Rick Porrello

Mob Psychology Warren Murphy, Richard Sapir, 2023-09-01 Remo Williams, and his pal Chiun play the Mafia in a deadly computer game – and it's not Pac-Man! The Boston Mafia has entered the computer age and CURE must infiltrate to stop them. Employees are disappearing, software is hijacked, and Remo needs to leave no trace as he works undercover. Criminal Conversation Ed McBain, 2016-10-25 An assistant district attorney launches a one-man crusade against the Mafia in this legal thriller from the bestselling author of the 87th Precinct series. The call comes from Narcotics, Manhattan South. A low-level drug dealer just got caught in a buy-bust, and he's ready to spill his guts. It wouldn't be a priority—especially not four days before Christmas—but the thug just mentioned the Mafia, and that means all hands on deck. It's just what Michael Welles has been waiting for. An assistant district attorney with a burning hatred of organized crime, he'll do anything for a crack at the mob. He's about to get a chance to bring down the whole clan—but his loved ones' lives are at stake. The dealer they arrested is an unlucky gambler whose debts put him smack in the middle of two of New York's most powerful crime families. Following the man's lead, Michael sets up a massive eavesdropping operation intended to trap the ruthless new leader of the local mob—but what he hears on the other end of the wiretap will make him doubt everything he knows about his family, his wife, and himself. From the legendary Ed McBain, who “virtually invented the American police procedural with his gritty 87th Precinct series,” *Criminal Conversation* is as realistic as it gets (The New York Times).

Narratives on Prison Governmentality Marco Niente, 2023-09-01 *Narratives on Prison Governmentality* explores prison governmentality through the analysis of letters of prisoners. The collection of testimonies represents the opportunities and difficulties of resisting in a place of power, which, in recent years, has become more sophisticated and effective. In recent years there has been a progressive individualisation of the prison population and a continuous erosion of solidarity. The condition of prisoners is influenced by renewed governmental logic that has become more effective for management and even reproduced by the prisoners themselves. Italian prison governmentality has been presented in its softest and hardest discursive forms and material regimes as part of a whole differentiated repertoire. Through the narratives of prison letters, the book shows the sophistication of these carceral logics from the perspective of prisoners engaged in the struggle. Engaging theories of carceral geography and critical criminology, the book focuses on space and time as the dimensions from which to observe power relations and governmentality. *Narratives on Prison Governmentality* will be of great interest to students and scholars of Penology, Narrative Criminology, Carceral Geography, and Critical Criminology.

From the Mob to the Movies Richie Salerno, 2020-09-08 The veteran character actor recounts the epic adventure of his life from the NYC mob and prison life to making movies with Hollywood legends. You might know him as the character Tony Darvo in the movie *Midnight Run*, but before he played tough guys in the movies, Richie Salerno was born into the real-world Brooklyn Mafia. Some of New York's most notorious gangsters were his uncles, aunts, cousins, and family friends. For a time, it looked like he was heading for a life in the family business. During a stint in prison for theft, Richie managed to turn his life around. Using the tailoring skills he learned from his father and butchering abilities he picked up from his father-in-law, he ingratiated himself with the warden and guards, and survived his 120 month sentence without a scratch. After his release, he scored an audition for the Sidney Lumet film *Serpico* starring Al Pacino. That audition turned into a long career as a character actor in major Hollywood films. In *From the Mob to the Movies*, Richie recounts his

journey from the mean streets of Brooklyn and as a child of the mob to the silver screen.

Orange Alert Don Pendleton, 2014-01-15 **FURY SPIRAL** The prolonged conflict between the Irish Republican Army and the Protestant Nationals is escalating beyond Ireland's borders. Now America is being lured into the cross fire through a deeply rooted conspiracy designed to force the U.S. government to take its war on terror to the Emerald Isle. Mack Bolan's mission begins with information retrieval. He must find out who is using terrorist threats to force U.S. intervention in Northern Ireland. Evidence piles high against the Protestant Orange Order, which wants the world to endorse the existence of two Irelands. But when the Executioner uncovers a plot to launch a dirty bomb on American soil, the true threat—and the real face of the deadly enemy—comes under his lethal and personal attack.

The Mafia's Consigliere Juan Manuel Sánchez, 2023-01-29 The luxurious lifestyle of a Los Angeles lawyer and his family is about to be turned upside down by one of the most powerful mafia families in New York City. Warrent, a corrupt, philandering New York senator, is playing dirty games with Hollywood lawyer, Breska. At stake is millions of dollars for a movie licensing deal. During negotiations, the lawyer is paid an unexpected visit from the mob. Breska is intimidated into swearing an oath of omertà — the mafia code of silence — and he unwillingly becomes the New York family's consigliere. Fearing for his life, Warrent escapes to a Spanish island where a volcano is about to explode. The FBI and DEA are fast on the track of the criminal conspiracy and have well-founded suspicions about the connections with Mexican and Colombian narcos, which causes the mob to lose trust in their new consigliere. Returning from a trip to one of the tax havens where the mafia hides its money, Breska decides to go against the tide and breach the code of silence, trapped between the two government agencies, who hope to gather enough evidence to gain a conviction against the mob by a popular jury. It is the first time in Mafia culture that their consigliere wishes to breach the omertà.

Sicily on Screen Giovanna Summerfield,2020-03-17 With its physical beauty and kaleidoscopic cultural background, Sicily has long been a source of inspiration for filmmakers. Twelve new essays by international scholars--and additional writings from directors Roberta Torre, Giovanna Taviani, and Costanza Quatriglio--seek to offset the near-absence of scholarship focusing on the relationship between the Mediterranean island and cinema. Touching on class relations, immigration, gender and poverty, the essays examine how Sicily is depicted in fiction, satire and documentaries. Situated between North and South, East and West, innovation and tradition, authenticity and displacement, Sicily acts as a microcosm of the world, a place to explore numerous narratives and develop intercultural dialogue. It is also the center of cinematographic discussions and events such as the Taormina Film Festival and the SalinaDocFest. The volume presents Sicily almost as a character and creator in its own right.

Confessions Of A Dying Thief Sam Goodman,Darrell J. Steffensmeier,Jeffery T. Ulmer,2005 **Recipient of the American Society of Criminology's 2006 Michael J. Hindelang Award for a book, published within the past three calendar years, that makes the most outstanding contribution to research in criminology. **Nominated for the 2007 Outstanding Book award of the Academy of Criminal Justice Sciences. Sam Goodman, was a long-time thief, fence, and quasi-legitimate businessman. He had a criminal career that spanned fifty years, beginning in his mid-teens and ending with his death when he was in his mid-sixties. *Confessions of a Dying Thief* is an in-depth ethnographic study of Sam and his world based on continuous contact with him for many years, on multiple interviews with his

network of associates in crime and business, and on a series of interviews with him shortly before he died. The book updates and greatly expands the case study of Sam Goodman's fencing activity found in Steffensmeier's award-winning 1986 book *The Fence: In the Shadow of Two Worlds*. The book combines Sam's colorful narrative accounts with substantive commentary by the authors to provide a more nuanced portrayal of criminal careers, illegal enterprise, and the broad landscape comprising the entity called crime. To more fully understand pathways into and out of crime as well as the social organization of illegal enterprise, the authors propose an integrative learning-opportunity-commitment framework that combines differential association/social learning theory and an extended conceptualization of criminal opportunity with a three-fold theory of commitment to crime. This framework offers an integrated and more complete way of understanding mechanisms that underlie criminal offending and criminal careers. It also recognizes the complexity and scope of the criminal landscape and its embeddedness in the fabric of the larger society, including its criminal justice system. Sam's illness and death are a sobering backdrop throughout the whole book. However, *Confessions* is not just a dying thief's intimate confessions. Rather, it is a rare and penetrating journey into the dynamics of criminal careers and the social organization of criminal enterprise, as experienced by a veteran thief and fence and his network of key associates.

Bringing Down the Mob Thomas Reppetto, 2006-10-31 The riveting, often bloody account of how the fifty-year attack by the federal government virtually extinguished the nation's most powerful crime syndicate In the critically acclaimed *American Mafia*, Thomas Reppetto narrated the ferocious ascendancy of organized crime in America. In this fascinating sequel, he follows the mob from its peak into a shadowy period of decline as the government, no longer able to deny its existence, made subduing the Mafia a matter of national priority. Reppetto draws on a lifetime of field experience to tell the stories of the Mafia's twentieth-century leadership, showing how men such as Sam Giancana and John Gotti became household names. Crusaders like Robert Kennedy led concerted—if sometimes sporadic—attacks against organized crime. As the battles between the feds and the Mafia moved from the streets to the courtrooms, Reppetto describes how it came to resemble a conflict between sovereign powers. In direct, shoot-from-the-hip prose, Reppetto chronicles a turning point in American Mafia history, and offers the provocative theory that, given the right formula of connections and shrewd business, a new generation of multinational criminals may be poised to take up the Mafia's mantle.
