I have seen how it has helped thousands of people of all ages to become who they really are and to express this in their daily lives. This book is a wonderful gift from Linda Keen to every person on this planet. Written with love, down to earth and immediately applicable. - Hans Andeweg, Founder of Center for ECoIntention and Author of The Universe Loves A Happy Ending and In Resonance With Nature. We simply have to accept their validity and learn to use them properly. Linda Keen's unusual experiences began when she was a child. For years, she kept

her secret world to herself for fear of rejection and alienation. But eventually she found companions who validated her experiences and helped her to refine her abilities. In Intuition Magic, she discusses how she developed her abilities to such a level of mastery that she eventually co-founded the largest school for psychic abilities in the Netherlands. Linda has placed a great deal of her teachings in this book. Here you can learn the power and magic of your own intuition, following her step-by-step instruction. You'll discover how to read and adjust auras, protect yourself from psychic noise, get grounded, maintain healthy chakras, and apply your new intuitive skills to everyday life.
