Post Celtic Tiger Landscapes in Irish Fiction Marie Mianowski,2016-11-03 Post Celtic Tiger Landscapes in Irish Fiction discusses the representations of place and landscape in Irish fiction since 2008. It includes novels and short stories by William Trevor, Dermot Bolger, Anne Enright, Donal Ryan, Claire Kilroy, Kevin Barry, Gerard Donovan, Danielle McLaughlin, Trisha McKinney, Billy O'Callaghan and Colum McCann. In the light of writings by geographers, anthropologists and philosophers such as Doreen Massey, Tim Ingold, Giorgio Agamben and Jeff Malpas, this book looks at the metamorphoses of place and landscape representations in fiction by confirmed or debut authors, in the aftermath of a crisis with deep economic as well as cultural consequences for Irish society. It shows what place and landscape representations reveal of the past, while discussing the way notions such as boundedness, openness and emergence can contribute to thinking out space and place and designing future landscapes.

**The Hitched Chick's Guide to Modern Marriage** Mandi Norwood,2007-04-01 The marriage revolution is at hand--it's going on right now, led by a new generation of married women who crave independence and adventure just as much as they crave commitment. With her fifteen years of experience at top women's magazines, Mandi Norwood hosts the perfect girls' night out, revealing married women's most intimate confessions from more than one hundred in-depth interviews. Sometimes hilarious, often tender, and always empowering, this smart, sexy, candid guide offers from-the-heart, savvy, and practical advice about every aspect of modern marriage from power, controlling money, and omigod-the-mother-in-law, to brazen behavior in bed.It's something entirely different-sexier, more independent and definitely more complicated. The balance of power has not just shifted, it's off its axis entirely. Mandi Norwood has tapped into the new beast that is modern marriage to deliver straight talk about what really happens: at the dinner table, over the checkbook and in the bedroom. In over one hundred interviews with these new-fashioned wives-hitched chicks-Norwood learned not just what women in marriages today want but how they get it. She found an energetic, adventurous generation whose intimate confessions add up to a hilarious and very candid night out with the girls. High-voltage advice right out of Pandora's Box.-Lauren Stover, author of THE BOMBSHELL MANUAL OF STYLE As soon as he slips the ring on your finger, find this book and read it cover to cover. It's the must-have-how-to manual for marriage.-Lucy Danziger, editor-in-chief, Self

Where Is Bust? Steve Marsh Sof,2019-01-11 Two mature couch potatoes decide to cycle from London to Paris. One is a Marie Curie Nurse working with terminally ill patients choosing to die in their own homes. Where is Bust? is the story of that fundraising ride from conception, through training and preparation, to completion. Told in a very amusing way, with many hilarious incidents and accidents, it also tells the story of a Marie Curie Nurse at work. Two themes run alongside each other; the adventures of the couple in training and fundraising, with the heart breaking, yet heart warming, story of terminally ill people and their families in their final days and hours. An ideal read for anyone contemplating a challenge themselves, who like a comic tale, who is fighting or supporting someone fighting a terminal illness, who supports Marie Curie or for any other reason. If you've got a heart and a sense of humour give this a go. You'll also get to learn why it has such a strange title! A donation of 25p will be made to Marie Curie for each copy purchased.

**Happy Brain: Where Happiness Comes From, and Why** Dean Burnett,2018-05-29 Neuroscientist Dean Burnett dives into the squishy science and bubbly feelings of what happiness means. The pursuit of happiness is one of the most common and enduring quests of human life. It's what drives us to get a job, fall in love, watch stand-up comedy, go to therapy, have questionable obsessions, and come home at the end of the day. But where does happiness come from, and why do we need it so much? Is lasting, permanent happiness possible—or should it be? And what does any of this have to do with the brain? In this delightful sequel to *Idiot Brain*, Dean Burnett explores these questions from a neuroscientific perspective. He combines the latest research and theories about how the brain works with interviews and contributions from relevant individuals, such as relationship experts, psychology professors, comedy writers, celebrities, millionaire gurus, and pretty much anyone else involved in bringing about happiness in others. Distinguished by Burnett's signature wit and curiosity, *Happy Brain* elucidates our understanding of what happiness actually is, where it comes from, and what exactly is going on in our brains when we're in a cheery state. Humorous and enlightening, *Happy Brain* explores a fascinating aspect of modern neuroscience and, in the process, reveals something about what it means to be human.

**AHA You Are Rich! Claim It!** Joem Balbiran-Weinkauff,2021-03-02 This book presents the "COLD HARD TRUTH" as to why millions of people still live in the state of "poverty" and why a few others are enjoying the state of abundance. Which state of living are you basking now? Let us not be one of those people who just say Que Sera, Sera (Whatever Will Be, Will Be) because YOU, yes YOU, can do something about it. From witnessing the death of her father at the age of 15. To living in the streets of Manila. To coming to Canada with \$0 money in her pocket. Together with her other sister, Joem financially assisted her two siblings in their university education (currently one sibling is a Canadian License Medical doctor, the other is a Canadian License Immigration Consultant and the other sibling is a Canadian business owner). She believes in the saying "Charity begins at home". To creating and building business that give back to the community and provide employment local and abroad. And to living her God's Retirement Plan at the age of 41. Joem will inspire, motivate and educate you financially by presenting 3 simple ways in achieving God's richness intended for you. Also, this book will challenge the common notion of "poorness" and "richness": Is richness living in an expensive house? Driving an expensive vehicle? Being famous or powerful? Or is richness doing what you are created to be! You are rich! Claim it!

Zero Tolerance & Just Greed/ Not Lust Byron Riddle,2009-11-12 Theres murder and stock market shenanigans continually taking place in sports-crazy Honey Oaks, Texas. Curiously enough, the athletic programs of Honey Oaks High are where the crimes that keep citizen-investigator Clayfour Peterson and Feaster County Sheriff Dalton Gumby looking for perps originate, first at the Honey Oaks Bumblebee football stadium in Zero Tolerance and then at the Honey Oaks High Gymnasium in Just Greed/Not Lust. Two stories in one cover, set two years apart with a continuing group of characters makes for some exciting reading, especially for those wanting a taste of Texas and the people, events and items that make it a unique state to live in, if not read about.

**Forever More** Steven Meyer,2017-06-02 Romania stays vacant, and the people stay far away from the predator of the night. Lucian stays in his castle in slumber by day and attacks by night. He finds himself craving for blood, but what he finds is beyond a surprise. Young Erin mistakenly flees out as the night grows darker. Yet the presence stays colder. What this vampire is wanting is something he can't take away. But a love blossoms from out of the shadows, and the attraction is more than a simple feeding. In this poetic romance, you see prey meet the predator. With action enticing the chapters and twisting, chilling details, this is *Forever More*. And love casts all fear aside in *Forever No Less*. It is about a mother's instinct and a child's cry. Erin is alone, and her lover is nowhere to be found. Doubt catches her off guard. And the search for truth causes her fears to become a cycle of ruin. Time remains unfazed and changes us in the most fascinating ways. The journey is more than what the eye can see. What is is not reality. And what was comes knocking. The door for hope is one to be yet opened when words remain unspoken. Erin finds a family curse and a path to the other

side. She carries on and walks to the light. Lucian is searching for his lost child. Fate shows the destination. And hope is not compensated. Forever and always, time shows to be an advantage of surprising demands. What is to be of the land of Eden? Will all be free? Here beauty is but a figment of imagery. It is a kingdom of royal decrees, and fate becomes a mockery. An enemy changes the heart of one hero. But good has plans to overcome all evil and to forgive all against them. Love triumphs, and hate breeds. What you're expecting is not a clichéd ending, but a story of the ages. Words bounce for off these pages. And faith has unsatisfying wages. Death is a foe and cannot prevail. Sink your teeth into love everlasting. For what history shows is a passage way unto the unknown.
