1 World Manga Annette Roman,2006 Manga are Japanese-style comics or graphic novels which are very popular among young readers around the world. Teaming up with Viz, a leading English-language manga publisher, the World Bank has launched a new series of comic books, each highlighting a key development issue. The stories follow the adventures of 15-year-old Rei who discovers that the only way to become a true warrior is to understand the challenges facing the poor and disadvantaged people he befriends along the way. Rei's humorous side-kick is a wise 'spirit guide' which morphs into different animal guises as it introduces Rei to each new challenge. An appendix in each book provides further information, websites, and other resources so readers can explore the themes introduced in the story. This volume focuses on the lack of access to educational opportunities for girls in many countries through the world.

Blood on the Tracks 12 Shuzo Oshimi,2022-12-27 ..if you enjoyed Oshimi's previous work with Flowers of Evil, and you enjoy dark storylines with twisted characters, you'll no doubt enjoy Blood on the Tracks! Recommended! - Neo Tokyo 2099 Up on the hill, Seiichi's encounter with Shigeru merges with his own experience of being cast away by his mother, Seiko—and in that moment, he kills Shigeru in order to kill himself, a sacrificial rite to permanently sever his connection with his mother. Taken into custody, Seiichi feels only relief... But Seiko isn't gone from his life yet!!

1 World Manga, Vol. 2 Annette Roman,2005-11-16 This joint World Bank/VIZ Media series addresses global issues through manga graphic novels targeting teenagers. The first 3 volumes focus on poverty, HIV/AIDS, and the environment. But the series' immediate appeal is the coming-of-age tale of orphaned teenager Rei, who dreams of becoming the greatest fighter in the world! Rei's trainer takes the form of various animals and, much to Rei's disappointment, strives to develop his student's mind, heart, and spirit more than his fighting technique! Though the themes are grim, the pages are full of action, romance, and even humor. The guises Rei's trainer assumes inevitably lead to misunderstandings and slapstick. Rei's pride and ambition set him up for many a fall, but throughout the series, his good heart and inability to walk away from those in need makes him an engaging and likeable protagonist who will appeal to young men and women alike.

Marginal Operation Volume 7 Yuri Shibamura,2021-06-02 A Storm is Brewing... Having come to Thailand in the hopes of finding a way to support his children without forcing them onto the battlefield, Arata instead finds himself being asked to recruit more children from the slums and expand his mercenary operations. It may be the only way to save them from being exploited by a far more predatory company, but he still feels conflicted about sending yet more children to war. Will he be able to escape this industry before it claims the lives of his precious kids?

Black Jack, Volume 5 Osamu Tezuka,2015-01-21 Black Jack is a mysterious and charismatic young genius surgeon who travels the world performing amazing and impossible medical feats. Though a trained physician, he refuses to accept a medical license due to his hatred and mistrust of the medical community's hypocrisy and corruption. This leads Black Jack to occasional run-ins with the authorities, as well as from gangsters and criminals who approach him for illegal operations. Black Jack charges exorbitant fees for his services, the proceeds from which he uses to fund environmental projects and to aid victims of crime and corrupt capitalists. But because Black Jack keeps his true motives secret, his ethics are perceived as questionable and he is considered a selfish, uncaring devil. The Black Jack series is told in short stories. Each volume will contain 16-20 stories, each running approximately 20-24 pages in length. NonNonBa Shigeru Mizuki,2020-11-12 THE FIRST ENGLISH TRANSLATION OF MIZUKI'S BEST-LOVED WORK NonNonBa is the definitive work by acclaimed gekiga-ka Shigeru Mizuki, a poetic memoir detailing his interest in yokai (spirit monsters). Mizuki's childhood experiences with yokai influenced the course of his life and oeuvre; he is now known as the forefather of yokai manga. His spring 2011 book, Onward Towards Our Noble Deaths, was featured on PRI's The World, where Marco Werman scored a coveted interview with one of the most famous visual artists working in Japan today. Within the pages of NonNonBa, Mizuki explores the

legacy left him by his childhood explorations of the spirit world, explorations encouraged by his grandmother, a grumpy old woman named NonNonBa. NonNonBa is a touching work about childhood and growing up, as well as a fascinating portrayal of Japan in a moment of transition. NonNonBa was the first manga to win the Angouleme Prize for Best Album. Much like its namesake, NonNonBa is at once funny and nostalgic, firmly grounded in a sociohistorical context and floating in the world of the supernatural. Translated from the Japanese by Jocelyne Allen.
