Women at Work in Twenty-First-Century European Cinema Barbara Mennel,2019-01-30 From hairdressers and caregivers to reproductive workers and power-suited executives, images of women's labor have powered a fascinating new movement within twenty-first century European cinema. Social realist dramas capture precarious working conditions. Comedies exaggerate the habits of the global managerial class. Stories from countries battered by the global financial crisis emphasize the patriarchal family, debt, and unemployment. Barbara Mennel delves into the ways these films about female labor capture the tension between feminist advances and their appropriation by capitalism in a time of ongoing transformation. Looking at independent and genre films from a cross-section of European nations, Mennel sees a focus on economics and work adapted to the continent's varied kinds of capitalism and influenced by concepts in second-wave feminism. More than ever, narratives of work put female characters front and center--and female directors behind the camera. Yet her analysis shows that each film remains a complex mix of progressive and retrogressive dynamics as it addresses the changing nature of work in Europe.

Inside Out & Back Again Thanhha Lai,2013-03-01 Moving to America turns H&A's life inside out. For all the 10 years of her life, H&A has only known Saigon: the thrills of its markets, the joy of its traditions, the warmth of her friends close by, and the beauty of her very own papaya tree. But now the Vietnam War has reached her home. H&A and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H&A discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. This is the moving story of one girl's year of change, dreams, grief, and healing as she journeys from one country to another, one life to the next.

Limelight Amy Poeppel,2019-05-14 In a smart and funny novel by the author of the critically acclaimed “big-hearted, charming” (The Washington Post) *Small Admissions*, a family’s move to New York City brings surprises and humor. Allison Brinkley—wife, mother, and former unflappable optimist—discovers that her decision to pack up and move her family from suburban Dallas to the glittery chaos of Manhattan may have been more complicated than she and her husband initially thought. New York is more unruly and bewildering than she expected, defying the notions she developed from romantic movies and a memorable childhood visit. After a humiliating call from the principal’s office and the loss of the job she was counting on, Allison begins to accept that New York may not suit her after all. When she has a fender-bender, witnessed by a flock of mothers at her son’s new school, she is led to the penthouse apartment of a luxurious Central Park West building and encounters a spoiled, hungover, unsupervised teenager who looks familiar. It doesn’t take long to recognize him as Carter Reid—a famous pop star who has been cast in a new Broadway musical. Through this brush with stardom, Allison embraces a unique and unexpected opportunity that helps her find her way in the heart of Manhattan. “A tribute to Broadway, teen celebrity life, and a mother who has now seen it all, this work is tough love at its finest and a great read for those wanting a ride on the wild side” (Booklist, starred review).

RECOVERY 2.0 Tommy Rosen,2014-10-21 The feeling was electric-energy humming through my body. I felt like blood was pouring into areas of my tissues that it had not been able to reach for some time. It was relieving and healing, subtler than the feeling from getting off on drugs, but it was detectable and lovely, and of course, there was no hangover, just a feeling of more ease than I could remember. I felt a warmth come over me similar to what I felt when I had done heroin, but far from the darkness of that insanity, this was pure light-a way through. - Tommy Rosen, on his first yoga experience Most of us deal with addiction in some form. While you may not be a fall-down drunk, anorexic, or a gambling addict, you likely struggle with addiction in other ways. Amsterdam Stories Nescio,2012-03-20 No one has written more feelingly and more beautifully than Nescio about the madness and sadness, courage and vulnerability of youth: its big plans and vague longings, not to mention the binges, crashes, and marathon walks and talks. No one, for that matter, has written with such pristine clarity about the radiating canals of Amsterdam and the cloud-swept landscape of the Netherlands. Who was Nescio? Nescio—Latin for “I don’t know”—was the pen name of J.H.F. Grönloh, the highly successful director of the Holland–Bombay Trading Company and a father of four—someone who knew more than enough about respectable maturity. Only in his spare time and under the cover of a pseudonym, as if commemorating a lost self, did he let himself go, producing over the course of his lifetime a handful of utterly original stories that contain some of the most luminous pages in modern literature. This is the first English translation of Nescio’s stories.
