The Sober Lush Amanda Eyre Ward, Jardine Libaire, 2020-06-02 A sober hedonist's guide to living a decadent, wild, and soulful life--alcohol-free. In a culture where sipping rosé all day is seen as the epitome of relaxation, grabbing a drink the only way to network; and meeting at a bar the quintessential first date, many of us are left wondering if drinking alcohol really is the only way to cultivate joy and connection in life. Jardine Libaire and Amanda Eyre Ward wanted to live spontaneous and luxurious lives, to escape the ordinary and enjoy the intoxicating. Their drinking, however, had started to numb them to the present moment instead of unlocking it. Ward was introduced to Libaire when she first got sober. As they became friends, the two women talked about how they yearned to create lives that were Technicolor, beautifully raw, connected, blissed out, and outside the lines . . . but how? In *The Sober Lush*, Libaire and Ward provide a road map for living a lush and sensual life without booze. This book offers ideas and instruction for such nonalcoholic joys as: • The allure of the Vanish, in which one disappears early from the party without saying goodbye to a soul, to amble home under the stars • The art of creating zero-proof cocktails for all seasons • Having a fantastic first date while completely sober • A primer on setting up your own backyard beehive, and honey tastings For anyone curious about lowering their alcohol consumption or quitting drinking altogether, or anyone established in sobriety who wants inspiration, this shimmering and sumptuous book will show you how to keep indulging in life even if you stop indulging in alcohol.

The Favorite Daughter Patti Callahan Henry, 2019-06-04 From the New York Times bestselling author of *The Bookshop at Water's End*, here is a lush, heart-wrenching novel about the power of memory, the meaning of family, and learning to forgive. Ten years ago, Lena Donohue experienced a wedding-day betrayal so painful that she fled the small town of Watersend, South Carolina, and reinvented herself in New York City. Though now a freelance travel writer, the one place she rarely goes is home—until she learns of her dad's failing health. Returning to Watersend means seeing the sister she has avoided for a decade and the brother who runs the family's Irish pub and has borne the burden of his sisters' rift. While Alzheimer's slowly steals their father's memories, the siblings rush to preserve his life in stories and in photographs. As his secret past brings Lena's own childhood into focus, it sends her on a journey to discover the true meaning of home.

Icons of R&B and Soul [2 volumes] Bob Gulla, 2007-12-30 Drawn from a mosaic of influences, including folk, gospel, and blues, R&B represents both everything that came before and nothing that was heard before. This is the music that bridged the gap between audiences and helped, at the very height of racism in America, to dismantle racial barriers. So much of today's music is derived directly from the highly influential and critically important sounds of R&B that without it we would have never known the classic soul of the late '50s and '60s, the glory days of the genre. Similarly, rock n' roll as seen through the eyes of Bill Haley and Elvis Presley would have never evolved without the foundation laid by their R&B predecessors. Through substantial entries on the chief architects and innovators, *Icons of R&B and Soul* offers a vibrant overview of the music's impact in American culture and how it reflected contemporary society's politics, trends, and social issues. Numerous sidebars highlight Motown, prominent record labels, hit songs, related singers and songwriters, key events, and significant aspects of the music industry. Also included is a list of important print and Web resources, as well as a list of selected recordings. An essential reference for high school and public libraries, this encyclopedia will help students explore the historical and cultural framework of R&B and soul music through the musicians who have come to define the genre. Among the featured: - Ray Charles - Little Richard - Fats Domino & New Orleans R&B - Ruth Brown - Sam Cooke - Etta James - James Brown - Aretha Franklin - The Supremes - Otis Redding - Ike & Tina Turner - Curtis Mayfield - Berry Gordy - Stevie Wonder - Marvin Gaye - Smokey Robinson - The Temptations - Prince

Imaging in Advertising Fern L. Johnson, 2012-08-06 The dominance of advertising in everyday life carries potent cultural meaning. As a major force in the rise of image based culture, advertising spreads images that shape how people live their lives. While scholarship on visual images has advanced

our understanding of the role of advertising in society, for example in revealing how images of extremely thin female models and athletic heroes shape ideals and aspirations, images circulated through language codes--or verbal images--in advertising have received less attention. *Imaging in Advertising* explores how the verbal and visual work together to build a discourse of advertising that speaks to audiences and has the power to move them to particular thoughts and actions. In this book, Fern L. Johnson presents a series of case studies exploring important advertising images--racial connotations in cigarette advertising, representations of cultural diversity in teen television commercials, metaphors of the face appearing in ads for skin care products, language borrowed from technology to sell non-technology products, and the illusion of personal choice that is promoted in many Internet web sites. Johnson argues that examining the interplay of verbal and visual images as a structured whole exposes the invasive role of advertising in shaping culture in 21st century America.

American International Pictures Rob Craig, 2019-02-19 *American International Pictures* was in many ways the missing link between big-budget Hollywood studios, poverty-row B-movie factories and low-rent exploitation movie distributors. AIP first targeted teen audiences with science fiction, horror and fantasy, but soon grew to encompass many genres and demographics--at times, it was indistinguishable from many of the major studios. From *Abby Cadabby* to *Zontar*, this filmography lists more than 800 feature films, television series and TV specials by AIP and its partners and subsidiaries. Special attention is given to American International Television (the TV arm of AIP) and an appendix lists the complete AITV catalog. The author also discusses films produced by founders James H. Nicholson and Samuel Z. Arkoff after they left the company.

Under the Lights and In the Dark Gwendolyn Oxenham, 2017-07-06 *Under the Lights and in the Dark: Untold Stories of Women's Soccer* takes an unprecedented look inside the lives of professional football players around the world – from precarious positions in underfunded teams and leagues, to sold-out stadiums and bright lights. Award-winning filmmaker and journalist Gwendolyn Oxenham tells the stories of the phenoms, underdogs, and nobodies – players willing to follow the game wherever it takes them. *Under the Lights and in the Dark* takes us inside the world of women's soccer, following players across the globe, from Portland Thorns star Allie Long, who trains in an underground men's league in New York City; to English national Fara Williams, who hid her homelessness from her teammates while playing for the English national team. Oxenham takes us to Voronezh, Russia, where players battle more than just snowy pitches in pursuing their dream of playing pro, and to a refugee camp in Denmark, where Nadia Nadim, now a Danish international star, honed her skills after her family fled from the Taliban. Whether you're a newcomer to the sport or a die-hard fan, this is an inspiring book about stars' beginnings and adventures, struggles and hardship, and, above all, the time-honored romance of the game.
