

Mahabharata Amar Chitra Katha

Anant Pai

Amar Chitra Katha Kamala Chandrakant,1985

Mahabharata ,2000 William Buck's stirring retelling of a classic Indian epic--in its original Sanskrit, probably the largest epic ever composed.

Mahabharata B.R. BHAGWAT,1971-04-01 It all began with petty family jealousy. The Kaurava brothers tricked their Pandava cousins out of a kingdom, and even Lord Krishna could not stop the horror and bloodshed that followed. Veda Vyasa composed an epic poem, the longest in the world, to describe the events that unfolded. In this epic tale of superhuman heroes and gory action, Veda Vyasa explores human ambitions, relationships and conflicts to find the true purpose of life

Jayadratha SUBBA RAO,1971-04-01 Jayadratha was a despicable man - vindictive, arrogant and selfish. In the Mahabharata battle, Jayadratha had shamelessly hidden himself away, for Arjuna had taken a terrible vow to put an end to his own life if he failed to kill the villain before sunset that day. With the wise Krishna by his side, would the mighty Arjuna fail to find his mark?

Stories from the Mahabharata ,2003

Lead Poisoning: The Pencil Art of Geof Darrow Geof Darrow,2017-07-25 Geof Darrow's slick, precise inks and stunning detail have amazed comics fans for decades, from his early work with Moebius; to Hardboiled, his first collaboration with Frank Miller; to the overwhelming excess of his current series, Shaolin Cowboy. Now Darrow provides incredible insight into his process by sharing the pencil drawings behind his meticulous inks in a huge hardcover collection. Featuring the pencils behind well-known covers and never-before-seen drawings alike, Lead Poisoning is a behind-the-scenes look that reveals perfectionism at its best, showing how clean and perfect the initial drawings can be, as well as the bizarre alterations that appear to happen on the fly.

Mahabharata: The Kuru princes ,1998

The Golden Mongoose LUIS M. FRNANDES,1971-04-01 How important is a guest who visits one's home? What could be more important than achieving knowledge through meditation? These tales taken from the Mahabharata tell of age old values that emphasize the divine status of a guest and the importance of dharma or duty above all else and teaching these lessons are simple creatures like a mongoose, a crane and a pigeon.

Mahabharata Unravelled Ami Ganatra,2021-07-18 Millennia have passed since the dharma yudhha of the cousins shook the land of Bharata. But this history of our ancestors continues to fascinate us. Even today, we have passionate discussions about the people and their actions in the epic, fervidly defending our favourites and denouncing others. The number of works on the Mahabharata-adaptations, retellings and fiction-that still get written is a testimony to its enduring relevance. While the general storyline is largely known, a lot of questions and myths prevail, such as-What was the geographical extent of the war? Did Drona actually refuse to take on Karna as his disciple? What were Draupadi's responsibilities as the queen of Indraprastha? Did she ever mock Duryodhana? Were the women in the time of the Mahabharata meek and submissive? What were the names of the war formations during the time? What role did the sons of the Pandavas play? Does the south of India feature at all in the Mahabharata? What happened after the war? These and many other intriguing questions continue to mystify the contemporary reader. Author Ami Ganatra debunks myths, quashes popular notions and offers insights into such aspects not commonly known or erroneously known, based solely on facts as narrated in Vyasa's Mahabharata from generally accepted authentic sources. For a history of such prominence and influence as the Mahabharata, it is important to get the story right. So pick this book up, sit back and unveil the lesser-known facts and truths about the great epic.

Draupadi KAMALA CHANDRAKANT,1971-04-01 This dark beauty was no ordinary woman. Born from the pure flames of a sacred fire, Draupadi was devoted wife to the five famously talented and virtuous Pandava brothers. The evil Kauravas wanted her for themselves, and eyed the Pandava kingdom as well. Raging at their impertinence, and ranting at her husbands' helplessness, Draupadi inspired a deadly war which wiped out the Kaurava scourge for ever.

Forest of Stories Ashok, Banker K,2012 The forest of stories, Book One in Ashok Banker's long-awaited 'MBA' Series, takes us deep into the haunted jungle of Naimishavan.

Valmiki's Ramayana ,2018-04-20 One of India's greatest epics, the Ramayana pervades the country's moral and cultural consciousness. For generations it has served as a bedtime story for Indian children, while at the same time engaging the interest of philosophers and theologians. Believed to have been composed by Valmiki sometime between the eighth and sixth centuries BCE, the Ramayana tells the tragic and magical story of Rama, the prince of Ayodhya, an incarnation of Lord Visnu, born to rid the earth of the terrible demon Ravana. An idealized heroic tale ending with the inevitable triumph of good over evil, the Ramayana is also an intensely personal story of family relationships, love and loss, duty and honor, of harem intrigue, petty jealousies, and destructive ambitions. All this played out in a universe populated by larger-than-life humans, gods and celestial beings, wondrous animals and terrifying demons. With her magnificent translation and superb introduction, Arshia Sattar has successfully bridged both time and space to bring this ancient classic to modern English readers.

Uloopi ,1974

Mahabharata ,1988

Brave Rajputs Anant Pai,1999 Includes the following titles: Prithviraj Chauhan, Rana Kumbha, Rana Sanga, Rana Pratap, Rani Durgavati

Great Indian Classics ,2010 This Amar Chitra Katha collection brings together a sample of the Indian literary tradition down the years. It starts with the works of Kalidasa, moving to Sanskrit romances of the Gupta Age, and ancient Tamil Sangam literature which was influenced by Jain and Buddhist thought. As language and literature evolved, each region in the country began to develop its own special modes of writing and story-telling. By the nineteenth century, India was home to not one but a multitude of literatures, each borrowing from, referring to, and overlapping with the others.

Mahabharata ,1984

Stories of Krishna Anant Pai,Kamala Chandrakant,2011 Includes the following titles: Krishna, Krishna and Rukmini, The Syamantaka Gem, Krishna and Jarasandha, Krishna and Narakasura

Heroes from the Mahabharata ,2000 Includes the following titles: Bheeshma Drona Tales of Arjuna Karna Abhimanyu

Tales of Humour Anant Pai,2011 Includes the following titles: Birbal the Just, Birbal the Witty, Raman the Matchless Wit, Gopal the Jester, Raman of Tenali
