and its significance to Omaha. She scrutinizes land deeds, insurance maps, tax records, and old newspaper articles to uncover a property's singular story. Through conversations with fellow detectives and history enthusiasts, she guides readers along her path of hunches, personal interests, mishaps, and more. As a longtime resident of Omaha, Miss Cassette is informed by memories of her youth combined with an enduring curiosity about the city's offbeat relics and remains. Part memoir and part research guide with a healthy dose of colorful wandering, My Omaha Obsession celebrates the historic built environment and searches for the people who shaped early Omaha.
