*Rise Sister Rise* Rebecca Campbell, 2016-10-04  
Rise Sister Rise is a call to arms for our sacred feminine to rise up, tell the truth, and lead. From Rebecca Campbell, a writer, mystic, devotional creative, and visionary who supports hundreds of thousands of people to connect with their soul and weave the sacred back into their everyday life. It is for those who agreed at soul level to be here at this stage in history to lead this global shift that the mystics of all of the ages have predicted: the return of the mother and the rise of the feminine. Rebecca says: Rise for you, rise for me, when you rise first you rise for She. Many of us have spent much of our working lives "making it" in a man's world, leaning on patriarchal methods of survival in order to succeed, dulling down our intuition, and ignoring the fierce power of the feminine. We have ignored the cycles of the feminine in order to survive in a patriarchal linear system—but now the world has changed. Here Are Some of the Chapters in Rise, Sister Rise: Part I – Rebecca's Story · The Unbinding · The Wise Women · Work Baby · Shakti Rising · Returning to Avalon · Tools for Your Rising Part II – Birthing A New Age · We Were Made for These Times · Shakti Always Rises · The Holy Grail is Within You Part III – Remembering Our Cyclic Nature · You Are Spirit Earthed · You'll

Find Your True Nature in Nature · When Whispers Turn into Shouts Part IV – Unbinding the Wise, Wild Woman · The Suppression of the Female Voice · The Mystic Always Rises · Finding Mary · The Return of the Magdalenes Part V – Redefining Sisterhood · The Reunion · The Ones Who Came Before Us · When Women Circle · Your Constellation of Sisters · Calling in Your Sisters Part VI – Doing the Work · What Is Rising in You? · Rising Feminine Archetypes · New World Rising Birthed by You · Let the Universe Use You · Be a Clear Channel · A Prayer for Times of Remembering · It's Not Your Job to Save the World · Keep on Rising

"I'm a super-fan of Rebecca Campbell . . . Rebecca guides her reader to step into their authentic power so that they can live and lead at their highest potential." –Gabrielle Bernstein, New York Times bestselling author of *Miracles Now Rise*

*Sister Rise* is a transmission that calls the innate divine feminine wisdom to rise. It is about healing the insecurities, the fears, and the inherited patterns that stop people from trusting the Shakti (power) and wisdom (intuition) that effortlessly flows through them. It's about recognizing all of the ways we have been keeping ourselves contained and restrained in effort to dim to fit into a certain archetype. It's about co-creating a whole new archetype—someone who does not keep themselves small in order to make others feel more comfortable. Full of activations, spiritual tools, calls to action, contemplative questions, rituals, and confrontational exercises, this inspirational book teaches that it is safe to let Shakti rise, safe to trust your intuition, and

safe to take leaps of faith—because in healing ourselves we are healing the world. “You have an ancient wisdom within you that is waiting for you to remember, hear, and heed it. These Rise Sister Rise calls to action have been carefully designed to assist you in reclaiming your voice, unbinding your power, unlocking your wisdom, unleashing your true nature, and aligning yourselves with the sacred flow of all of Life.” Rise Sister Rise.

**Sahaja Yoga** Shri Mataji Nirmala Devi, 2018-04-15  
Shri Mataji writes that “India is a very ancient country and it has been blessed by many seers and saints who wrote treatises about reality and guidelines on how to achieve it.” This is just such a book. This book is both an introduction to Sahaja Yoga, describing the nature of the subtle reality within each of us, and a step-by-step handbook on how to be a good Sahaja Yogi, the nature of Sahaj culture, how to be a leader and how to raise children. “The knowledge of Sahaja Yoga cannot be described in a few sentences or one

small book, but one should understand that all this great work of creation and evolution is done by some great subtle organization, which is in the great divine form.”

Feeding Your Demons Tsultrim Allione,2009-02-11  
Struggling with depression, anxiety, illness, an eating disorder, a difficult relationship, fear, self-hatred, addiction or anger? Renowned Buddhist leader Tsultrim Allione explains that the harder we fight our demons, the stronger they become. Offering Eastern answers to Western needs, Tsultrim seamlessly weaves traditions from Tibet and the Western world to offer a new and unique answer to the problems that plague us: that rather than attempt to purge them, we need to reverse our approach and nurture our demons. This powerful five-step practice forms a strategy for transforming negative emotions, relationships, fears, illness and self-defeating patterns. This will help you cope with the inner enemies that undermine our best intentions.

*The Snow Leopard* Peter Matthiessen,2016-10-18  
Part of the Penguin Orange Collection, a limited-run series of twelve influential and beloved American classics in a bold series design offering a modern take on the iconic Penguin paperback

Winner of the 2016 AIGA + Design Observer 50 Books | 50 Covers competition For the seventieth anniversary of Penguin Classics, the Penguin Orange Collection celebrates the heritage of Penguin's iconic book design with twelve influential American literary classics representing the breadth and diversity of the Penguin Classics library. These collectible editions are dressed in the iconic orange and white tri-band cover design, first created in 1935, while french flaps, high-quality paper, and striking cover illustrations provide the cutting-edge design treatment that is the signature of Penguin Classics Deluxe Editions today. The Snow Leopard In 1973, Peter Matthiessen and field biologist George Schaller traveled high into the remote mountains of Nepal to study the Himalayan blue sheep and possibly glimpse the rare and beautiful snow leopard. Matthiessen, a student of Zen Buddhism, was also on a spiritual quest to find the Lama of Shey at the ancient shrine on Crystal Mountain. The result is a remarkable account of a journey both physical and spiritual, as the arduous climb yields to Matthiessen a deepening Buddhist understanding of reality, suffering, impermanence, and beauty.

In this revised and expanded edition, Tsultrim Allione's extensive autobiographical preface and introduction speak directly to the difficulties and triumphs of women in the West who pursue a spiritual life, as she shares her own stories and experiences. *Women of Wisdom* offers valuable insights to all those interested in women's spirituality, regardless of background or tradition.

**The Thugs Or Phansigars of India** William Henry Sleeman, 2017-07-18  
Excerpt from *The Thugs or Phansigars of India: Comprising a History of the Rise and Progress of That Extraordinary Fraternity of Assassin's* From this repository of undigested materials, the compiler of the volume now offered

to the public, has endeavoured to form a clear and succinct account of the Thugs, their peculiar superstitions, their methods of proceeding in robbing and murdering travellers, and the operations of the British government in India for the extirpation of this singular and unparalleled system of assassination and plunder. To this he has added an Appendix, containing the vocabulary of their language, the disclosures made to Captain Sleeman by Thug informers, and a specimen of the trials of some of the criminals; which serves to exhibit the careful and impartial system pursued by the British authorities in bringing these atrocious criminals to justice. **Biography of the Tripitaka Master of the Great Ci'en Monastery of the Great Tang Dynasty, A 玄奘, 1995-08 The Tripitaka Master Xuanzang (A.D. 600-64), whose deeds and career as a Buddhist monk are described in this biography, was a prominent figure not only in the history of Buddhist**

learning but also in other fields of culture. He played a role in the establishment of friendly contacts between China and the countries through which he traveled in search of more knowledge of Buddhism and incidentally but not insignificantly provided posterity with data of historical value in his detailed records about regions in central Asia and particularly in ancient India. He is thus respected not only by the Buddhists and people of China but also by the peoples of other eastern Asian countries who have benefited from the Buddhist lore that he acquired through many hardships and perils during his seventeen-year journey, from 629 to 645, in foreign lands. Because of his translation of Buddhist text into Chinese, Xuanzang was an epoch-making figure in the history of Buddhism in China. Huili, the author of this biography, was born in 614 and became a monk at the age of fifteen. Out of his admiration for the Venerable Xuanzang, he wrote this biography about how the Master went to India to seek Buddhist texts and translate them into Chinese. The biography relates events up to the Master's arrival in the capital at the conclusion of his return journey from India and was compiled and edited by the monk Yancong, who added five fascicles to the original to relate the Master's activities after his return to China up to his death. He thus produced a more complete biography of the Venerable Tripitaka Master Xuanzang, which is presented here in the English version.
