**Mahjong** Annelise Heinz, 2021-04-05 How has a game brought together Americans and defined separate ethnic communities? This book tells the first history of mahjong and its meaning in American culture. Click-click-click. The sound of mahjong tiles connects American expatriates in Shanghai, Jazz Age white Americans, urban Chinese Americans in the 1930s, incarcerated Japanese Americans in wartime, Jewish American suburban mothers, and Air Force officers' wives in the postwar era. *Mahjong: A Chinese Game and the Making of Modern American Culture* illustrates how the spaces between tiles and the moments between games have fostered distinct social cultures in the United States. This mass-produced game crossed the Pacific, creating waves of popularity over the twentieth century. Annelise Heinz narrates the history of this game to show how it has created a variety of meanings, among them American modernity, Chinese American heritage, and Jewish American women's culture. As it traveled from China to the United States and caught on with Hollywood starlets, high society, middle-class housewives, and immigrants alike, mahjong became a quintessentially American game. Heinz also reveals the ways in which women leveraged a game to gain access to respectable leisure. The result was the forging of friendships that lasted decades and the creation of organizations that raised funds for the war effort and philanthropy. No other game has signified both belonging and standing apart in American culture. Drawing on photographs, advertising, popular media, and dozens of oral histories, Heinz's rich and colorful account offers the first history of the wildly popular game of mahjong.

**Mah Jongg Mondays** Fern Bernstein, 2019-04-10 Join Fern and a colorful cast of characters in her debut memoir titled *Mah Jongg Mondays*. Fern, married and a mother of three sons takes us into her modern middle-class suburban Long Island world where one day she gets the Big Idea to learn the Chinese tile game called mah jongg. Weekly games provide the setting for deep-seeded relationships to form around the mah jongg table. These Monday gatherings become a source of support and strength for Fern as her husband is diagnosed with cancer. Fear, insecurity and potential heart-

wrenching loss become challenges she must overcome. The author weaves the themes of destiny, faith, friendship, time and love throughout the story. Fern takes us on her journey around the mah jongg table, eastward to the seaport town of Greenport and through her husband's battle with cancer as she relies on faith, friendship and her personal relationship with God. Read this heartwarming story about the wonderful things that can happen when five women are destined to come together to play an old Chinese game, sitting around a table with 152 tiles, dice and a mah jongg card. Mahjong All Day Long Ginie Lo, 2005-01-01 MaMa and BaBa play mahjong all day long. And all night long. We hear the clicking of mahjong tiles morning, noon, and night. Big sister, JieJie, and her little brother, DiDi, see their parents playing mahjong all the time. It's their favorite family tradition. With Uncle T.T. and Auntie Helen around, the house is always alive with singing and chatting, the aromas of hot tea and good food, and of course the constant sounds of a family having fun together! One day JieJie and Didi will grow up and have families of their own, and they will teach their children the game as their parents taught them. As it has done for centuries, the playing of mahjong continues to bring families together, allowing for traditions to be passed on generation after generation. Beth and Ginie Lo are sisters (and best friends!). They had a happy Chinese American childhood in West Lafayette, Indiana, where they learned to play mahjong while sitting on their father's lap. They continue to play to this day. Ginie, a computer science professor, wrote the story, and Beth, a ceramic arts professor, made the illustrated ceramic plates. This is their first book. Beth now plays mahjong in Missoula, Montana, with her husband, son, and Chinese cousin who lives up the valley. Ginie plays mahjong in Eugene, Oregon, with her husband, their children, and the authors' mother, who lives next door.

*Mah Jongg: The Art of the Game* Ann Israel, Gregg Swain, 2014-11-18 I thoroughly enjoyed this book. Whether used as a reference or a beautiful keepsake, it's a very worthy addition to the world of Mah Jongg. —Ruth Unger, President, National Mah Jongg League This is the first book to fully capture the story of the exotic and exciting game of Mahjong or Mah Jongg, offering an intimate look at the history of the game as well as the visual beauty of the tiles. When authors Ann Israel and Gregg Swain began playing Mahjong, they were unaware of the vintage collections that existed not only in the United States but also across the globe. Slowly, they started to collect their own sets of Mahjong and as their collections grew, so did their appreciation of the history of, and interest in, the game. Finding few references, Israel and Swain set out to create a book that chronicles the early beginnings of the game and documents Mahjong sets from the most basic, made simply of paper, to the most precious materials such as ivory and mother-of-pearl. Recognized and respected scholars and game experts have collaborated with Israel and Swain, contributing important chapters on the game's history and its pieces as well as technical information on the tiles. Lastly, great collectors from around the globe have shared their incredible sets and memories for the first time in one book for everyone to enjoy. With hundreds of beautiful new images by renowned photographer Michel Arnaud, and including historical documentation and ephemera, Mah Jongg: The Art of the Game fills the void between the past's and today's

game, providing vision, inspiration and resources. Anyone who has ever been intrigued by a Mahjong tile will find in these pages visually stunning photographs that will entice them into becoming an enthusiast of the timeless game of Mahjong.
