Bomb in His Bed, the Confessions of Jewish Gangster Myer Rush Bruce Farrell Rosen,2015-08-28 Overview of Bombed in His Bed: The Confessions of Jewish Gangster Myer Rush It is truly one of the most powerful stories being produced during this time or any time: it is a sweeping epic, taking in the depression, the immigrant experience, the origins of the mobster world--many of the colorful characters of the period herein--describing a man that wanted to use whatever talents he had to never be poor. It has elements of Dickens, Damon Runyon, Dashell Hammett, and is reminiscent a little of Bonnie And Clyde, The Sting, The Godfather, Goodfellas, and even has elements of Tom Sawyer or Huckleberry Finn, as Myer meets the lad from Hattiesberg Mississippi, Rusty Stokes. It covers the War time period, the 50's when the world was just starting to accelerate after the War Years, then the Go Go 60's, when Myer came of age and created enormous wealth and suffered the depths of total destruction. Then on to the 70's where he sat in prison wrongfully accused, until he meets his earnest journalist nephew, and they both discover a great deal about themselves during this talk, which begins with Bruce a bit in awe of his uncle and matures into a probing, searching, exploration into the man that is his uncle--a man he did not fear, but whose name created so much fear. The story becomes incredibly wise as it evolves, such that the reviewer of the book is correct when she says that there are "themes of crime and redemption in the life of this complicated gangster". Bombed in His Bed: The Confessions of Jewish Gangster Myer Rush. This amazing life story which had been sought after for years by journalists from around the world, but which gangster Myer Rush exclusively shared with his nephew has intrigued and captivated high profile entertainment industry professionals. The man who died twice, Toronto Jewish gangster Myer Rush miraculously survived a bomb thought to have been planted by the mafia so that he couldn't testify about a \$100 million dollar stock fraud that many considered to be the crime of the century. Dying twice en-route to the hospital, revived both times by a young paramedic, Rush was pronounced dead as a special report on Canadian national TV and radio. These reports were corrected shortly thereafter, saying that he was clinging to life with a 20% chance for survival. He lived to tell his tales to his nephew writer. Rosen's book reads like a blast of adrenalin: every episode like an exploding meteorite. If you read one chapter, you're hooked. You can't put it down! This quote is courtesy of J. Tony Serra, a trial lawyer immortalized in the movie True Believer starring James Woods and Robert Downey, Jr. As Rush acquired great wealth and notoriety, the story recounts a life that would take him to all the corners of the globe including Canada, the U.S., Paris, Karachi, Havana, Antwerp, Amsterdam, Israel, Panama, and the cities where he was incarcerated, London, Atlanta, Miami, and Kingston, Ontario. Amazing and intimate recollections include the time Rush, several months before the bombing, was beaten in his home by suspected Mafia thugs wielding baseball bats, trying to silence him from divulging incriminating information. Asked to pick a suspect from a line-up, he enters the room and makes a positive identification by busting the man's jaw and walking away. He ran guns into Palestine from Toronto after a personal request from a Rabbi who heard he was the toughest and most reliable Jewish boy in town. And, he was a cat burglar for over 20 years, tutored to make Master Keys in hotels across North America, thus enabling him to enter virtually any hotel room desired, stealing wallets and jewels while people slept just a step or two away. Myer Rush scaled the heights of wealth and success, but also suffered the depths of loss and despair. His story is even more intimate, because it was given to the gangster's award winning writer/nephew at the behest of his mother Alma Rush Rosen. This is a sensational story, all the more so because it is true. It is bigger than life, except that it isn't, because Myer Rush lived life on this amazing scale. It is a story of endurance, survival, power, greed, romance, betrayal, privation, wealth and poverty, love, heroism and deceit, tragedy and glory. It is incredible how much this man endured, yet kept on going. The following quote from Foreword Magazine says it well: ... It's certainly likely that readers will walk away impressed by the enormity and magnitude of adventure contained in a single life.

Global Organized Crime Mitchel P. Roth, 2017-01-20 In the maelstrom of globalization and cyberspace, organized crime continues to defy definition. A diverse array of activities is perpetuated by criminal organizations, criminal groups and associations, and gangs, and it is clear that one specific label is no longer adequate. This book offers a uniquely global approach to organized crime and the multitude of forces that shape it in the 21st century. As well as discussing definitions of and the historical roots of organized crime, this book examines various forms of organized crime around the world in the US, Mexico, Latin America and the Caribbean, Russia and Europe, Asia and Africa. This revised and updated new edition includes coverage of: the rise of the 'Ndrangheta in Italy and their global expansion; the impact of drug legalization on organized crime and the problem of methamphetamine; organ trading, money laundering, and animal poaching; changes in gang traditions and gangland penitentiaries; the decentralization of Mexican cartels, the growth of opium production in Myanmar, and the drug war in Africa; and the advancement of ISIS and the emergence of the Silk Road and the Dark Net. This book is essential reading for students engaged in the study of global and transnational organized crime, with features including chapter overviews, key terms, critical thinking questions, and case studies.

Double Rush Michael F. Rizzo, 2018-02-11 The Buffalo Mafia is a well-known myth that permeates the gray city streets. Talk of its presence and actions have been discouraged or scoffed at for years. Yet for Rex Carlton, that myth is going to become very, very real. As the lead bike courier for Zippee Messengers, Rex rides these city streets every day, delivering important correspondence while dodging both pedestrians and cars. When he accidentally slams into a stranger, Rex is unaware that he has crossed paths with an influential mobster, or that his life is suddenly on the line. A chance encounter and a dropped bag throw him down a rabbit hole of danger, intrigue and Mafia connections that could rock the entire city to the ground. Includes discussion guide.

Mob Rules Louis Ferrante, 2011-06-02 The Mob is notorious for its cruel and immoral practices, but its most successful members have always been extremely smart businessmen. Now, former mobster Louis Ferrante reveals its surprisingly effective management techniques and explains how to apply them-legally-to any legitimate business. As an associate of the Gambino family, Ferrante relied on his instincts to pull off some of the biggest heists in U.S. history. By the age of twenty-one, he had netted millions of dollars for his employers. His natural talent for management led Mafia bosses to rely on him. After being arrested and serving an eight-and-a-half-year prison sentence, Ferrante went straight. He realized that the Mob's most valuable business lessons would allow him to survive and thrive in the real world. Now he offers eighty-eight time-tested Mafia strategies, including: * Go get your own coffee!: Respecting the chain of command without being a sucker. * The walls have ears: Never bad-mouth the boss. * Is this phone tapped?: Watch what you say every day. * How to bury the hatchet-but not in someone's head. * Don't split yourself in half: The wrong decision is better than none at all. * Don't build Yankee stadium, just supply the concrete: Spotting new rackets. * Leave the gun, take the cannolis...and beware of hubris. Ferrante brings his real-life experiences to the book, offering fascinating advice that really works and sharing behind-the-scenes episodes almost as outrageous as those occurring on Wall Street every day.

Marvel Studios Character Encyclopedia Updated Edition Kelly Knox, Adam Bray, 2024-04-23 Who's your favorite character from the Marvel Cinematic Universe? CMJ New Music Report ,1999-02-15 CMJ New Music Report is the primary source for exclusive charts of non-commercial and college radio airplay and independent and trend-forward retail sales. CMJ's trade publication, compiles playlists for college and non-commercial stations; often a prelude to larger success.

Campaign America '96 William O'Rourke,2000 This revised volume reveals how the presidential campaign worked during the build-up to the last US election. Looking forward to campaign 2000, the books looks at characters such as Colin Powell and Ross Perot, and features a new chapter titled From Monica to Milosevic, 1998-1999.

The Mexican Mafia Tony Rafael,2007-07-09 It has been called the most dangerous gang in American history. In Los Angeles alone it is responsible for over 100 homicides per year. Although it has fewer than 300 members, it controls a 40,000-strong street army that is eager to advance its agenda. It waves the flag of the Black Hand and its business is murder. Although known on the streets for over fifty years, the Mexican Mafia has flown under the radar of public awareness and has flourished beneath a deep cover of secrecy. Members are forbidden even to acknowledge its existence. For the first time in its history, the Mexican Mafia is now getting the attention it has been striving to avoid. In this briskly written and thoroughly researched book, Tony Rafael looks at the birth and the blood-soaked growth of this criminal enterprise through the eyes of the victims, the dropouts, the cops and DAs on the front lines of the war against the Mexican Mafia. The first book ever published on the subject, Southern Soldiers is a pioneering work that unveils the operations of this California prison gang and describes how it grew from a small clique of inmates into a transnational criminal organization. As the first prison gang ever to project its power beyond prison walls, the Mexican Mafia controls virtually every Hispanic neighborhood in Southern California and is rapidly expanding its influence into the entire Southwest, across the East Coast, and even into Canada. Riding a wave of unchecked immigration and seemingly beyond the reach of law enforcement, the Mexican Mafia is poised to become the Cosa Nostra of twenty-first-century America.

Hollywood Godfather Gianni Russo,Patrick Picciarelli,2019-03-12 Hollywood Godfather is Gianni Russo's over-the-top memoir of a real-life mobster-turned-actor who helped make The Godfather a reality, and his story of life on the edge between danger and glamour. Gianni Russo was a handsome 25-year-old mobster with no acting experience when he walked onto the set of The Godfather and entered Hollywood history. He played Carlo Rizzi, the husband of Connie Corleone, who set her brother Sonny—played by James Caan—up for a hit. Russo didn't have to act—he knew the mob inside and out: from his childhood in Little Italy, where Mafia legend Frank Costello took him under his wing, to acting as a messenger for New Orleans mob boss Carlos Marcello during the Kennedy assassination, to having to go on the lam after shooting and killing a member of the Colombian drug cartel in his Vegas club. Along the way, Russo befriended Frank Sinatra, who became his son's godfather, and Marlon Brando, who mentored his career as an actor after trying to get Francis Ford Coppola to fire him from The Godfather. Russo had passionate affairs with Marilyn Monroe, Liza Minelli, and scores of other celebrities. He went on to become a producer and starred in The Godfather: Parts I and II, Seabiscuit, Any Given Sunday and Rush Hour 2, among many other films. Hollywood Godfather is a no-holds-barred account of a life filled with violence, glamour, sex—and fun.

MAFIA'S ANGEL Bunnykoo, This is book 1 of MAFIA'S ANGEL. I hate you !! Angelina cried out while beating his chest with her hands. Danzel just smirked at her little attempt. He lowered himself until he could feel the fear from her breaths and said, Oh my Love, you can hate as much as you want, It doesn't affect me either way!! But one thing you get straight into that brain of yours is that there is no escape from me. I am your biggest nightmare! . Angelina's eyes widened in fear. But little did she know that she was just waking up the dead feelings in his heart.....

Mafia's Hidden Legacy Lily Clarke, Dive into the heart of darkness and desire with Mafia's Hidden Legacy, a thrilling tale where love collides with the unforgiving world of the mafia. In the shadows of the Texas Cosa Nostra, a forbidden romance brews, threatening to unravel the very fabric of a powerful crime dynasty. Luca Santoro, a prince of the underworld, revels in his rebellious life far from the mafia throne. Yet, beneath his cynical exterior lies a tormented soul, haunted by an insatiable longing for the one woman he can never have—his brother's fiancée. Luca's world is one of danger, power, and shadowy intrigue, but his heart beats for Paola Damiano, a woman promised to another but destined for him. Raised to be the embodiment of perfection, Paola finds herself trapped in a nightmarish fate, engaged to a man she despises. In a desperate bid for freedom, she entangles herself with Luca, setting off a chain of events that could doom them both. Their illicit affair is a dangerous game, one that becomes even more perilous when a pregnancy threatens to expose their secret to the world. As Paola flees to protect her unborn child, questions loom large—how long can she hide from a past that seeks to claim her? And what will Luca, a man enmeshed in his family's criminal empire, do to protect the woman he loves and the child he never knew he had? Mafia's Hidden Legacy is a story of forbidden love, family loyalty, and the quest for freedom. With every page, readers will be drawn deeper into a world where love battles against the binds of legacy, and where every choice comes with a price. Perfect for fans of suspenseful romance and those fascinated by the intricate dynamics of mafia life, this book promises to be a journey of passion, betrayal, and redemption. Don't miss out on this gripping tale of love, danger, and legacy. Mafia's Hidden Legacy is your next must-read obsession, perfect for readers seeking a blend of romance and suspense with a mafia twist. Discover the legacy that will change everything.

The Mammoth Book of the Mafia Nigel Cawthorne, 2009-06-25 30 inside stories of the American Mafia, Sicilian Cosa Nostra, Camorra and 'Ndrangheta Images of life in the Mob pervade our film and TV screens, some glamorous, some horrific - what is the reality? Investigative journalist Roger Wilkes has put together the largest ever collection of insider stories from prominent ex-mafiosi, infiltrators and award-winning writers. It contains tell-all accounts by the likes of: Richard 'The Iceman' Kuklinski, the contract killer who claimed to have murdered over 200 people in a career lasting 43 years. Frankie Saggio, who 'freelanced' for all five of New York's Mafia families, narrowly escaping assassination before being busted for a major scam. Joey Black, the Hitman, chillingly professional murderer of 38 victims and regarded by many as the 'original Soprano'. Albert DeMeo, the son of a gangster, who later became a lawyer. 'Donnie Brasco', real name Joseph Pistone, the FBI agent, who worked undercover in the Bonanno and Colombo crime families in New York for six years. Tommaso Buscetta, the Sicilian mafioso, the first pentito, or informant, of real significance to break omertà. The two judges with whom he worked, Giovanni Falcone and Paolo Borsellino, were both later killed by the Mafia. This is the reality of the world of men you wouldn't want to cross.

Bandits, Gangsters and the Mafia Martin McCauley, 2014-06-06 During the 1990s, the roving bandits, big business or the oligarchs, stole Russia. They gained influence over President Yeltsin and his government, and gradually shaped policy in their own interests. In this first comprehensive account to explain why Russia took the course it did, Martin McCauley examines the period through the prism of government, including Yeltsin's shadow government, and looks at the military, police, security and intelligence services. Relations between Moscow and the regions, industry, agriculture, social policy and foreign policy are also explored.

The Mafia's Black Opal Tiffany Ransier, James Ransier, 2019-09-21 Valerio Marchioni Six years ago, I got the job I never wanted—being the head of the Italian Mafia. There's no room to take my position lightly. I do whatever is required of me, according to the rules passed down from my father, including marrying someone I'm not in love with. I hold respect for her as the mother of my children and a former member of another Italian family. It only takes one night for us to be split apart forever. One vulnerable moment when I leave for a business trip gives someone the chance to attack my family. Now my pregnant wife is gone without a trace to be found. I will find who's responsible and make sure their blood runs through the streets of

New York City. First, I have to send all the women I find in the process, home. Except for her, the woman with nowhere to go. Her It only takes one night for me to be taken. I should've been safer than anyone. Yet I end up on the circuit, bounced around from place to place. It's only on the day I decide to escape that I'm rescued by him, Valerio Marchioni. A man I should hate with every fiber in me. But then I get to know him. I see him for who he really is. And by then, it's too late. I can never leave, not even if I wanted to. If he discovers who I really am, I'll be dead before the men who took his wife.

Rushing to Die Lindsay Emory,2015-12-29 "We'll be sisters 'til we die..." In the second installment of Lindsay Emory's Sorority Sisters Mystery series, chapter advisor Margot Blythe must expose a sorority row assassin ... before she becomes the killer's next target. Three months into her tenure as the Sutton College Delta Beta chapter advisor, Margot Blythe has the sorority in tip-top shape, just in time for sorority rush. Snapping and stomping in perfect synchronization, everyone is hopeful that after this rush, Delta Beta's reputation as "the murder house" will be forgotten. Until a body is found in the Delta Beta backyard. Again. The woman is found wearing a Delta Beta shirt, which is troublesome enough; even more distressing, no one in the chapter recognizes her. Unwilling to let a minor inconvenience like potential murder spoil the social calendar, Margot gladly hands off the investigation to local police cutie Ty Hatfield, while the Delta Beta girls throw themselves into rush preparations. But when another body is found, with the terrifying possibility of more to come, Margot does the only thing a responsible advisor can do and demands that rush be canceled, making enemies in every house on sorority row. When the resulting furor starts to get dirty, it's up to Margot to uncover some nasty messes tucked away in the sorority closets—to save her sisters' reputations, and their lives. A witty, engrossing mystery for fans of Susan McBride. Published by William Morrow

Dangerous Command Audrey Rush,2021-04-07 She will pay the price for her secrets. Maddie hides behind a dark past. But when my father is murdered, making me the new mob boss, I have no choice but to seek her help. With her by my side, I will get my revenge. Maddie is irresistible to me. I want to possess her. To make her beg with desire. To show her what it means to belong to a king. But as I learn who she truly is, it is clear that she is far from innocent. My family's legacy is everything to me. I will do whatever it takes to avenge my father, even if that means sacrificing Maddie. I won't let her secrets destroy my empire. In the end, I will always rule. Author's Note: Dangerous Command is the third book in the dark mafia series, The Adler Brothers. It is Derek and Maddie's story. It contains dark, depraved, and disturbing content. Reader discretion is advised.

You are What You Eat Annette M. Magid,2009-10-02 You are What You Eat: Literary Probes into the Palate offers tantalizing essays immersed in the culture of food, expanded across genres, disciplines, and time. The entire collection of You Are What You Eat includes a diversity of approaches and foci from multicultural, national and international scholars and has a broad spectrum of subjects including: feminist theory, domesticity, children, film, cultural history, patriarchal gender ideology, mothering ideology, queer theory, politics, and poetry. Essays include studies of food-related works by John Milton, Emily Dickinson, Fay Weldon, Kenneth Grahame, Roald Dahl, Shel Silverstein, J. K. Rowling, Mother Goose, John Updike, Maxine Hong Kingston, Alice Walker, Amy Tan, Louise Erdrich, Amanda Hesser, Julie Powell, Mary Wilkins Freeman, Martin Scorsese, Bob Giraldi, Clarice Lispector, José Antônio Garcia, Fran Ross, and Gish Hen. The topic addresses a range of interests appealing to diverse audiences, expanding from college students to food enthusiasts and scholars.

Mafia Battle in Demon's Shaodw Jay Honey,2024-01-27 This story unfolds like a storm, surpassing many Hollywood movies and best-selling novels. The tension in this book resembles the brute force of a hurricane, not just beginning on the second page but stretching throughout the entire book, concluding only when it has completely swept you away. Feel free to read for yourselves in the sample. Let me transport you into a world that I personally label as Fiction-Style Fusion. Here, up to ten different genres blend into a unique, incomparable narrative. From thriller to action,

mystery, horror, sci-fi, adventure, crime, romantic, to a touch of comedy and psychological thriller - my story encompasses the full spectrum. Certainly, you may wonder if it's even possible to combine ten genres in a single story. With this tale, I have managed to embrace this challenge and shape it meaningfully. Let yourself be carried away by a captivating fiction, in which initially street gangsters in San Francisco relentlessly pursue Katherine, a witness to a murder. Her quest for refuge leads her to a café, where she encounters Garen, a man of secrets, and the fearful waiter Simon. The escape from the ruthless street gangsters compels not only Katherine but also Garen and the fearful Simon to venture into the impenetrable Muir Woods in California. There, in an abandoned house that seemingly promises shelter, an eerie creature lurks unnoticed. While street gangsters storm the house, the powerful mafia pulls the strings in the background, and even corrupt FBI agents set out, another player takes the stage - none other than the righteous FBI Agent William Mahone. He too is on his way to the eerie house in the Muir Woods to expose his corrupt colleagues and hold them accountable. The burning question arises: Will Garen, Katherine, and Simon escape this eerie place? If so, where will the journey lead, and what unforeseen events await them? What happens to William as FBI Chief A. Jolie, his former FBI partner, notices his disappearance and embarks on a search for him? It sounds enticing, doesn't it...? But... I forgot to mention something: The eerie house is just a small fraction of what awaits everyone in this story. Because this is only the beginning.
