The Ideal Book William Morris,2016-04-03 This early work by William Morris was originally published in 1899 and we are now republishing it with a brand new introductory biography. William Morris was born in London, England in 1834. Arguably best known as a textile designer, he founded a design partnership which deeply influenced the decoration of churches and homes during the early 20th century. However, he is also considered an important Romantic writer and pioneer of the modern fantasy genre, being a direct influence on authors such as J. R. R. Tolkien. As well as fiction, Morris penned poetry and essays. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Omoo Herman Melville,2006 In one corner, upon a large native couch, elevated upon posts, reclined a nymph; who, half-veiled in her own long hair, had yet to make her toilet for the day. She was the daughter of Po-Po; and a very beautiful little daughter she was; not more than fourteen; with the most delightful shape--like a bud just blown; and large hazel eyes. They called her Loo; a name rather pretty and genteel, and therefore quite appropriate; for a more genteel and lady-like little damsel there was not in all Imeeo.

Kilo Ellis Parker Butler,2019-12-17 *Kilo* by Ellis Parker Butler is about Eliph Hewitt who falls in love with a beautiful young lady, Miss Sally Briggs of Kilo, on his adventure to sell books. Excerpt: Eliph' Hewlitt, book agent, seated in his weather-beaten top buggy, drove his horse, Irontail, carefully along the rough Iowa hill road that leads from Jefferson to Clarence. The Horse, a rusty gray, tottered in a loose-jointed manner from side to side of the road...

The Book Borrower Alice Mattison,2008-09-16 On the day they first meet in a city playground, Deborah Laidlaw lends Toby Ruben a book called *Trolley Girl*, the memoir of a forgotten trolley strike in the 1920s, written by the sister of a fiery Jewish revolutionary who played an important, ultimately tragic role in the events. Young mothers with babies, Toby and Deborah become instant friends. It is a relationship that will endure for decades—through the vagaries of marriage, career, and child-rearing, through heated discussions of politics, ethics, and life—until an insurmountable argument takes the two women down divergent paths. But in the aftermath of crisis and sorrow, it is a borrowed book, long set aside and forgotten, that will unite Toby and Deborah once again.

The Bookshop Book Jen Campbell,2014-10-02 We're not talking about rooms that are just full of books. We're talking about bookshops in barns, disused factories, converted churches and underground car parks. Bookshops on boats, on buses, and in old run-down train stations. Fold-out bookshops, undercover bookshops, this-is-the-best-place-I've-ever-been-to-bookshops. Meet Sarah and her Book Barge sailing across the sea to France; meet Sebastien, in Mongolia, who sells books to herders of the Altai mountains; meet the bookshop in Canada that's invented the world's first antiquarian book vending machine. And that's just the beginning. From the oldest bookshop in the world, to the smallest you could imagine, *The Bookshop Book* examines the history of books, talks to authors about their favourite places, and looks at over three hundred weirdly wonderful bookshops across six continents (sadly, we've yet to build a bookshop down in the South Pole). *The Bookshop Book* is a love letter to bookshops all around the world. -- A good bookshop is not just about selling books from shelves, but reaching out into the world and making a difference. *The Bookshop Book* includes interviews and quotes from David Almond, Ian Rankin, Tracy Chevalier, Audrey Niffenegger, Jacqueline Wilson, Jeanette Winterson and many, many others.)

The Last Bookseller Gary Goodman,2021-12-07 A wry, unvarnished chronicle of a career in the rare book trade during its last Golden Age When Gary Goodman wandered into a run-down, used-book shop that was going out of business in East St. Paul in 1982, he had no idea the visit would change his life. He walked in as a psychiatric counselor and walked out as the store's new owner. In *The Last Bookseller* Goodman describes his sometimes desperate, sometimes hilarious career as a used and rare book dealer in Minnesota—the early struggles, the travels to estate sales and book fairs, the remarkable finds, and the bibliophiles, forgers, book thieves, and book hoarders he met along the way. Here we meet the infamous St. Paul Book Bandit, Stephen Blumberg, who stole 24,000 rare books worth more than fifty million dollars; John Jenkins, the Texas rare book dealer who (probably) was murdered while standing in the middle of the Colorado River; and the eccentric Melvin McCosh, who filled his dilapidated Lake Minnetonka mansion with half a million books. In 1990, with a couple of partners, Goodman opened St. Croix Antiquarian Books in Stillwater, one of the Twin Cities region's most venerable bookshops until it closed in 2017. This store became so successful and inspired so many other booksellers to move to town that Richard Booth, founder of the “book town” movement in Hay-on-Wye in Wales, declared Stillwater the First Book Town in North America. The internet changed the book business forever, and Goodman details how, after 2000, the internet made stores like his obsolete. In the 1990s, the Twin Cities had nearly fifty secondhand bookshops; today, there are fewer than ten. As both a memoir and a history of booksellers and book scouts, criminals and collectors, *The Last Bookseller* offers an ultimately poignant account of the used and rare book business during its final Golden Age.

Confessions of a Book-Lover Maurice Egan,2018-06-28 To get the best out of books, I am convinced that you must begin to love these perennial friends very early in life. It is the only way to know all their curves, all those little shadows of expression and small lights. There is a glamour which you never see if you begin to read with a serious intention late in life, when questions of technique and grammar and mere words begin to seem too important. Then you have become too critical to feel through all Fenimore Cooper's verbiage the real lakes and woods, or the wild fervour of romance beneath dear Sir Walter's mat of words. You lose the unreclaimable flavour of books. A friend you may irretrievably lose when you lose a friend-if you are so deadly unfortunate as to lose a friend-for even the memories of him are embittered; but no great author can ever have done anything that will make the book you love less precious to you.

Kilo Ellis Parker Butler,2014-01 Eliph' Hewlitt, book agent, seated in his weather-beaten top buggy, drove his horse, Irontail, carefully along the rough Iowa hill road that leads from Jefferson to Clarence. The Horse, a rusty gray, tottered in a loose-jointed manner from side to side of the road, half asleep in the sun, and was indolent in every muscle of his body, except his tail, which thrashed violently at the flies. Eliph' Hewlitt drove with his hands held high, almost on a level with his sandy whiskers, for he was well acquainted with Irontail. The road seemed to pass through a region of large farms, offering few opportunities for selling books, the

houses being so far apart, but Eliph' knew the small settlement of Clarence was a few miles farther on, and he was carrying enlightenment to the benighted. He glowed with missionary zeal. In his eagerness he thoughtlessly slapped the reins on the back of Irontail.

Wonderwall Joe Massot,Tony Ashton,Aashish Khan,John Barham,Colin Manley,2000 When a timid but eccentric professor from the waterworks finds a spy hole in his living room, he becomes involved in a world of youth, colour and music. He observes through this vortex the lives & loves of a beautiful fashion model & her grovy photographer boyfriend. He enters a world of fantasy & sexual chemistry. No longer needing. His microscope he is drawn towards images that transform him. Wonderwall, the movie captured a moment in time. Swinging London was at full tilt, Psychedelia dominated pop culture and the beatles were at their peak. The film evokes that spirit in vivid colour and now wonderwall, the book tells the tale of those times in images and words. How George Harrison produced the sound track, how Jane Birkin, Jack Mac Gowran & Iain Quarrier became involved and how the vibrancy of dutch designers the fool helped give the film its unique look. Wonderwall records what inspired director Joe Massot to tell a story which is very much of its time and, most of all, it reveals the beauty of the images he was able to capture - images which still have resonance today

A Pound of Paper John Baxter,2005-04-01 In the rural Australia of the fifties where John Baxter grew up, reading books was disregarded with suspicion, owning and collecting them with utter incomprehension. Despite this, by the age of eleven Baxter had 'collected' his first book - The Poems of Rupert Brooke. He'd read the volume often, but now he had to own it. This was the beginning of what would become a major collection and a lifelong obsession. His book-hunting would take him all over the world, but his first real find was in London in 1978, when he spotted a rare copy of a Graham Greene children's book while browsing on a stall in Swiss Cottage. It was going for 5 pence. This would also, fortuitously, be the day when he first encountered one of the legends of the book-selling world: Martin Stone. At various times pothead, international fugitive from justice, and professional rock musician, he would become John's mentor and friend. In this brilliantly readable and funny book, John Baxter brings us into contact with such literary greats as Graham Greene, Kingsley Amis, J.G. Ballard and Ray Bradbury. But he also shows us how he penetrated the secret fraternity of 'runners' or book scouts - sleuths who use bluff and guile to hunt down their quarry - and joined them in scouring junk shops, markets, auction rooms and private homes for rarities. In the comic tradition of Clive James's Unreliable Memoirs, A Pound of Paper describes how a boy from the bush came to be living in a Paris penthouse with a library worth millions. It also explores the exploding market in first editions. What treasures are lying unnoticed in your garage?

Back Home Eugene Wood,2013-06-10 GENTLE READER: -Let me make you acquainted with my book, Back Home. (Your right hand, Book, your right hand. Pity's sakes! How many times have I got to tell you that? Chest up and forward, shoulders back and down, and turn your toes out more.) It is a little book, Gentle Reader, but please don't let that prejudice you against it. The General Public, I know, likes to feel heft in its hand when it buys a book, but I had hoped that you were a peg or two above the General Public. That mythical being goes on a reading spree about every so often, and it selects a book which will probably last out the craving, a book which it will be impossible to lay down, after it is once begun, until it is finished. (I quote from the standard book notice). A few hours later the following dialogue ensues: Henry! Yes, dear. Aren't you 'most done reading? Just as soon as I finish this chapter. A sigh and a long wait. Henry! Yes, dear. Did you lock the side-door? No answer. Henry! Did you? Did I what? Did you lock the side-door? In a minute now. Yes, but did you? M-hm. I guess so. 'Guess so!' Did you lock that side-door? They got in at Hilliard's night before last and stole a bag of clothes-pins.

Parnassus on Wheels Christopher Morley,Tbd,2020-03-13 Parnassus on Wheels is a 1917 novel written by Christopher Morley. The title refers to the Mount Parnassus of Greek mythology; it was the home of the Muses. Parnassus on Wheels is Morley's first novel, about a fictional traveling book-selling business. The original owner of the business, Roger Mifflin, sells it to 39-year-old Helen McGill, who is tired of taking care of her older brother, Andrew. Andrew is a former businessman turned farmer, turned author. As an author, he begins using the farm as his Muse rather than a livelihood. When Mifflin shows up with his traveling bookstore, Helen buys it--partly to prevent Andrew from buying it--and partly to treat herself to a long-overdue adventure of her own. The first of two novels to be written from a woman's perspective, as well as the prequel to a later novel (The Haunted Bookshop), Parnassus on Wheels was inspired by David Grayson's novel, The Friendly Road, and starts with an open letter to Grayson, taking him to task for not concerning himself (except in passing) with his sister's opinion of and reaction to his adventure.
