When you accept that your natural features are already appealing, you can feel comfortable with or without cosmetics and learn to look like yourself, only better. In this inspirational and practical book, Victoria presents dramatic before and after examples, offers tips on how to use makeup to build on what you like about your face and play down what you don't, and explains how to achieve the look you want in only two, five, or ten minutes. Why waste time worrying whether you look good enough? If you take a moment to broaden your knowledge about makeup and learn to apply it in a simple, efficient, and effective way, you can put it behind you and get on with the rest of your life.
