He learned early on the Mafia was on the decline and adapted his criminal tactics to accomplish mind blowing illegal profits in ventures the Mafia never dreamed of. The Money Mafia Paul T. Hellyer,2014-10-01 Exposing perceived fault lines in our banking and financial systems and explaining how unemployment could be cut in half in two years and worldwide prosperity restored, this book argues the existence of exotic energy sources to replace fossil fuels and consequently recommends an immediate end to fracking and offshore drilling for oil. It further urges an immediate worldwide mobilization to replace the energy source in every car, truck, tractor, ship, airplane, and house on Earth in seven years in a desperate effort to save the planet from further overheating. The book blasts government secrecy, and more than 65 years of supposed lies and disinformation, and demands full disclosure of what they know about visitors from other realms and their technology and the extent of their collaboration, including any treaties that may have been signed by them. With more than 65 years of participation in and observation of political and economic systems—beginning with the Great Depression, extending through World War II, the postwar era of hope for a better life, the Cold War, the

subjugation of democracy by oligarchy, and the subtle but continuous militarization of America—Paul T. Hellyer analyzes what he believes has gone wrong with the world and its economy and suggests radical measures to introduce a universal culture of peace and cooperation.

The Money the Mob and Wall Street Harry Brooks, 2015-01-31
Wall Street today is focused laser-like on producing fast, huge profits principally for the benefit of financial firms' top executives. The Money, the Mob and Wall Street is the story of Wade Simon, a standout basketball player from UNLV, who, after graduating from college, goes to work on Wall Street and eventually becomes the CEO of a Wall Street brokerage firm. There he is introduced to the world of fast-talking scam artists and white-collar criminals. The story takes you into the canyons of lower Manhattan and the backroom financial chop shops, where you will meet members of organized crime and their associates. You will see firsthand how the mob owns or controls brokerage firms on Wall Street through front men. You will meet Angelo Santino—an old-world Mafia don, who, after retiring from a life of street crime, became attracted to the easy money of Wall Street—and his partner, Albert Kline—a Wall Street executive whose only goal in life was to make money, without regard for the people he had to cheat to accomplish that. The author has taken a serious subject and added his own sense of humor. The Money, the Mob and Wall Street allows you to see the dark side of the financial industry while taking you on a sometimes funny but adrenaline-filled ride through a neighborhood few of us ever get to see: Wall Street.

Gotti's Rules George Anastasia,2015-01-27 From the New York Times bestselling author of *Blood and Honor* and *The Last Gangster*—“one of the most respected crime reporters in the country” (60 Minutes)—comes the sure to be headline-making inside story of the Gotti and Gambino families, told from the unique viewpoint of notorious mob hit-man John Alite, a close associate of Junior Gotti who later testified against him. In *Gotti's Rules*, George Anastasia, a prize-winning reporter who spent over thirty years covering crime, offers a shocking and very rare glimpse into the Gotti family, witnessed up-close from former family insider John Alite, John Gotti Jr.'s longtime friend and protector. Until now, no one has given up the kind of personal details about the Gottis—including the legendary “Gotti Rules” of leadership—that Anastasia exposes here. Drawing on extensive FBI files and other documentation, his own knowledge, and exclusive interviews with insiders and experts, including mob-enforcer-turned-government-witness Alite, Anastasia pokes holes in the Gotti legend, demystifying this notorious family and its lucrative and often deadly machinations. Gotti to the top of the Gambino crime family and the treachery and deceit that allowed John A. “Junior” Gotti to follow in his father's footsteps. Told from street level and through the eyes of a wiseguy who saw it all firsthand, the result is a riveting look at a family whose hubris, violence, passion, and greed fueled a bloody rise and devastating fall that is still reverberating through the American underworld today. *Gotti's Rules* includes 8 pages of black-and-white photographs.
