Snow White and the Power of Light Charlie Wood, 2019-09-06 Mirror, mirror on the wall, who's the most powerful sorceress of them all? That is the question Queen Victoria of Elsentree has asked her magic mirror every morning for the past three years, and every morning, the answer has been the same: You are, my Queen. However, that answer changes when 18-year-old Snow White moves into the kingdom. Even more troubling to the Queen? Snow White has the

magical ability to make the images in a painting move and come alive, as if they are a window into another time. Now, hunted by the Queen because of powers she doesn't even understand, Snow White must leave her family and escape into the mysterious forest surrounding the kingdom. Her only hope? Seven strange, small men living in the middle of nowhere, who have secluded themselves from the rest of Elsentree. Full of adventure and humor, SNOW WHITE AND THE POWER OF LIGHT is a reimagining of the classic story, with super-powered dwarfs, monstrous beasts, a mysterious prince, and one powerful young sorceress.

Madness Paul Forrold, 2011-06-01 Description 'Madness - a document' charts one man's descent into insanity. In a world of spirits he engages in a war on the oppressive society he sees around him, until he is sectioned and returned to 'normal'. It contains writing and artwork produced during those convulsive years. The whole adds up to a unique picture of a life in extreme circumstances. About the Author Born in 1966 Paul Forrold is a midlands based artist and writer. Experiencing episodes of psychosis from the age of 16, he saw these as merely part of an artistic sensibility, until aged 25 he was absorbed into a world of magic which turned out to be full-blown paranoid schizophrenia. Banged-up in one of the old rural asylums, he was put on mind-bending drugs which returned him to sanity. In recovery, he chooses not to cling to his delusions, but is interested rather in presenting them as curiosities.

The Water Mirror Kai Meyer, 2012-10-02 In Venice, magic is not unusual. Merle is apprenticed to a magic mirror maker, and Serafin—a boy who was once a master thief—works for a weaver of magic cloth. Merle and Serafin are used

to the mermaids who live in the canals of the city and to the guards who patrol the streets on living stone lions. Merle herself possesses something magical: a mirror whose surface is water. She can reach her whole arm into it and never get wet. But Venice is under siege by the Egyptian Empire; its terrifying mummy warriors are waiting to strike. All that protects the Venetians is the Flowing Queen. Nobody knows who or what she is—only that her power flows through the canals and keeps the Egyptians at bay. When Merle and Serafin overhear a plot to capture the Flowing Queen, they are catapulted into desperate danger. They must do everything they can to rescue the Queen and save the city—even if it means getting help from the Ancient Traitor himself.

The Magic Mirror and the Wishes it Grants AQEEL AHMED, 2023-09-05 Summary about this story: Reflections of Dreams: The Enchanted Mirror is an interesting story for kids that takes them into the worlds of magic, dreams, and the power of having a goal. The story is about what happens to Lily, a young girl who lives in a beautiful town with rolling hills and sparkling streams. Her insatiable desire to know more and her vivid fantasy led her to an old, dusty mirror with a complicated frame studded with gems. When Lily brushes away the dust, the mirror starts to shine brightly, and a musical voice says that it is the Mirror of Dreams, a magical relic that helps people with pure hearts and wise souls get what they want. Lily's surprise turns into excitement, and she sets out on a life-changing journey of self-discovery. Chapters of wonder show how Lily's three dreams come true. Her first wish takes her to places far away, where she discovers jungles, mountains, and oceans and makes friends with people and animals from all different cultures. As a result of this goal, she learns the value of unity, the beauty of variety, and how important it is to connect with other people. Lily gets her second wish and goes home. She realizes that the warmth of her family and the simple pleasures of her town have a place in her heart that can't be replaced. Her travels have shown how important love, roots, and the things we know, and love are to who we are. Her last wish sums up the whole point of her journey: she wants a world full of love, kindness, and understanding. This dream goes beyond individual goals because it shows the power of working together and the ability to help all people. Lily gets smarter as the story goes on, and she finally becomes a village elder. She shares her thoughts and experiences, as well as the timeless reminder that the magic of the mirror is not in the item itself, but in the souls of those who dare to dream and want a better world. The hamlet becomes a place of peace, progress, and kindness, which inspires the surrounding areas and leads to positive change. The story's main message is that wishes made with love, kindness, and selflessness have the power to change the future, inspire future generations, and make changes that last. It shows that the real power of the mirror is in the hopes of those who follow their dreams and work together to make the future better. Reflections of Dreams: The Enchanted Mirror is a book that celebrates the endless potential of the human spirit and encourages readers of all ages to see the magic in themselves and in the world around them. How the story started: Once upon a time, there was a young girl named Lily who lived in a beautiful town with rolling hills and sparkling streams. She had a vivid imagination and was always interested in new things. The peaceful and charming setting of the town was perfect for Lily's growing creativity. Lily's days were full of adventures through wildflower fields and along babbling brooks

that whispered secrets from long ago. Her bright eyes hinted at uncharted land, and her never-ending hunger for new stories and experiences drove her to keep looking for them. Lily was sitting on the steps of her grandmother's small house one sunny afternoon as the smell of flowers wafted through the town in a light breeze. The cottage itself was a treasure chest of memories. Its weathered walls echoed with laughter and knowledge from centuries past. Lily's eyes wandered to the attic, a mysterious place where whispers from another time could be heard. She was interested in the idea of finding secret treasures there. Lily climbed the creaky stairs, the sound of her steps matching the rustling of the leaves outside. She did this because she wanted an adventure. With each step, her excitement grew, and a hint of dustiness told her that time had passed. She finally opened the door to the attic, and when she saw the riches inside, her eyes grew wide. Her attention was drawn to an old, dusty mirror that leaned beautifully against the far wall, between old trunks and forgotten jewels. Its frame, which was a work of art in and of itself, was a tribute to the skill of an earlier time. Its edges were covered with intricate carvings of magical animals and otherworldly settings that seemed to move in the flickering light that came through the small windows in the attic. Gemstones of all different colors were nestled in the frame, and the beautiful images they made on the attic walls made it look like the mirror itself was hiding a secret world. It was different from any other mirror Lily had ever seen, and it seemed to be made of magic. It seemed to whisper secrets from the past. As Lily reached out to wipe away the layers of dust that had built up on the mirror over time, her fingers shook with a mix of fear and joy. As her hand touched the glass, a sweet, musical chime rang through the attic, giving her chills. The mirror started to give off a soft, otherworldly glow that wrapped Lily in a warm hug. A sweet, lyrical voice came from inside the glass. It wove a tapestry of words that danced in the air like petals carried by the wind. I am the Mirror of Dreams, it said, and its voice rang with the wisdom of times past. A guardian of wishes and a doorway to the magical realm. Lily's beating got faster, just like the voice in the mirror. She paid close attention as the mirror told her about all the dreams it had seen and wishes it had made come true. With each word, the mirror's ethereal light pulsed, filling the air with a feeling of awe and possibilities. Lily stood in front of the mirror and thought about her thoughts and dreams. She thought about her deepest wishes: to travel to faraway places, to figure out the secrets of the world, and to have a future full of exciting adventures. Lily took a deep breath and spoke out loud her first wish. She did this with hope and determination in her voice. I want to go to the farthest corners of the world and figure out what's going on there, she said with the excitement of someone about to go on a great journey. As she said the last word of her wish, the attic was filled with the sound of the mirror's light getting brighter. Its light wrapped around Lily like a bright hug. The world around her started to blur and swirl, and in an instant, she was standing on a golden beach with waves crashing against the shore and palm trees moving in the warm air. She asked the mirror to take her to a place where there were no limits and no known boundaries. Lily's heart raced when she saw the beautiful scene in front of her. This was the beginning of an amazing journey that would take her across huge oceans, through dense woods she couldn't get through, and up tall mountains. She didn't know that her trip was just

getting started and that the power of the mirror would bring her many more wonderful gifts. As Lily carefully wiped away the dust that had built up on the mirror's surface over the years, the air was filled with a sense of anticipation. With each gentle stroke, a soft, shimmering glow seemed to come out of the depths of the glass, like a sleeping spell slowly coming to life. Everyone in the crowd seemed to be holding their breath as Lily was about to cross a mystery line. As the last bits of dust were brushed away, a beautiful shimmer emerged, a symphony of light that swirled and sparkled across the mirror. The twinkle took on a life of its own, weaving a pattern of stars that drew Lily toward it and pulled her into its warm embrace. The alluring light seemed to whisper secrets from the past, calling her to find out more about its seductive charm. Lily moved closer to the surreal scene in front of her. She gasped in shock and was mesmerized by it. Her own reflection sparkled in the mirror's depths, where it was surrounded by bright light. Her image was covered in a soft glow that seemed to match the spirit of her thoughts. The mirror had turned into a magical portal, an open doorway between the world of truth and the world of dreams.
