Daniel U. Thibault, S. John Ross

The Magic Gate Adventures M. J. Koval, 2005-07-13 The Magic Gate Adventures - 'Treasure of the Rainbow Crystal, ' takes two children on a fun, yet sometimes mysterious, adventure. The key to the adventure is a 'treasure' they must find and use appropriately in order to continue. While the magic begins outside the gates, they are the point of entry to 'The Magic Gate Adventures.' 'Part II' of the book challenges readers to jog their memories and have fun with messages sent throughout the book. This is a fun and challenging way to encourage reading comprehension. Welcome to 'The Magic Gate Adventures.'

When your child is not imagining with a free heart, this book could be the key to changing that. As Einstein told us, Imagination is more important than knowledge. The words are meant to bring a smile to your face and kindness into your heart. Simple Books is dedicated to spread kindness through words and art. <https://pamelamcr33.wixsite.com/simplebooks> I believe that all of life works together to bring about some goodness that is not always seen in our everyday reality right now. With conflict, changing weather patterns, and other news that is so much in our face, I wanted to explore something simple and pure about the heart's way of dreaming goodness. I wanted to explore a way that relationship can be forged in a positive light. I hope you find some cheer in this story. Cost: \$12.50

The Lost Gate Orson Scott Card,2011-01-04 Orson Scott Card's The Lost Gate is the first book in the Mithermages series from the New York Times bestselling author of Ender's Game. Danny North knew from early childhood that his family was different, and that he was different from them. While his cousins were learning how to create the things that commoners called fairies, ghosts, golems, trolls, werewolves, and other such miracles that were the heritage of the North family, Danny worried that he would never show a talent, never form an outself. He grew up in the rambling old house, filled with dozens of cousins, and aunts and uncles, all ruled by his father. Their home was isolated in the mountains of western Virginia, far from town, far from schools, far from other people. There are many secrets in the House, and many rules that Danny must follow. There is a secret library with only a few dozen books, and none of them in English — but Danny and his cousins are expected to become fluent in the language of the books. While Danny's cousins are free to create magic whenever they like, they must never do it where outsiders might see. Unfortunately, there are some secrets kept from Danny as well. And that will lead to disaster for the North family. Through the Magic Door Illustrated Arthur Conan

Doyle,2020-04-28 The Magic Door (also known as The Magic Door Television Theatre) was a Jewish educational television series aimed at providing kiruv (outreach) to Jewish children in the Chicago metropolitan area, but intended to appeal to all children in the 5-to-9-age group.[1][2] The show was produced by the Chicago Board of Rabbis, and premiered January 1, 1962. The

show ran weekly until January 1, 1982. It aired at 9:00 AM every Sunday on WBBM-TV.[1]There were two main theme songs for The Magic Door. The first, A Room Zoom Zoom, was based on the children's song A Ram Sam Sam. The second, written by Charles Gerber, was set to a melody from Beethoven's Pastorale Symphony No. 6: Open, come open the Magic Door with me, With your imagination there's so much we can see. There is a doorway that leads to a place. I'll find my way by the smile on your face.[3]The main characters of the series included Tiny Tov (an actor reduced via special effects to appear as a kind of elf)[2] and his cousin Tina Tova. Tiny lived in a house that was made out of an acorn; the entrance was the Magic Door. Before entering the Magic Door to reach the town of Torahville, Tiny would sing a tune with the lyrics, Ah room zoom zoom, ah room zoom zoom, gily gily gily gily a sa sa. Come through The Magic Door with me, just say these words, and wondrous things we'll see.[4]In addition to Tiny and Tina, there were puppet characters, including Bubbe Beaver, Icky Witch, Rabbi and Mrs. Moreh, Max the Mailbox, Rumplemyer Dragon, Bunny Rabbit, Buddy, Worthington Warlock, and many others. In the early days of the series, Tiny Tov would travel back through time riding his Magic Feather. Later on the program evolved into presenting moral topics. There would be a Hebrew Word of the Day that related to whatever values were being taught. Each week, Tiny Tov would educate Jewish children on Jewish history, sharing stories from Torah and Jewish tradition. Every episode would include a brief Hebrew lesson, stepping through the Aleph-Bet (Hebrew alphabet).
