How to Have Fun in Manila: The Complete Travel Guide Book to Metro Manila, Philippines Jennie Santos,2024-02-26 Manila is like halo-halo: everything Filipino mixed up in one big colorful bowl. It's vibrant, overwhelming, overcrowded, and yes, a bit smelly. Many visitors skip Manila on their way to the beaches, or they never leave their Manila hotel room or favorite mall. With this guide book, you can have a blast in the real Manila, far beyond where tourists usually tread. Every recommendation has a QR code and Google Maps link, so it's easy to navigate. I'll show you how to get local mobile data service, and I'll make sure you don't get scammed by taxis. A ride around Manila costs less than \$5. In central Manila, Intramuros is the old walled city, previously open only to the Spanish colonialists. There's a fort, a cathedral, and the remains of a moat. We'll climb up to a rooftop view, find a hidden cafe that has amazing churros, and learn why the "dirty" ice cream isn't so dirty. Yes, there's a huge mall near Manila Bay, but did you know there's a local seaside promenade there? There's a rooftop cafe next to the beach, a classic rock bar, and a boat tour that costs \$3. I've never seen any foreigners there. Nearby, on the water, there's a seafood market where they'll cook your purchases for you to eat right there. I've never seen any foreigners there either. BGC is Manila's "global" development, and also the only place to get real Italian food in Manila. I'll show you where. Besides the real Italian food, we'll ride a fake Venetian gondola and check out a science museum. We'll eat our way around the world's oldest Chinatown and buy Filipino-Chinese pastries to take home. I'll show you a hidden-away temple that's upstairs in a building, a church with masses in Mandarin and Hokkien, and a street full of amazing Chinese foods that cost a dollar or two. Speaking of cheap food? I don't recommend you eat on the street. But I'll show you better alternatives to get your Filipino street food. And I have an entire chapter on balut — even the hot new balut trend, and where to find it. We'll see indie rock shows, check out hipster art spaces, and eat Hokkaido toast, whatever that is. I list Manila hotels I personally recommend, and scams I personally warn you against. I've even got a bunch of warnings about bathrooms in the Philippines, and how to deal with bad customer service. And don't be shy: if you want to meet and date Filipinas, yes, I cover that too. Experience the best of Manila, the local way. Mabuhay!

Manila Travel Guide, Philippines Antoine Richard,2017-12-15 Manila Travel Guide, Philippines, Go Vacation, Tour, Manila History. Manila's moniker, the 'Pearl of the Orient', couldn't be more apt its cantankerous shell reveals its jewel only to those resolute enough to pry. No stranger to hardship, the city has endured every disaster both humans and nature could throw at it, and yet today the chaotic metropolis thrives as a true Asian megacity. Skyscrapers pierce the hazy sky, mushrooming from the grinding poverty of expansive shanty towns, while gleaming malls foreshadow Manila's brave new air-conditioned world. The congested roads snarl with traffic, but, like the overworked arteries of a sweating giant, they are what keeps this modern metropolis alive.As well as outstanding sightseeing, visitors who put in the effort will discover its creative soul from edgy galleries to a lively indie music scene. Combine this with a penchant for speakeasy bars, artisan markets and single-origin coffees, and it's clear to see that Manila's not only one of Asia's most underrated cities, but one of its coolest.

Manila for Shy Guys Central Information Services, LLC,2019-06-09 Manila doesn't have the same charm as Bangkok and Hong Kong but it is one of those travel destinations in Asia you are supposed to visit just to say that you have been there. Even some of the frequent Philippines visitors have never been to Manila. Many Angeles City visitors make a beeline for the city from the Manila airport. Manila usually stays under the radar of many travelers. Especially now when the country has the president who is hot-tempered, foul-mouthed, and anti-Western, Manila, the capital of the Philippines, doesn't offer any new incentives for foreigners to visit. However, if you are willing to take the bad with the good, Manila can give you some pleasant travel experience.
