Send for Me Lauren Fox,2021-02-02 A NEW YORK TIMES NOTABLE BOOK • NEW YORK TIMES BESTSELLER • An achingly beautiful work of historical fiction that moves between Germany on the eve of World War II and present-day Wisconsin, unspooling a thread of love, longing, and the powerful bonds of family. • A TODAY SHOW #ReadWithJenna BOOK CLUB PICK! Based on the author’s own family letters, Send for Me tells the story of Annelise, a young woman in prewar Germany. Growing up working at her parents’ popular bakery, she's always imagined a future full of delicious possibilities. Despite rumors that anti-Jewish sentiment is on the rise, Annelise and her parents can’t quite believe that it will affect them; they’re hardly religious. But as she falls in love, marries, and gives birth to her daughter, the dangers grow closer. Soon Annelise and her husband are given the chance to leave for America, but they must go without her parents, whose future and safety are uncertain. Two generations later in a small Midwestern city, Annelise’s granddaughter, Clare, is a young woman newly in love. But when she stumbles upon a trove of the letters her great-grandmother wrote from Germany after Annelise's departure, she sees the history of her family’s sacrifices in a new light, leading her to question whether she can still honor the past while planning for her future.

Eclipse 3 Jonathan Strahan,2009-10-01 To observe an eclipse is to witness a rare and unusual event. Under darkened skies the sun becomes a negative image of itself, its corona transforming the landscape into a strange space where anything might happen, and any story may be true... In the spirit of classic science fiction anthologies such as Universe, Orbit, and Starlight, master anthologist Jonathan Strahan (The Best Science Fiction and Fantasy of the Year) presents the non-themed genre anthology Eclipse: New Science Fiction and Fantasy. Here you will find stories where strange and wonderful things happen--where reality is eclipsed by something magical and new. Continuing in the footsteps of the multiple-award-nominated anthologies Eclipse One and Eclipse Two, Eclipse Three delivers new fiction by some of the genre's most celebrated authors, including Karen Joy Fowler's story of a family's desperation and a rebellious young woman's strange incarceration; Ellen Klages's fable of a practical girl, an unusual tortoise, and an ancient mathematical puzzle; Pat Cadigan's story of a mysterious photograph and two friends' journey through space and time in order to solve its riddle; Jeffrey Ford's tale of a legendary sword imbued with the power to turn flesh to coral, and of the artist that wields it; Daniel Abraham's story of divine providence, sacred oaths, and the omens that indicate whether a man is fit to be king; and Caitlin R. Kiernan's chronicle of an astronaut whose memories of a lover lost to an alien intelligence haunt her.

Warhol-isms Andy Warhol,2022-05-10 A unique collection of brilliant quotations from the legendary Pop artist One of the most influential artists of his time and ours, Andy Warhol is nearly as renowned for what he said as for what he did. Indeed, he is so quotable that things he never said are endlessly and plausibly attributed to him, including, fittingly, the most celebrated fake Warhol saying—“In the future, everyone will be world-famous for 15 minutes.” Warhol-isms separates legend from fact to present a unique and comprehensive collection of authentic quotations from the Pop artist. Gathered from interviews and other primary sources, these deadpan, droll, ironic, and sincere gems—in which a superficial embrace of superficiality often disguises provocative, unconventional ideas—provide compelling insights into the life and work of an artist who has left an indelible mark on art and popular culture. Select quotations from the book: I think an artist is anybody who does something well.I went to [a psychiatrist] once, and he never called me back.They always say that time changes things, but you actually have to change them yourself.I’ve never met a person I couldn’t call a beauty.New things are always better than old things.I’m still a commercial artist. I was always a commercial artist.

Identity and Theatre Translation in Hong Kong Shelby Kar-yan Chan,2015-04-14 In this book, Shelby Chan examines the relationship between theatre translation and identity construction against the sociocultural background that has led to the popularity of translated theatre in Hong Kong. A statistical analysis of the development of translated theatre is presented, establishing a correlation between its popularity and major socio-political trends. When the idea of home, often assumed to be the basis for identity, becomes blurred for historical, political and sociocultural reasons, people may come to feel homeless and compelled to look for alternative means to develop the Self. In theatre translation, Hongkongers have found a source of inspiration to nurture their identity and expand their home territory. By exploring the translation strategies of various theatre practitioners in Hong Kong, the book also analyses a number of foreign plays and their stage renditions. The focus is not only on the textual and discursive transfers but also on the different ways in which the people of Hong Kong perceive their identity in the performances.
