Intelligent Transport Systems for Everyone's Mobility Tsunenori Mine,Akira Fukuda,Shigemi Ishida,2019-07-17 This book presents the latest, most interesting research efforts regarding Intelligent Transport System (ITS) technologies, from theory to practice. The book's main theme is "Mobility for everyone by ITS"; accordingly, it gathers a range of contributions on human-centered factors in the use or development of ITS technologies, infrastructures, and applications. Each of these contributions proposes a novel method for ITS and discusses the method on the basis of case studies conducted in the Asia-Pacific region. The book are roughly divided into four general categories: 1) Safe and Secure Society, 2) ITS-Based Smart Mobility, 3) Next-Generation Mobility, and 4) Infrastructure Technologies for Practical ITS. In these categories, several key topics are touched on with each other such as driver assistance and behavior analysis, traffic accident and congestion management, vehicle flow management at large events, automated or self-driving vehicles, V2X technologies, next-generation public transportation systems, and intelligent transportation systems made possible by big data analysis. In addition, important current and future ITS-related problems are discussed, taking into account many case studies that have been conducted in this regard.

Proceedings of the 2023 3rd International Conference on Enterprise Management and Economic Development (ICEMED 2023) Gaikar Vilas,Jing Gao,Xi Chen,2023-09-23 This is an open access book. 2023 3rd International Conference on Enterprise Management and Economic Development (ICEMED2023) will be held in Xi'an, China on May 12-14, 2023. Enterprise management is the general term for a series of functions such as organizing, planning, commanding, supervising and regulating the production and operation activities of enterprises. Relative to economic growth, economic development is the core concept of development economics. Economic development refers to the high-quality development of the economy, including quality and quantity, rather than merely the growth of quantity. Enterprise management covers economics, management, business management, financial management, human resource management and other aspects, and is a comprehensive interdisciplinary science that spans natural science, engineering science, technical science and humanities and social science. Enterprise management comes into being with the development of modern socialized mass production. The use of modern management means and methods to manage enterprises, ensure the survival and development of enterprises, and play a positive role in promoting economic development. ICEMED2023 will bring together experts and scholars from relevant fields to discuss the relationship between enterprise management and economic development. Reasonable enterprise management is an important way to promote the economic development of enterprises. Scientific and reasonable use of industrial and commercial enterprise management knowledge can reasonably carry out effective macro-control on the enterprise economy and ensure the stable progress and development of the enterprise economy.

Pocket Rough Guide Hong Kong & Macau Rough Guides,2012-04-12 Pocket Guide to Hong Kong and Macau celebrates the sheer energy of these two former European colonies, sitting just 60km apart on the south China coast. It includes the lowdown on the incredible shopping opportunities and cutting-edge architecture of Hong Kong's downtown and its parks and harbourside cityscapes, all existing alongside more traditional temples and street markets. Further afield are the under-appreciated beaches, rural landscapes, and old walled villages of the New Territories, easy to reach in even a short visit, but often overlooked. Across the Pearl River and close enough for day trips, Macau's eighteenth-century churches and lanes incongruously rub shoulders with ludicrously ostentatious casinos. This full-colour guide features inspirational photography and detailed, reliable maps that show you the best of the city. There are up-to-the-minute reviews of the region's incredible dining and entertainment opportunities, too, from indigenous Macanese cuisine and the best places to greet the day with a traditional dim sum breakfast, to Lan Kwai Fong's bars and old colonial hotels where you can have afternoon tea. Pocket Rough Guide Hong Kong and Macau is the perfect companion for a city break.
