Imagine Design Create Tom Wujec,2011-05 Imagine, Design, Create offers a wide-ranging look at how the creative process and the tools of design are dramatically changing--and where design is headed in the coming years. Bringing together stories of good design happening around the world, the book shows how people are using fresh design approaches and new capabilities to solve problems, create opportunities, and improve the way we live and work. From the impact of SOM's Cathedral of Christ the Light in Oakland to the spark that inspired Thomas Heatherwick's U.K. Pavilion in Shanghai; from the new processes fueling Zaha Hadid's extraordinary architecture to the digital tools Ford is using to transform car design, each of these stories explores questions that swirl around the idea of design. How does design change our lives for the better? How is our capacity to produce good design evolving? How will the next generation of designers work? What will they make? What new areas of human experience is design opening for us? Now that designers can do almost anything--what should they do? The Publisher has two cover versions for this title. The books will ship with either a black

or white cover. The interior contents are the same.

The Romantic Sublime Thomas Weiskel, 2019-12-01 Originally published in 1976. In *The Romantic Sublime* Thomas Weiskel investigates the concept of the sublime in the poetry of English Romantic writers. His work infuses elements of structuralism and psychological thought in his attempt to describe and demystify the sublime experience—or, in his words, to desubliminate the sublime. In doing so, he demonstrates that the sublime is largely mystified, and he contrasts those with faith in the awesomeness of sublimation and those who remain skeptical of the sublime's mystifying power. In working to demystify the sublime, Weiskel emphasizes the task of intelligence by assigning morality and intellect the value of mistrust in sublimation.

Scrolls of Love Peter S. Hawkins, Lesleigh Cushing Stahlberg, 2006 *Scrolls of Love* is a book of unions. Edited by a Christian and a Jew who are united by a shared passion for the Bible and a common literary hermeneutic, this volume joins two biblical scrolls and gathers around them a diverse community of interpreters. Respectful of traditional biblical scholarship, the collection of essays moves beyond it; alert to contemporary trends, the volume returns venerable interpretive tradition to center stage. Most significantly, it is interfaith, bringing together two communities that have read their Bibles in isolation from one another, in ignorance of the richness of the others traditions.

The Tyrant Baru Cormorant Seth Dickinson,2020-08-11 Seth Dickinson's epic fantasy series which began with the “literally breathtaking” (NPR) The Traitor Baru Cormorant, returns with the third book, The Tyrant Baru Cormorant. The hunt is over. After fifteen years of lies and sacrifice, Baru Cormorant has the power to destroy the Imperial Republic of Falcrest that she pretends to serve. The secret society called the Cancrith is real, and Baru is among them. But the Cancrith's weapon cannot distinguish the guilty from the innocent. If it escapes quarantine, the ancient hemorrhagic plague called the Kettling will kill hundreds of millions...not just in Falcrest, but all across the world. History will end in a black bloodstain. Is that justice? Is this really what Tain Hu hoped for when she sacrificed herself? Baru's enemies close in from all sides. Baru's own mind teeters on the edge of madness or shattering revelation. Now she must choose between genocidal revenge and a far more difficult path—a conspiracy of judges, kings, spies and immortals, puppeteering the world's riches and two great wars in a gambit for the ultimate prize. If Baru had absolute power over the Imperial Republic, she could force Falcrest to abandon its colonies and make right its crimes.
