Harry Lorayne

Power Golf Ben Hogan,2010-11-02 Master golfer Ben Hogan (1912-1997) is widely acknowledged as one of the greatest players in the history of the sport, most notably for his legendary ball-striking ability. There are numerous theories as to what made Hogan's swing so effective and in *Power Golf*, now available in a trade paperback format, he shares a lifetime of championship secrets for improving every phase of the game. Regardless of their level of golfing expertise, readers are guaranteed to see a difference the next time they pick up their club!

Portrait of the Assassin Gerald R. Ford,John R. Stiles,1965 Highlights from the Warren Commission Report that describes the motives, emotions, human problems, and failures of Lee Harvey Oswald, and his family, by a member of the Commission.

Close-up Card Magic Harry Lorayne,1962

The Problems of Lasting Peace Herbert Hoover,Hugh Gibson,1942

My Father, My President Doro Bush Koch,2016-03-29 When George H. W. Bush asked Doro to write this memoir, she contacted hundreds of his friends and associates; conducted scores of interviews with dignitaries including Bill Clinton, Mikhail Gorbachev, and General Colin Powell; tapped the memories of family members, including her mother, her four brothers, and of course, her father himself; and collected information from the former president's never-before-released files. Now for the first time, a complete portrait of George H. W. Bush emerges. Doro reveals her father as a young man courting his future wife, Barbara, and how the death of their first daughter brought them closer. Doro tells how they raised five children through much of her father's long and storied career in public service, and offers details about his tenures as head of the Republican National

Committee during Watergate, ambassador to the U.N., America's liaison to China, and vice president for eight years under Ronald Reagan. Doro also provides an insider's look at how the 41st president dealt with crises and challenges, all while keeping his humor and personality intact, and how he still does so while aiding victims of the 2004 tsunami and Hurricane Katrina. She shows how he felt when two of his sons entered politics - and when his eldest made it to the top - and sheds new light on his friendship with former rival Bill Clinton.--BOOK JACKET.

Magic Michael D. Bailey,2017-08 A magical world -- The meanings of magic -- Magical acts -- Magic contested and condemned -- Magical identities -- The reality of magic -- Magic in the modern world
