The Seasons of My Mother Marcia Gay Harden,2018 “A fiercely loving and tender tribute” (Lisa Genova, New York Times bestselling author of *Still Alice* and *Every Note Played*), this lyrical memoir by one of America’s most revered actresses weaves stories of her adventures and travels with her mother, while reflecting on the beautiful spirit that persists even in the face of her mother’s terminal disease. Marcia Gay Harden knew at a young age that her life would be anything but ordinary. One of five lively children born to two Texas natives—Beverly, a proper Dallas lady, and Thad, a young naval officer—she always had a knack for storytelling, role-playing, and adventure. As a military family, the Hardens moved often, and their travels eventually took them to Yokohama, off the coast of Japan, during the Vietnam War era. It was here that Beverly found her own self-expression in ikebana, the ancient Japanese art of flower arranging. Using the philosophy of ikebana as her starting point, Marcia Gay Harden intertwines the seasons of her mother’s life with her own journey from precocious young girl to budding artist in New York City to Academy Award-winning actress. With a razor-sharp wit, as well as the kind of emotional honesty that has made her performances resonate with audiences

worldwide, Marcia captures the joys and losses of life even as her precious mother gracefully strives to maintain her identity while coming to grips with Alzheimer's disease. "Replete with emotionally resonant scenes, humor, and tales of Harden's own journey as an actor" (Booklist), *Seasons of My Mother* illustrates the unforgettable vulnerability and beauty of motherhood, as Marcia does what Beverly can no longer do: she remembers.

Mummy Cat Marcus Ewert,2015 Mummy Cat prowls his pyramid home, longing for his beloved owner. As he roams the tomb, lavish murals above his head display scenes of the cat with his young Egyptian queen. Hidden hieroglyphs deepen the tale and are explained in an informative author's note--

My Imaginary Mom Marcia Blair,2016-11-09 Many children create an imaginary friend. This imaginary friend is perfect and always meets every need of the one who created such friend. Ever since I can remember, I began creating my imaginary mom. My imaginary mom was perfect....perfect for me at least. I was adopted at six months old. My adoptive parents are amazing and I was raised in a loving home and taught awesome morals and values. The truth is, no matter how amazing an adoptee's adoptive parents are the curiosity is still there about their birth mother. I spent several years creating my imaginary mom. I often day dreamed of what it would be like to actually meet her. I never thought it would really happen. But it did. In 2006 I did a search for her, she was located and we reunited. It was great at first, until I started comparing her to my imaginary mom. Things quickly started to fall apart. This book shares my personal journey through it all and the many lessons I've learned and continue to learn along the way. When I stopped comparing my birth mom to my imaginary mom and started loving her for who she is, bitterness and resentment was replaced with happiness and contentment.

A Taste of Chicken Soup for the Mother's Soul 2 Jack Canfield, Mark Victor Hansen, 2012-10-02

No one in the world will ever have a hold on our hearts the way a mother does. Mothers give us life, take care of us, teach us how to be our very best selves. And no matter how old we get, we'll always be the child she held in her arms and comforted us when we were afraid. How can we ever thank them enough for all they have done for us? It is, after all, the hardest job anyone can do. This collection is just a small taste of the ways some of our contributors have expressed gratitude for their mothers' love and devotion.

Tilt Marci Fair, 2013-12-05 Book Launch Jan. 2014. Over 1275 copies already pre-sold! Juggling work and family has never seemed more possible than in Marci Fair’s parenting guide, *TILT*. It was written out of the difficult struggles and unexpected answers that Fair has found on her journey through the *TILT* of life, work, and motherhood. A working mother of four children, Fair shares her decades of insight in an enlightening way that weaves in quotes from her children along with more than one hundred practical, guilt-free parenting tips for the challenges working mothers face. Fair shows how mothers can live imperfectly on purpose. She inspires them to determine what matters the most for themselves and their families, and then to focus on what lasts beyond childhood. The wisdom of more than eighty other working mothers also demonstrates how moms can grow through their journeys to find happiness and success along the way. Balance is impossible; Fair teaches us how to *TILT* instead. She encourages that helping our children dream, without giving up on ours, sets an important parenting leadership example. Through *TILT*, we learn how to choose, in the nucleus of our families, to set the example by shining our own light, so we can love, guide, and empower those little lights we brought into this world.

Three Women Rodolfo De Paolis, 2006-04 Shortly before the onset of hostilities in Europe in 1939, the celebrated Italian conductor, Maestro Marcantonio Omodei, departs Rome to accept a position with New York’s Metropolitan Opera Company under Toscanini. His wife, Anita, plans to join him after the arrival of their precious baby. Christened Marcus Aurelius, the boy is born amidst the first salvos of the European war. Separated from his family for the duration of hostilities, the Maestro is forced, enemy alien status notwithstanding, to endure the mild discomforts of wartime New York City, while mother and child are left to face an uncertain future. Reconciled to a long separation from the one true love of her life, Anita manages the resulting trials with grit and humor. The experience stirs her to reassess her ancestral values, a process that dramatically transforms not only her world, but also her very being. Through it all, Anita is abetted by two childhood friends: Adriana, a blasphemous and fiercely cynical spinster, and a worldly nun named Eugenia. Wrenched from the fringes of her relatively humdrum purgatory, Anita is swept into the vortex of a developing tempest and the deceptive calm that follows its conclusion.
