**How To Have A Garage Sale** Loretta Mofield, 2021-04-03 The book starts out a little bit like an Amway presentation. Blakely introduces the book by telling you how easy his system is and how anyone can do it. Then he gets you to start thinking about the money you can make and all the things you can do with that money, to get you excited about actually following his advice and going out to make money by 'garage sailing.' I think Amway calls that building the dream. After he has you excited about the money you are going to make, Blakely gets into the nuts and bolts of his system. Blakely has a system of going out on Saturdays and shopping as many garage sales and yard sales as he can to buy items at very low prices. Then he resells the items online for a profit. It's a pretty simple concept, but there are a lot of details that are important if you want to be succesful at it, and Blakely covers them very well in this book. It's an easy read, full of very useful information. If you want to try buying and selling for profit, then this is a great book for you and I highly recommend it.
