Fundamental Words & Phrases In Mandarin Chinese

Earnest Osburne,2021-07-10 Are you learning Chinese? And maybe planning a travel adventure to China? Or do you want to be able to speak to Chinese people in your local community? Even a little bit of Chinese will go a long way! Besides practical communication, learning some Chinese can make a big difference to your ability to make meaningful connections and experience Chinese culture. Most textbooks are made to teach you the traditional rules and structures of a language and are great for getting around the grammar and spelling questions you may have. However, how many of them provide you the tools necessary to have a common conversation with a best friend or someone you've just met? Not many at all. Language learners often complain about this - a lack of material that can help you familiarize yourself with the most common phrases used in everyday conversation and in native surroundings. For this reason, we at Lingo Mastery have developed this book, our favorite language-learner, so that you may find the best expressions for common usage in China and communicate with your Chinese friends, colleagues and client without any issue!

Chinese Phrase A Day Practice Volume 1 Sam Brier, Xia Lu, 2014-11-18 A Chinese Phrase A Day is a fun, less-intimidating way to learn Chinese! Part of Tuttle's best-selling page-a-day line, this new edition teaches useful everyday phrases and words. Although more people are studying the Chinese language than ever before, others are still wary of starting because they believe, it's too difficult. But A Chinese Phrase A Day will show absolute

beginners that Chinese is in many ways much easier than other languages and it will help intermediate Chinese learners review and improve upon their past studies and practice Chinese everyday. With almost no grammar or tense, no verb conjugation and a consistency that English, Spanish, French and Japanese learners can only wish for, Chinese enables you to start conversing relatively quickly. After a few weeks of gradual progress your ability to read Chinese, write Chinese and speak Chinese will grow tremendously. This calendar like desk companion is divided into monthly topics and builds upon itself, one day at a time. Chinese phrases are kept short, simple and functional. Each of the 365 pages include these four components: The simplified Chinese characters. The romanized Chinese (hanyu pinyin). The English phrase. A related cultural note to put the phrase into context. Audio for all of the A Chinese Phrase A Day entries is available online. Listening and repeating after the native speakers in the audio files will help you to practice Chinese regularly and polish your spoken Mandarin Chinese and Mandarin listening comprehension. To get started, turn to Day One and begin studying the phrase, its meaning, pronunciation and cultural context. Then tear off the sheet and practice writing it a few times. In a matter of days you'll be on your way to reading and writing Chinese!

Mandarin vocabulary book + Mandarin dictionary This Mandarin vocabulary book contains more than 3000 words and phrases which are grouped by topic to make it easier for you to pick what to learn first. On top of that, the index in the second half of the book provides you with a basic Mandarin-English as well as English-Mandarin dictionary which makes this a great resource for learners of all levels. What you can expect from this book: This Mandarin learning resource is a combination of Mandarin vocabulary book and a two-way basic Mandarin dictionary: Part 1 - Topic based Mandarin vocabulary book: This is the main part of the book and represents a list of chapters each containing Mandarin vocabularies for a certain topic. The Mandarin vocabularies in the chapters are unsorted on purpose to separate remembering them from a defined alphabetical order. You can start at any chapter and dive directly into the topics that interest you the most. Part 2 - Basic English-Mandarin dictionary: The

index in the second half of the book can be used as a basic Mandarin dictionary to look up words you have learned but can't remember or learn new words you need. Part 3 - Basic Mandarin-English dictionary: Easy to use and with just the right amount of words, this third part finishes off with a second index that allows you to look for Mandarin words and directly find the English translation. How to use this Mandarin vocabulary book: Not sure where to start? We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The Mandarin dictionaries in part two and three can be used whenever needed to look up words you hear on the street, English words you want to know the Mandarin translation for or simply to learn some new words. Some final thoughts: Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well. Together with the basic Mandarin dictionary parts, this vocabulary book is a great resource to support you throughout the process of learning Mandarin and comes in particularly handy at times when there is no internet to look up words and phrases.
