**The Backstory of Wallpaper** Robert M. Kelly, 2013  
Wallpaper design has captivated Western consumers for 300 years, but this book looks closer - at wallpaper use. It tells how single-sheet wallpaper developed in Europe, found wide acceptance in England and France, and was successfully transplanted to the North American colonies. By 1750, wallpaper was well-established and poised for phenomenal growth.

**The Complete Guide to Wallpapering** David M. Groff, 1999 Comprehensive and updated, covers preparing walls, hanging over existing wallpaper, removing wallpaper, using adhesives, applying borders, sealing seams, solving problems, and more. Over 300 color photos and illustrations.

The Yellow Wallpaper Charlotte Perkins Gilman, 2021-08-30 The Yellow Wallpaper Charlotte Perkins Gilman - The Yellow Wallpaper is regarded as an important early work of American feminist literature, illustrating attitudes in the nineteenth century toward women's physical and mental health. The story also has been classified as Gothic fiction and horror fiction. The story is written as a collection of first person journal entries written by a woman whose physician husband has confined her to the upstairs bedroom of a house that he has rented for the summer. She is forbidden from working, and has to hide her journal entries from him, so that she can recuperate from what he calls a temporary nervous depression-a slight hysterical tendency, a

diagnosis common to women in that period. Her husband controls her access to the rest of the house. In the end, she imagines that there are women creeping around behind the patterns of the wallpaper, and comes to believe that she is one of them. She locks herself in the room, now the only place where she feels safe, refusing to leave when the summer rental is up.

*(m)KdV Solitons on the Background of Quasi-Periodic Finite-Gap Solutions* Fritz Gesztesy, Roman Svirsky, 1995 Using commutation methods, the authors present a general formalism to construct Korteweg-de Vries (KdV) and modified Korteweg-de Vries (mKdV)  $N$ -soliton solutions relative to arbitrary (m)KdV background solutions. As an illustration of these techniques, the authors combine them with algebro-geometric methods and Hirota's  $\tau$ -function approach to systematically derive the (m)KdV  $N$ -soliton solutions on quasi-periodic finite-gap backgrounds.

Banks,2009-07-01 Sharrow was once the leader of a personality-attuned combat team in one of the sporadic little commercial wars in the civilization based around the planet Golter. Now she is hunted by the Huhsz, a religious cult which believes that she is the last obstacle before the faith's apotheosis, and her only hope of escape is to find the last of the apocalyptically powerful Lazy Guns before the Huhsz find her. Her journey through the exotic Golterian system is a destructive and savage odyssey into her past, and that of her family and of the system itself.

LARGE PRINT EDITION\* Easily readable font size - Unlike cheaper paperback alternatives, the text of this meticulous edition is an easily readable font size that's clearly laid out to industry standards.\* The Yellow Wallpaper is a fascinating portrayal of a woman's descent into psychosis through being confined 'for her own good' by her well-meaning husband to cure her of mild hysteria. It's a mesmerizing short story that draws the reader deep into the disturbed mind of the

narrator to the point of sharing her distorted view of the world. Despite being a prolific writer throughout her lifetime, it is this short story for which Charlotte Perkins Gilman is best known and the tale remains as vivid and immediate today as it was upon first publication over a century ago.
