

# Mafia

Carl Sifakis

*The Mafia Encyclopedia* Carl Sifakis,2006 More than 500 alphabetical entries provide information on the people, places and events associated with the Mafia.

The Sicilian Mafia Diego Gambetta,1996-02 Blood ceremonies, obscure symbols, elaborate codes, brutal executions: the arcane remnants of a defunct culture? The Mafia, this book suggests, is not nearly as bizarre as all that, not nearly as remote as we might think. In fact, as Diego Gambetta's analysis unfolds, the Mafia begins to resemble any other business. In a society where trust is in short supply, this business sells protection, a guarantee of safe conduct for commercial and social transactions. It grudgingly shares the market with other concerns like itself, of which it is merely the most successful. The author develops his elegant economic theory with ample evidence, much of it based on the remarkable work done by Judge Giovanni Falcone and his colleagues in Palermo and Agrigento in the 1980s. Drawing on the confessions of eight Mafiosi and the trials their revelations triggered, Gambetta is able to explain all manner of peculiar Mafia marketing strategies that have been endlessly misinterpreted in the past. He makes illuminating - and unexpected - comparisons between the business of protection and ordinary industries, such as automotive insurance, and advertising. And he teases out the subtle distinctions between protection and extortion, in which the protector himself poses a threat. This new approach reshapes traditional interpretations of the Mafia - its origins, functions, and social consequences. Applying informal economic analysis, Gambetta shows how such a recognized evil can perform a real service, and how such a recognizable service can inflict great harm on a society.

**An Offer We Can't Refuse** George De Stefano,2007-01-23 The Mafia has maintained an enduring hold on the American cultural imagination--even as it continues to wrongly color our real-life perception of Italian Americans. Journalist and cultural critic De Stefano takes a look at the origins and prevalence of the Mafia mythos in America. Beginning with a consideration of Italian emigration in the early twentieth century and the fear and prejudice--among both Americans and Italians--that informed our earliest conception of what was the largest immigrant group to enter the United States, De Stefano explores how these impressions laid the groundwork for the images so familiar to us today and uses them to illuminate and explore the variety and allure of Mafia stories. At the same time, he addresses the lingering power of the goodfella cliché, which makes it all but impossible to green-light a project about the Italian American experience not set in gangland.--From publisher description.

*Understanding the Mafia* Joseph Farrell,1997-11-15 This timely volume is an anthology of writings in Italian which examine the origins, nature and culture of the Sicilian mafia. Separate chapters are devoted to the culture from which the mafia emerged, the economic and business activities in which it is now engaged, its relations with politics and politicians, as well as its structure and historical evolution. There are portraits of prominent mafiosi as well as of the people and organisations that have struggled against mafia crime. The individual pieces come from the most diverse sources, including newspapers, historical and sociological works. There is an introduction in English as well as a full vocabulary and a glossary of terms associated with the mafia. From these

composite elements a complete and rounded picture of the mafia is constructed, making it an invaluable text for those interested in Italian culture.

**Mob Rules** Louis Ferrante, 2011-06-02 The Mob is notorious for its cruel and immoral practices, but its most successful members have always been extremely smart businessmen. Now, former mobster Louis Ferrante reveals its surprisingly effective management techniques and explains how to apply them-legally-to any legitimate business. As an associate of the Gambino family, Ferrante relied on his instincts to pull off some of the biggest heists in U.S. history. By the age of twenty-one, he had netted millions of dollars for his employers. His natural talent for management led Mafia bosses to rely on him. After being arrested and serving an eight-and-a-half-year prison sentence, Ferrante went straight. He realized that the Mob's most valuable business lessons would allow him to survive and thrive in the real world. Now he offers eighty-eight time-tested Mafia strategies, including: \* Go get your own coffee!: Respecting the chain of command without being a sucker. \* The walls have ears: Never bad-mouth the boss. \* Is this phone tapped?: Watch what you say every day. \* How to bury the hatchet-but not in someone's head. \* Don't split yourself in half: The wrong decision is better than none at all. \* Don't build Yankee stadium, just supply the concrete: Spotting new rackets. \* Leave the gun, take the cannolis...and beware of hubris. Ferrante brings his real-life experiences to the book, offering fascinating advice that really works and sharing behind-the-scenes episodes almost as outrageous as those occurring on Wall Street every day.

What is Mafia Gaetano Mosca, 2014-08-29 What is Mafia is the first English translation of the book Cosa è la Mafia by Gaetano Mosca, an Italian political scientist, journalist and public servant. This book is a transcript of a lecture by Gaetano Mosca in Milan in 1900, when he tried to define the essential characteristics of the phenomenon Mafia. These characteristics are the spirit of Mafia, which permeates Sicilian society, the omertà which build up a perfect environment where the Mafia's activities can easily develop, and the ability of the Mafia's cosche to take advantage of their local power linking it to political and financial power. Nowadays, when we discuss about Mafia, it seems that there is an underestimation of this phenomenon, in addition to political and cultural limits to the approach to this problem. All problems that more than one hundred years ago Mosca already noticed and to which tried to give an answer. For this reason, we believe that the translation and the publication of a book already older than one hundred years, will help us take advantage of a witness who tells us about a world far away in time, but close to our interests. The interests of people who are still struggling with the same criminal phenomenon that afflicted Italy at the beginning of the twentieth century. We want to thank Dr. David O'Kane for his contribute to this book and Miss Dela Buhle Gwala, without whose invaluable assistance this book would never have come to light.

*Cosa Nostra: A History of the Sicilian Mafia* John Dickie, 2015-03-31 The Italian-American mafia has its roots in a mysterious and powerful criminal network in Sicily. While the mythology of the mafia has been widely celebrated in American culture, the true origins of its rituals, laws, and methods have never actually been revealed. John Dickie uses startling new research to expose the secrets of the Sicilian mafia, providing a fascinating account

that is more violent, frightening, and darkly comic than anything conceived in popular movies and novels. How did the Sicilian mafia begin? How did it achieve its powerful grip in Italy and America? How does it operate today? From the mafia's origins in the 1860s to its current tense relationship with the Berlusconi government, *Cosa Nostra* takes us to the inner sanctum where few have dared to go before. This is an important work of history and a revelation for anyone who ever wondered what it means to be made in the mob.

*The East Village Mafia* Thomas F. Comiskey, 2019-03-28 Few New Yorkers are aware that the tenements and storefronts of the East Village, famous for Beat poetry, avant-garde art, and alternative rock music, were a stronghold of mafia racketeering, treachery, and intrigue for almost seventy years. From the 1920s to 1990, mob icons lived in or frequented the East Village, known as part of the Lower East Side until the mid-1960s. In *The East Village Mafia*, author Thomas F. Comiskey shares the history of this little-known Manhattan mafia enclave that wielded influence on the direction and destiny of organized crime in New York City, telling how: Mafia royalty Lucky Luciano, Joe the Boss Masseria, and Joseph Bonanno lived in or frequented the East Village; East Village-bred Mafiosi plotted the assassinations of five Cosa Nostra bosses; Lucky Luciano ordained the East Village to be one of the mafia's major heroin distribution centers after World War II; A mobster from Avenue A conspired to sell the Vatican millions worth of bogus stocks and bonds, some forged in the East Village; A sit down in Mafia don Joseph Bonanno's favorite Social Club on East Twelfth Street determined control over a New Jersey hotel; and A federal agent from Avenue A and Fifteenth Street became the nemesis of mafia narcotics dealers.

Bringing Down the Mob Thomas Reppetto, 2006-10-31 The riveting, often bloody account of how the fifty-year attack by the federal government virtually extinguished the nation's most powerful crime syndicate In the critically acclaimed *American Mafia*, Thomas Reppetto narrated the ferocious ascendancy of organized crime in America. In this fascinating sequel, he follows the mob from its peak into a shadowy period of decline as the government, no longer able to deny its existence, made subduing the Mafia a matter of national priority. Reppetto draws on a lifetime of field experience to tell the stories of the Mafia's twentieth-century leadership, showing how men such as Sam Giancana and John Gotti became household names. Crusaders like Robert Kennedy led concerted—if sometimes sporadic—attacks against organized crime. As the battles between the feds and the Mafia moved from the streets to the courtrooms, Reppetto describes how it came to resemble a conflict between sovereign powers. In direct, shoot-from-the-hip prose, Reppetto chronicles a turning point in American Mafia history, and offers the provocative theory that, given the right formula of connections and shrewd business, a new generation of multinational criminals may be poised to take up the Mafia's mantle.

The Underboss Dick Lehr, Gerard O'Neill, 2008-08-06 On February 26, 1986, Mafia underboss Gennaro Angiulo was convicted of racketeering and sentenced to forty-five years in prison. In *The Underboss*, bestselling authors Dick Lehr and Gerard O'Neill tell the story of the fall of the house of Angiulo. The Federal Bureau of Investigation, aided in part by the Irish Mob's Whitey Bulger, entered the Boston Mafia's headquarters in Boston's North End early one morning in 1981 and began to compile the evidence that would lead to the entire upper tier of one of the

most profitable and ruthless criminal enterprises in America. Originally published in hardback by St. Martin's in 1989, *The Underboss* became a national bestseller. Information uncovered during the course of Lehr and O'Neill's Black Mass investigations adds new dimensions to the story and the authors include this new material-including Whitey Bulger's cagey manipulation of the FBI-in *The Underboss's* revised text and in a new preface and afterword.

**Mafia and Organized Crime** James O. Finckenauer, 2012-12-01 A compelling introduction to the global impact of organized crime Famous for being ruthless, cruel, and cool, the Mafia has always captured the darker side of the imagination. Here, James Finckenauer debunks the myths surrounding the Mafia to reveal the harsh realities of global organized crime from Japan to Russia to Colombia. Despite popular appeal, these incredibly complex organizations destabilize society on a global scale, perpetuating untold economic, physical, psychological, and societal damage. *Mafia and Organized Crime: A Beginner's Guide* provides vital insight into the real stories behind the world's richest and most successful criminals.

**Mafia Dynasty** John H. Davis, 1993 Among the thousands of Italian immigrants to arrive in New York City in the 1920s were the young Carlo Gambino and John Joseph Gotti. One was a rising star in the Sicilian Honored Society, the other was a poor laborer. While John Joseph Gotti and thousands of poveracci like him plugged away at backbreaking, deadend jobs, slick Sicilian hotshots plunged into the illegal liquor business, setting up stills, warehouses, distribution lines, and trucking companies. They recruited battalions of bootleggers and opened up hundreds of speakeasies all over New York. It was this frenzied competition, writes Davis, that established the foundations for the five Mafia families that to this day run the New York underworld. And the richest and biggest of them all is the Gambino crime family. Davis depicts the deals that went into the creation of this vast enterprise, a mysterious world of blood oaths, shifting alliances, long-lasting feuds, and larger-than-life - or death - personalities: Salvatore Maranzano, the mafioso from the old school who read Caesar in the original Latin; Lucky Luciano, the ruthless young tough who reorganized the underworld in 1931 and gave it the structure it has had for the past sixty years; Albert Anastasia, the Lord High Executioner, who, with Luciano, ran Murder Incorporated with a cadre of killers on retainer; Abe Kid Twist Reles, whose specialty was murder by ice pick; Frank Costello, the Prime Minister of the Underworld. *Mafia Dynasty* shows the young John Gotti, raised in poverty, coming to admire the well-dressed, flashy gangsters in his East New York neighborhood, particularly the mighty Albert Anastasia, who was at the height of his power in 1956 when sixteen-year-old Gotti left school. But while Anastasia swaggered through the streets, Carlo Gambino stealthily built an empire of crime and cemented his control of it by Anastasia's barbershop execution. Davis depicts the remarkable reign of Don Carlo, during which Gambino tentacles reached into many legitimate businesses even as the Gambino family solidified its control over other mob families. Upon the death of Carlo Gambino, Paul Castellano's disputed succession divided the family into two camps, sowing the seeds for Gotti's rise and Castellano's dramatic sidewalk murder. As the quieter branch of the family, led by Carlo's son, Thomas Gambino, raked in garment district trucking profits, media-conscious Gotti antagonized law enforcement officials with his courtroom success, as well as high-profile activities, such as his

annual illegal fireworks display that made him a neighborhood hero. Davis shows Gotti's defiance goading government prosecutors, who finally turned Gotti's top lieutenant, Salvatore Sammy the Bull Gravano, and convicted the Teflon Don in a thrilling 1992 trial. Davis covers this trial in detail and analyzes the ramifications of Gotti's life sentence for the Gambino family's future. From the Gambinos' dramatic Prohibition-era beginnings to their slow strangulation by law enforcement in the nineties, *Mafia Dynasty* portrays sixty years of history that, until now, only lurked behind yellowed newspaper headlines. Combining street smarts with impeccable research, John H. Davis, who knew Lucky Luciano in Italy, has filled his canvas with unforgettable personalities and unspeakable crimes. *Mafia Dynasty* is not only an essential source on today's mob, it is also a compulsively readable expose of the Gambinos' unique and ruthless way of life.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. **Tied to the Mafia Man 2 : NERO** Pravs\_3618, Nero Vitiello is the son of Luca and Emma Vitiello. He took over the outfit as soon as he turned 21. The hard life of the mafia made him colder than his father. He never thought he would hold a gun at 12 and a man. But he did. An ambush on his father when he was not expecting it, forced Nero to hold a gun a , and three people. It made him understand the world he is living in much clearly than he already does. The easy-going boy died that day, and a cold mafia boss was born. After taking over the outfit, Nero began to lead with an iron fist and he decided to infiltrate his enemies. In one of those attempts, he went undercover and began to act as a guard to his enemy's daughter, Chloe. An innocent girl, who is a victim of this world and his enemy's fiancée, who was trapped in to that marriage. He killed that man before he could marry Chloe. He thought it's the last time he would see Chloe. But fate has other plans for them, one which include them falling in love.

*Mafia Life* Federico Varese,2018-03-07 We see mafias as vast, powerful organizations, harvesting billions of dollars across the globe and wrapping their tentacles around everything from governance to finance. But is this the truth? Traveling from mafia initiation ceremonies in far-flung Russian cities to elite gambling clubs in downtown Macau, Federico Varese sets off in search of answers. Using wiretapped conversations, interviews, and previously unpublished police records, he builds up a picture of the real men and women caught up in mafia life, showing their loves and fears, ambitions and disappointments, as well as their crimes. *Mafia Life* takes us into the real world of organized crime, where henchmen worry about bad managers and have high blood pressure, assassinations are bungled as often as they come off, and increasing pressure from law enforcement means that a life of crime is no longer lived in the lap of luxury. As our world changes, so must mafias. Globalization, migration, and technology are disrupting their traditions and threatening their revenue streams, and the Mafiosi must evolve or die. *Mafia Life* is an intense and totally compelling look at these organizations and the daily life of their members, as they get to grips with the modern world.

*Mafia* Sam Giancana,2009-11-04 Some time in the early 1960s, during the golden age of organized crime in America—the era that would inspire *The Godfather*; *Goodfellas*, and even *The Sopranos*—federal investigators pulled

every known piece of information on more than 800 Mafia members worldwide into a thick, phone-book-sized directory. From old-school gangsters like Lucky Luciano and Mickey Cohen to young turks like Paul Castellano and Vinny The Chin Gigante, the guide offered at-a-glance profiles of small-time thugs and major dons alike... and was allegedly the book Attorney General Robert F. Kennedy used to investigate the mob. Recently discovered, and published for the first time in this facsimile edition, Mafia is a treasure trove of info on the underworld in mid-century America—a revelatory artifact and an irresistible read.

**Arranged To The Mafia** Leen S, “Our marriage is nothing but a deal” He said looking the girl in the eye, her green eyes met his silver blue ones, both of their eyes hard as they glared at each other. “Believe me love, I don’t want this marriage any more than you do, but if it will bring peace to our families, then I will sign that stupid paper” she said glaring at him. She is the daughter of the English Mafia boss, and he is the Russian Mafia boss, and the only way to guarantee a proper, safe alliance between the two families, the Brook and the Ivanov family...

*Screening the Mafia* George S. Larke-Walsh, 2010-03-30 The “post-classic” era of American gangster films began in 1967 with the release of Bonnie and Clyde, achieving a milestone five years later with the popular and highly influential The Godfather. This historical study explores the structure, myths and intertextual narratives found in the gangster films produced since The Godfather. The intense relationship between masculinity and ethnicity in the gangster film, especially within the movie-generated mythology of the Mafia, is carefully analyzed, and the book tracks the trends in the genre up to and including the landmark HBO television series The Sopranos (1999–2007). A selected filmography is included. Instructors considering this book for use in a course may request an examination copy here.

The Mexican Mafia Tony Rafael, 2007-07-09 It has been called the most dangerous gang in American history. In Los Angeles alone it is responsible for over 100 homicides per year. Although it has fewer than 300 members, it controls a 40,000-strong street army that is eager to advance its agenda. It waves the flag of the Black Hand and its business is murder. Although known on the streets for over fifty years, the Mexican Mafia has flown under the radar of public awareness and has flourished beneath a deep cover of secrecy. Members are forbidden even to acknowledge its existence. For the first time in its history, the Mexican Mafia is now getting the attention it has been striving to avoid. In this briskly written and thoroughly researched book, Tony Rafael looks at the birth and the blood-soaked growth of this criminal enterprise through the eyes of the victims, the dropouts, the cops and DAs on the front lines of the war against the Mexican Mafia. The first book ever published on the subject, Southern Soldiers is a pioneering work that unveils the operations of this California prison gang and describes how it grew from a small clique of inmates into a transnational criminal organization. As the first prison gang ever to project its power beyond prison walls, the Mexican Mafia controls virtually every Hispanic neighborhood in Southern California and is rapidly expanding its influence into the entire Southwest, across the East Coast, and even into Canada. Riding a wave of unchecked immigration and seemingly beyond the reach of law enforcement, the

Mexican Mafia is poised to become the Cosa Nostra of twenty-first-century America.

**Mafia State** Luke Harding, 2021-07-01 Award-winning journalist and bestselling author Luke Harding's haunting, brilliant account of the insidious methods used against him by a resurgent Kremlin which led to him becoming the first western reporter to be deported from Russia since the days of the Cold War. FEATURING A NEW FOREWORD FROM THE AUTHOR 'A courageous and explosive exposé.' ORLANDO FIGES 'Luke Harding is one of the best reporters in the world.' ROBERT SAVIANO 'An essential read.' NEW STATESMAN In 2007, Luke Harding arrived in Moscow to take up a new job as a correspondent for the British newspaper the Guardian. Within months, mysterious agents from Russia's Federal Security Service - the successor to the KGB - had broken into his flat. He found himself tailed by men in cheap leather jackets, bugged, and even summoned to Lefortovo, the KGB's notorious prison. The break-in was the beginning of an extraordinary psychological war against the journalist and his family. Vladimir Putin's spies used tactics developed by the KGB and perfected in the 1970s by the Stasi, East Germany's sinister secret police. This clandestine campaign burst into the open in 2011 when the Kremlin expelled Harding from Moscow. Luke Harding's *Mafia State* gives a unique, personal and compelling portrait of today's Russia, two decades after the end of communism, that reads like a spy thriller.

**The Mafia in Italian Lives and Literature** Robin Pickering-Iazzi, 2015-01-01 Pickering-Iazzi uses an array of cultural documents from 1990 to the present to examine the myths, values, codes of behaviour, and relationships produced by the Italian mafia through a wide cross-disciplinary lens.

**Mafia: Bestsellers in 2023** The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have captivated audiences this year. *Mafia : Colleen Hoover's "It Ends with Us"* This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. *Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo"* This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. *Mafia : Delia Owens "Where the Crawdads Sing"* This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at

Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
