Breaking Vegan Jordan Younger,2015-11-01 Finding balance in life is a goal many of us strive to achieve. Whether it's through a healthy diet, exercise regimen, state of mind, relationship, or other activity (or all of the above), we spend our days trying to be, and become, our best selves. But what happens when all that focus starts to dominate our lives? When our desire for perfect health trumps everything else, perhaps without us even realizing it? What happens when our solution starts becoming the problem? These are questions that author and popular blogger Jordan Younger faced when she decided that her extreme, plant-based lifestyle just wasn't working in favor of her health anymore--and questions that you may be facing too. In *Breaking Vegan*, Jordan reveals how obsessive healthy dieting eventually led her to a diagnosis of orthorexia, or a focus on healthy food that involves other emotional factors and ultimately becomes dysfunctional, even dangerous. In candid detail, Jordan shares what it was like to leave veganism, the downfall of her desire to achieve nutritional perfection, and how she ultimately found her way to recovery. In addition to this, Jordan outlines an anti-diet, whole-foods-based eating plan featuring more than 25 recipes to help inspire others to find similar balance in their own lives. *Breaking Vegan* is about tolerance and forgiveness. And ultimately, forging one's own path toward happiness.

Nazis in Newark Warren Grover,2017-09-29 Well researched, readable, and very interesting --Choice *Nazis in Newark* is a model local history that reaches well beyond the border of Essex County, New Jersey, to the national and international arenas. By recounting so many sides of the complicated encounter between Nazis and Jews in Newark, Warren Grover has fashioned a world of street politics, boycotts, Nazi louts and Jewish bruisers that is as compelling and telling in its detail as any grand tome on the supposed failures and successes of American Jewish resistance to the Holocaust... I recommend *Nazis in Newark*. I intend to use it as a cornerstone of my teaching for some time to come. --Professor Michael Alexander *The Jewish Quarterly Review* Very few people today realize that the U.S. mainland was the scene of battles against the Nazis. Warren Grover has produced an outstanding work on this subject. The writing is incisive, the ideas are both original and insightful and the thesis masterfully developed and executed. Must reading for anyone interested in American history and ethnic studies. --William B. Helmreich, CUNY Graduate Center and author of *The Enduring Community* Thanks to tenacious research and deft story-telling, Warren Grover has put the politics of extremism in one city in the shadow of Fascism, Nazism and Communism, and has thus illuminated the terrible dilemmas of the 1930s. His book also compels the reader to consider an historical anomaly: champions of the Third Reich come across as victims whose civil liberties were infringed, and the gangs of Newark responsible for these violations tended to be Jewish. Such ironies make *Nazis in Newark* worth the interest of anyone intrigued by ethnic conflict and political violence in urban America. --Stephen Whitfield, Max Richter Professor of American Civilization, Brandeis University In this fast-paced, thorough study of anti-Nazism in Newark, scholar Warren Grover tells th
