The second prince is destined to be the scholar, the genius, the adviser, the manager of the kingdom, the essential cog that keeps the clock turning. The third prince is destined to be the hero, the fighter, the soldier, destined to conquer lands and fight off evil whilst keeping his morals and honour. But what about the fourth prince? He does not have any titles or stories but does he have a tale to tell too? When Fin finds out some shocking news from his father, a set of events occur that change everything for the young prince and his friends.

You have the power to protect yourself and others! What does it mean to be safe? Does it mean beating a throw to home plate? Does it mean never taking risks? No! Being safe is about feeling secure, feeling protected and being responsive--no matter the environment or situation. You can be safe in so many simple ways. From being aware of your limits to creating healthy boundaries. By not giving in to peer pressure and by standing up to bullies. And by being safe on the Internet, or knowing the right time to get a caring adult's help. This revised and updated addition to the award-winning *What Does It Mean to Be...?* series is the perfect book to spark meaningful dialogue and ensure every child knows what it means to be safe.
