**From Burma With Love** Stephen W. Reiss,2023-06-30 During World War II, the Japanese blockaded all the harbors along the coast of China and Burma. To get supplies into central China, the Americans, British, and their allies built the Burma Road which became the Epic Story of the China-Burma-India (CBI) Theater. It was 700 miles through jungles, over mountains, and crossing streams. Some 200,000 native laborers were involved. That was Irwin Reiss' job -- recruiting local tribesmen to move dirt and build bridges by hand and limited heavy help from Caterpillar tractors. Read these letters from the jungle and from the homefront and then ask yourself why is ongoing turmoil in other parts of the world.

Her name: Alison Andrews, First Assistant United States Attorney . . . and Brock's wife. Publicly, Alison and Brock Andrews are a dynamic power couple at the pinnacle of federal law enforcement. Privately, their marriage is on the rocks. And the growing tension between them has only worsened with Alison's release of Edward Nelson, the disgraced CIA employee and international arms dealer Brock arrested months earlier in the biggest bust of his career. What Brock doesn't know is that Alison has recruited Nelson as her most important undercover operator in a plot to ensnare a ring of domestic terrorists smuggling arms overseas. Nelson, a master manipulator skilled at deadly games, has a plan of his own—to turn Alison's undercover operation inside out, unleash a secret army of heavily armed militiamen, and target Washington's high-powered political arena for a terrorist act of unparalleled proportions. Nelson is once again number one on Brock's most wanted list. But with Alison protecting him from arrest, the only way to get to him is through an informant Brock has taken into custody. And while crucial information from this secret source helps Brock put together the pieces of Nelson's insidious plan, it lays open more questions—and even more disturbing possibilities, including Alison's complicity in criminal activity. Soon, Brock finds himself deep in a morass of shifting loyalties, outright betrayals, and hidden agendas that leave him running out of trust—and time. One thing is certain. Each hour matters, as Brock sets a dramatic trap to capture Nelson . . . and stop a terrifying attack on the heart of the nation. But first, he has to uncover the most dangerous truth of all . . .

*How to Fall in Love with Anyone* Mandy Len Catron,2017-06-27

"A beautifully written and well-researched cultural criticism as well as an honest memoir" (Los Angeles Review of Books) from the author of the popular New York Times essay, "To Fall in Love with Anyone, Do This," explores the romantic myths we create and explains how they limit our ability to achieve and sustain intimacy. What really makes love last? Does love ever work the way we say it does in movies and books and Facebook posts? Or does obsessing over those love stories hurt our real-life relationships? When her parents divorced after a twenty-eight year marriage and her own ten-year relationship ended, those were the questions that Mandy Len Catron wanted to answer. In a series of candid, vulnerable, and wise essays that takes a closer look at what it means to love someone, be loved, and how we present our love to the world, "Catron melds science and emotion beautifully into a thoughtful and thought-provoking meditation" (Bookpage). She delves back to 1944, when her grandparents met in a coal mining town in Appalachia, to her own dating life as a professor in Vancouver. She uses biologists' research into dopamine triggers to ask whether the need to love is an innate human drive. She uses literary theory to show why we prefer certain kinds of love stories. She urges us to question the unwritten scripts we follow in relationships and looks into where those scripts come from. And she tells the story of how she decided to test an experiment that she'd read about—where the goal was to create intimacy between strangers using a list of thirty-six questions—and ended up in the surreal situation of having millions of people following her brand-new relationship. "Perfect fodder for the romantic and the cynic in all of us" (Booklist), *How to Fall in Love with Anyone* flips the script on love. "Clear-eyed and full of heart, it is mandatory reading for anyone coping with—or curious about—the challenges of contemporary courtship" (The Toronto Star).

Insane Euphoria Speaks Katherine Dickson, 2007-04 *Insane Euphoria Speaks: Diary of a Late Pregnancy* is one woman's account of her third pregnancy from May 1971 through March 1972. When she first suspects that she is pregnant, she wonders what her husband's reaction might be. Should she or should she not have a third child? In her deepest self, she feels that she would like the profound natural happiness of being pregnant once again. At the same time, she wonders if she and her husband have both the emotional and financial resources to provide for a third child. The narrator tries to balance the anticipated euphoria of the experience against the very substantial demands of a third child. This will be the last pregnancy because she will be thirty-nine years old in two months. The positive side is that she is emotionally and psychologically ready for the experience and expects that she can make it into something more wonderful than her first two pregnancies had been. She served her motherhood apprenticeship with her first two children, and the third time around, she can appreciate her hard-won expertise. She realizes that she will be able to enjoy a mastery of the motherhood experience akin to the professional mastery she enjoyed before motherhood. An added plus to the third pregnancy is that she will be able to keep a journal, something she wanted to do with her

first two pregnancies but was never sufficiently in control to do so. Her decision to continue the pregnancy is supported by her husband's enormous happiness at the prospect of a third child. The narrator records both the resources and the limitations of her current situation. She wants the pregnancy to be a beautiful experience and contain all that her previous two pregnancies lacked. She feels she knows what to expect from the experience, and this makes a significant difference. She likes the house where she lives and is grateful for the view of the hill and field across the street from her living room window. This is her relaxing view, her contact with nature and the eternal. The limitations of her situation are the lack of any household or babysitting help and the resulting acute need for some private time to herself. Having been an independent professional woman before she had children, she finds being a full-time at-home mother and an economic dependent a limiting and, sometimes, demeaning experience. There are fluctuations in her relationship with her husband and negotiations about power and money in their everyday life. The relationship is tugged one way by his wanting her to go back to work and the other way by her wanting him to expand his professional practice. The narrator tries to keep anything from marring the enjoyment of her third and final pregnancy. She wants to experience all the pleasure possible. She finds this a time of psychic integration where the discordant elements of her personality are integrated and present more and deeper meaning than she had previously known. The baby moves for the first time, she witnesses her two-year-old learn to talk, and her three-year-old start nursery school. His family, her family, and their friends form a chorus in the background. She experiences increasing dreaminess while she enjoys keeping a journal and, at one point, rereading some of her earlier journals. In the end, it culminates in the birth of a beautiful healthy baby girl.

**Samhain Witch** A.L. Hawke, 2024-01-08 Samhain Witch is a short story standalone, Book 3.5, from The Hawthorne University Witch Series. Samhain Witch precedes Witch Mirror (Book 4). I absolutely adore Halloween. I love the vibrant fall colors and the fun and revelry. And Samhain (Sa-win) is a major holiday for witches because it represents our new year. It's the time when the spirit world meets the living. So I wanted to throw a Halloween party for my students at Hawthorne University. Since the Billington frat house wasn't available, I planned a party at my place. But as Maddie sat smiling in our circle, planning pumpkin carvings and costume contests, a visitor from my teacher's past appeared, in tears, beside our bonfire. She said she had been terrorized by a

haunted house, and she was looking for the Hawthorne Witch. And as I discovered more about her haunting, I found that, this time, I was up against more than witches competing for my power or blaspheming with left-sided magic. This was a primal evil. I had met the Samhain Witch. Cadence Hawthorne returns in this stand-alone short story, which takes place after The Hawthorne Witch (Book III). Content Warning: Samhain Witch contains profanity, sex, adult situations and, of course, witchcraft.
